**GENERAL DESCRIPTION**

Plans, organizes, assigns and reviews work of the surveillance field staff. Reviews EHAR registry and vital statistics to identify potential mother/child incidents. Implements research activities and serves and direct contact with federal funding agencies. Assists in updating communicable disease reporting regulations. Conducts field investigations for perinatal surveillance and cases of public health. Develops and educates providers in hospitals and medical offices regarding perinatal case and incidence surveillance. Represents department in local, state, national, HIV Pediatric Network and CDC Prevention.

**REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)**

**EDUCATION:**
Graduation from an accredited college or university with a Bachelor's degree in Nursing supplemented by a Master's degree in a nursing specialty or other related field.

**EXPERIENCE:**
Three (3) years of nursing experience in public health and/or hospital nursing, one (1) year of which shall have included teaching, administration, supervision, and/or consultation.

**LICENSE:**
Appointee must be currently licensed as a Registered Nurse in the State of New Jersey or be eligible for and obtain such license within six (6) months from date of appointment. Appointee will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform essential duties of the position.

**IMPORTANT FILING INSTRUCTIONS**

  http://www.nj.gov/health/forms/dpf-663.pdf

*Responses received after the closing date MAY be considered if the position is not filled.*
➢ Newly hired employees must agree to a thorough background check that will include fingerprinting.

➢ If you are a candidate for a position in our Public Health and Environmental Laboratories, you may be subject to pre- and/or post-employment alcohol and drug testing.

➢ If you are a candidate for a position that involves direct client care in one of the State facilities/programs, you may be subject to pre- and/or post-employment drug testing/screening. The cost of any pre-employment testing will be at the candidate’s expense. Candidates with a positive drug test result, or those who refuse to be tested and/or cooperate with the testing requirement, will not be hired.

➢ In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification form upon hire.

➢ In accordance with N.J.S.A. 52:14-7, the “New Jersey First Act”, all employees must reside in the State of New Jersey, unless exempted under the law. If you do not live in New Jersey, you have one year after you begin employment to relocate your residence to New Jersey.

➢ The New Jersey Department of Health is an Equal Opportunity Employer.
