GENERAL DESCRIPTION

Division of Health Facility Survey & Field Operations, Office of Investigations - The position requires the conduct of investigations into incidents/allegations of abuse, neglect and exploitation involving patients served by the Division of Behavioral Health Services (DBHS), at NJ psychiatric hospitals. The selected candidate will conduct interviews of witnesses, patients, hospital staff, guardians, etc. The selected candidate will collect, review, and analyze documents, such as hospital policy records, hospital clinical records, patient records, employee records, etc. Additionally, the selected candidate will collect, review, and analyze physical evidence (testimonial, photographic and video evidence) relative to an alleged incident of abuse, neglect, or exploitation.

This position is assigned to the Department of Health, Division of Health Facility Survey & Field Operations, and the work location is at one of the four State of NJ Psychiatric Hospitals (Ann Klein Forensic Center, Trenton Psychiatric Hospital, Ancora Psychiatric Hospital, Greystone Psychiatric Hospital).

NOTE: This position is covered by the Governor's Executive Order 283, requiring all employees to be fully vaccinated. To comply with that requirement, employees must provide proof of vaccination status. Please do not submit proof of vaccination at this time; instructions will be provided if an offer of employment results from this NOV.

NOTE: This position may be eligible to participate in the Department's pilot telework program, which offers eligible employees the opportunity to work remotely for up to two (2) days per week, as approved by management.

REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)

LICENSE: A license as a Registered Nurse in the State of New Jersey.

EXPERIENCE: Four (4) years of experience as a Registered Nurse, one (1) year of which is specialized experience including the monitoring and/or valuation of clinical or human services records and programs in a mental health, geriatric, health care setting, or human services agency.

NOTE: A Bachelor's degree, and three (3) years of specialized experience in the field of quality assurance in a mental health, geriatric, health care setting, or human services agency which includes monitoring and/or evaluation of clinical or human services records and programs which may include allegations of abuse, neglect, exploitation, or incidents of client abuse or safety and well-being, may be substituted for the above license and experience requirements.

NOTE: A Master's degree in Public Health or a health care related field may be substituted for one (1) year of indicated specialized experience.

LICENSE: Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform essential duties of the position.
