Clinical Consultation, Support Services and Short Term Crisis Stabilization Services
for Individuals with a Dual Diagnosis of a Serious Mental Illness
and a Developmental Disability RFP
Awarded: November 19, 2015

Name of Program: Clinical Consultation, Support Services and Short Term Crisis Stabilization Services for Individuals with a Dual Diagnosis of a Serious Mental Illness and a Developmental Disability RFP

Purpose: The DMHAS, in collaboration with the Division of Developmental Disabilities (DDD), has made one award for the redesign of a New Jersey program to provide more intensive clinical consultation services for adults 21 years and older with a dual diagnosis. Individuals with SMI/DD who have experienced psychiatric hospitalization or are at substantial risk of hospitalization and individuals who are at risk of losing their community placement due to problems caused by their mental illness are eligible for services. Individuals within the target populations for this RFP may or may not be eligible for DDD services at the time of referral.
