Supportive Housing and Community Support Services for Individuals Discharged from State Psychiatric Hospitals who are Forensically Involved

Awarded: April 1, 2015

Name of Program: Supportive Housing and Community Support Services for Individuals Discharged from State Psychiatric Hospitals who are Forensically Involved

Purpose: The DMHAS has made 3 awards to develop or expand supportive housing to serve individuals who are in a New Jersey State Psychiatric Hospital and have a history of forensic involvement. These awards will be targeted to facilitating the discharge of a minimum of 15 individuals, on Conditional Extension Pending Placement (CEPP) status who are in a New Jersey State Psychiatric Hospital.
