

Division of Mental Health and Addiction Services

Expansion of Existing Programs for Assertive Community Treatment (PACT) and Residential Intensive Support Teams (RIST)
Awarded: February 25, 2015

Name of Program: Expansion of Existing Programs for Assertive Community Treatment (PACT) and Residential Intensive Support Teams (RIST)

Purpose: The DMHAS has made four awards that will expand existing Programs for Assertive Community Treatment (PACT) and Residential Intensive Support Teams (RIST) programs. These awards will be targeted to facilitating the discharge of a minimum of 20 individuals, on Conditional Extension Pending Placement (CEPP) status who are in a New Jersey State Psychiatric Hospital.
