

Division of Mental Health and Addiction Services

Residential Intensive Support Team (RIST) for Persons Discharged from State
Psychiatric Hospitals
Awarded: August 12, 2015

Name of Program: Residential Intensive Support Team (RIST) for Persons Discharged from State Psychiatric Hospitals

Purpose: The DMHAS has made one award to develop a Residential Intensive Support Team (RIST) to serve a minimum of 25 individuals who are in a New Jersey State Psychiatric Hospital. The DMHAS seeks to facilitate the discharge of individuals who are on Conditional Extension Pending Placement (CEPP) status. The current RFP will pair housing subsidies funded by the DMHAS and administered by the New Jersey Housing Mortgage and Finance Agency (NJHMFA) with service dollars to develop or expand community supportive housing programs.
