FENTANYL IN THE MIX

The Chocolate Chip Cookie Effect

*Not all parts
are the same.*

HOW TO STAY SAFER

Carry naloxone

Naloxone reverses opioid overdoses. Be prepared.

Use test strips

Test for fentanyl. Request free test strips confidentially by calling or texting **877-4NARCAN**.

Stay Connected

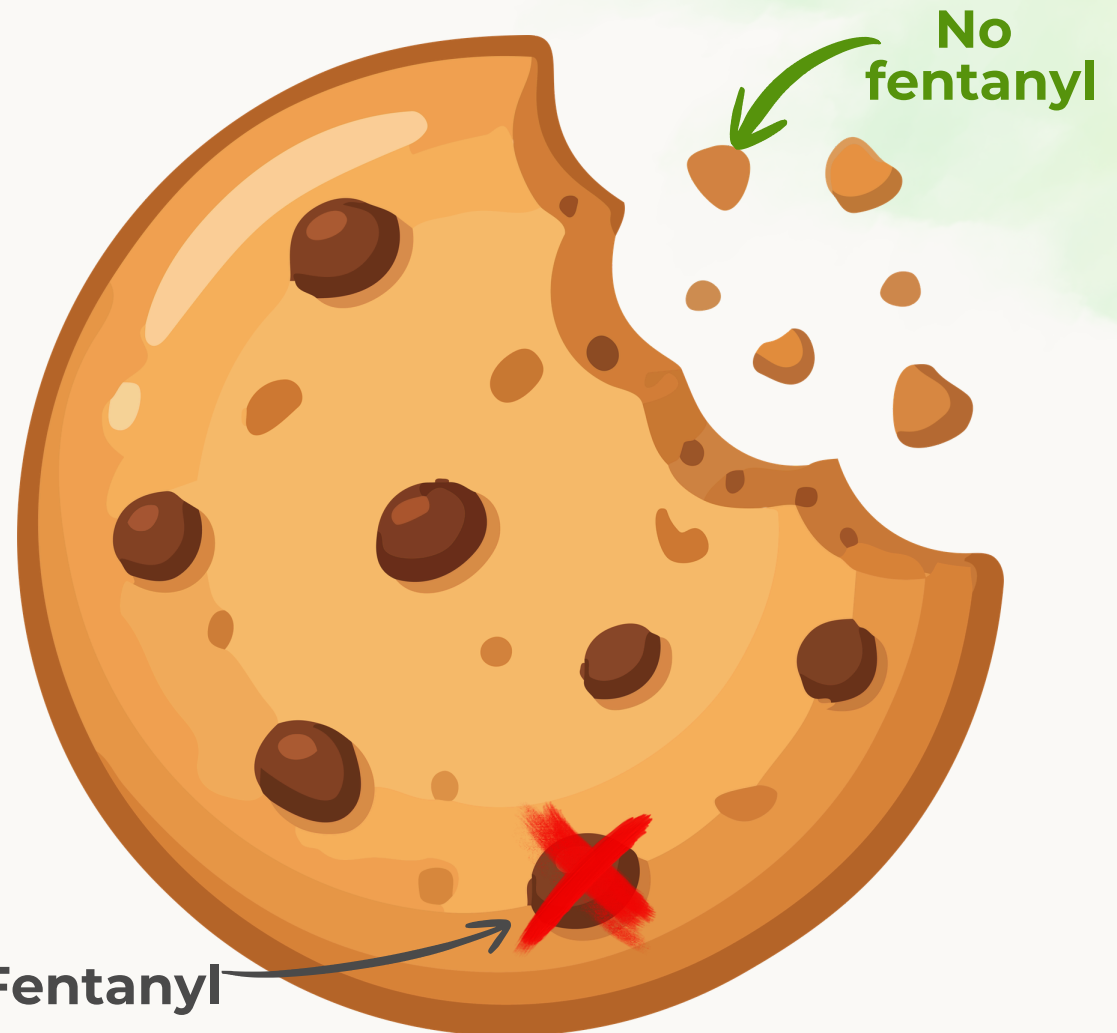

REACHNJ offers 24/7 help for substance use disorder, connecting callers to treatment and support. Call **844-732-2465**.

Don't use alone

If you do use, make a plan and let someone know.

Fentanyl is not evenly mixed.

One part of a pill or bag may contain *no* fentanyl, while **another part** can be ***fatal***.
