Good evening registrars. Please see below for updates.

Please be advised that the new application forms for registrar use (REG-37a, 37b, 38a, and 38b) will be removed from our website and have been added to the Forms section within EDRS tonight. The password for each of these documents has been removed to allow you to edit the header and office information and then post it to your website as a fillable pdf for your clients.

There have been changes to the county assignments for amendments. The OVSR Contact List can be found on our website using password OVSR. The changes are listed below:

Debra.Ferrara@doh.nj.gov - Passaic, Mercer and Bergen

natchez.campbell@doh.nj.gov - Ocean, Warren, Hunterdon, and Sussex

Monique.Trent@doh.nj.gov - Camden, Hudson, and Cape May

Tammy.Mason@doh.nj.gov - Essex, Somerset, Gloucester, and Cumberland

heather.macauley@doh.nj.gov - Union, Monmouth, and Burlington joanal.vandervort@doh.nj.gov - Atlantic, Middlesex, Morris, and Salem

As a reminder, all records contained in EDRS and VIP MUST be issued from those systems. You cannot ever use the template for a record registered in EDRS or VIP.

Marriages that occur outside of New Jersey are recognized in New Jersey, but the couple does NOT need to formally 'register' their event with any NJ registrar or our office. If the couple chooses, they can get remarried in NJ, but it is not a requirement.

Thank you and please let me know if you have any questions.
