Registrars,

An updated REG-33 form is now available on the OVSR website. The updated form allows fields that were previously locked, such as parents' date of birth, to be filled with text such as "unknown" or "not applicable." This updated form has also replaced the fields for first, middle, and last name with one field – Name of Child. A REG-33b with a Parent/Parent option is also available on the website.

Please be advised the password for the Reg-33 series of forms has changed. The password is now, "NJOVSR".
