Note: This is a voluntary survey of impoundment facilities and may not include responses from all such facilities in New Jersey. Facilities may contract with municipalities in more than one county; therefore, individual county statistics on this report may not accurately reflect impoundment rates within that county. Intake column numbers are a sum of animals surrendered by owner, stray/impounded animals, animals received from other shelters/pounds/rescues, and those acquired by other means (i.e. cruelty investigations, animals born, animal bite cases.)
