State of New Jersey

The Department of Health has a career opportunity for qualified candidates for the following position:

Title Software Development Specialist 1 [Classified Non-Competitive]			Salary P21 \$62,164.36 - \$88,009.21
Posting Number 493-24	Position Number 951398, 961936	Number of Positions 2	Posting Period * From: 07/26/2024 To: 08/09/2024
Location: Division of Management and Administration Office of Health Information Technology 55 North Willow Street, 2nd Floor, Trenton NJ 08618			Scope of Eligibility/Open to: Applicants who Meet the Requirements

GENERAL DESCRIPTION

The Software Development Specialist 1 will perform analysis, development, testing, deployment, and support for new software applications using Java, Spring, Python, JUnit, Angular, JavaScript, TypeScript, Bootstrap, Maven, Gradle, MSSQL, Selenium, TestNG, JMeter, and Azure cloud products.

This position will identify gaps and deficiencies in existing applications using design pattern recognition, Azure Application Insights, Visual VM, OWASP ZAP, Dependency Check, and SAST tools including SonarLint and SonarQube. Review OWASP Dependency Check and ZAP reports to identify problems areas, such as errors or security flaws, and research and apply fixes.

This position will provide support and maintenance for existing applications by ensuring they remain secure, usable, and current. Ensure documentation is adequate to support and update applications that are no longer being actively focused on for new development.

This position will work with technical and non-technical teams to review requirements and create plans for application development and product deployments.

The ideal candidate for the position will be a collaborative team player that has proficient verbal and written communication skills, attention to detail, and the ability to produce a quality work product with minimal supervision. This position will both maintain existing software applications and support new development efforts using the above noted technologies.

This position may be eligible to participate in the Department's pilot telework program, which offers eligible employees the opportunity to work remotely for up to two (2) days per week, as approved by management.

REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)

NOTE: Applicants must meet one of the following or a combination of both experience and education. Thirty (30) semester hour credits are equal to one (1) year of relevant experience.

Five (5) years of professional experience in programming, systems programming or computer analysis.

OR

Possession of a bachelor's degree from an accredited college or university; and one (1) year of the above-mentioned professional experience.

OR Possession of a master's degree in an information technology field.
