

# Crossing Guards **Be Seen. Be Safe.**

“It was raining really hard and visibility wasn’t great, and I saw her step off the curb and I slammed on the brakes... I couldn’t stop, and it went right over her.”

*News article quoting an SUV driver who struck and killed a crossing guard.*

From 1993 to 2016, **16** NJ adult crossing guards were **killed** when struck by motor vehicles while at work. An additional **231** adult crossing guards suffered **injuries** serious enough to require full days away from work as a result of motor vehicle-related accidents.

**New Jersey state law mandates that crossing guards receive training\* and use required personal protective equipment.**

*\*a minimum of two hours of classroom and 20 hours of supervised field training*

## Required Equipment

**ANSI Type R Class 2 safety vest\*\***

\*\* Equivalent to Type 2 vest previously required by ANSI (American National Standards Institute)

Retroreflective ‘STOP’ paddle

**Distinctive crossing guard uniform with breast and hat badges with ID number**

## Useful Equipment

**Retroreflective gloves**

Whistle

**School crossing signs**

## Don't Forget!

- ✓ Proceed cautiously into the crosswalk as you alert motorists to stop.
- ✓ Don't assume a vehicle will stop just because you're holding a STOP sign.
- ✓ Give vehicles more time to stop during wet and icy conditions.
- ✓ Watch out for passing or turning vehicles.
- ✓ Be aware that larger vehicles require longer distances to stop safely.
- ✓ Hold up your STOP sign until you and the children have cleared the crosswalk.
- ✓ Use hand signals for motorists and verbal signals for children.

***See back for Resources.***

**Protect Yourself! Protect the Children!**
