September 2012

Rowan University

In keeping with the mandate in the 1994 Higher Education Restructuring Act to “prepare and make available to the public an annual report on the conditions of the institution,” Rowan University has prepared the Rowan University Institutional Profile Report for Fiscal Year 2012.

The form and content of the report is established by the Office of the Secretary of Higher Education. It includes: accreditation status, number of students served, academic preparedness of entering students, number of degrees conferred, graduation and retention rates, characteristics of the Board of Trustees, research and public service activities, degree and certification program offerings, and major capital projects.

We hope these materials will be useful to the Office of the Secretary of Higher Education and to our public constituencies.

A handwritten signature in black ink, appearing to read "Ali Asghar Houshmand".
