

To: Presidents/Leadership, Title IX Coordinators, Institutional Research, Chief Diversity Officers
From: Dr. Stefani Thachik, Senior Advisor
Date: August 3, 2022
Subject: Notice from the Campus Sexual Assault Commission: Second Technical Assistance Webinar on August 8, 2022

The Campus Sexual Assault Commission (CSAC) will host its second technical assistance webinar on campus climate surveys on **Monday, August 8, 2022 from 1:30 PM – 2:30 PM** covering instrument selection and considerations for beginning the surveying process. While all may attend, the target audience for this webinar include institutions who have never conducted a survey, institutions who may need additional support with instrument selection or data collection, and/or institutions planning to submit for the July 2023 deadline. This webinar is available to all campus stakeholders who support campus climate surveys. These staff members may include, but are not limited to, Title IX coordinators, Chief Diversity Officers, Institutional Research, Student Affairs & Human Resources Practitioners, among other campus stakeholders.

This webinar will include:

- Introduction by the [Campus Sexual Assault Commission](#)¹.
- Technical assistance and strategies for instrument selection and data selection.
- Review of the [Safe and Inclusive Learning Environments Working Group Resource: An Inventory of Campus Climate Surveys](#)².
- Practitioner's remarks from community college.
- Question & answer session

Please RSVP via [Eventbrite](#) by August 7, 2022 – the virtual link to the webinar will be provided upon registration. CSAC encourages institutions to submit questions in advance via their Eventbrite. Registration.

You can learn more about [CSAC](#) and view our [first webinar](#) at <https://www.state.nj.us/highereducation/csac.shtml>.

Questions or concerns regarding the CSAC or campus climate surveying can be directed to OSHE@oshe.nj.gov. We look forward to carrying out this critical work together.
