Subject: Youth Application – Cities Summit of the Americas

The Cities Summit of the Americas is offering a three-day youth program in April for 350 young leaders, activists, entrepreneurs, and local organizers between the ages of 18 to 39. Selected delegates will have the opportunity to engage in networking sessions, expert panels, roundtable discussions, and policy conversations. The intended summit outcomes are to empower young leaders to return to their communities with new insights and perspectives on how to tackle pressing social issues.

Please consider sharing this opportunity with your students. **The application will remain open until February 28th.** Young leaders with previous summit/conference, social advocacy, innovation, and/or entrepreneurship experience are highly encouraged to apply.

The conference will be held in Denver, Colorado, and there are a limited number of scholarships available to cover the cost of travel. More information on the program is available here: <https://www.citiessummitoftheamericas.org/youth-application>
