

To: Presidents/Chancellors and Chief Student Affairs Officers
From: Dr. Stefani Thachik, Senior Advisor
Date: June 12, 2024
Subject: Institution Registration Now Live for Upcoming Complete College America Statewide Convening

The New Jersey Office of the Secretary of Higher Education (OSHE) is hosting a statewide convening in collaboration with Complete College America (CCA) on **August 22, 2024 at Rowan University from 10:00 a.m. to 3:30 p.m.** This convening will act as a launch event for New Jersey's [new membership](#) among CCA's state alliance.

Event participants will learn more about the benefits of the CCA partnership, hear from state and national experts on higher education trends, and network with colleagues from across the State on student success topics. The convening will include presentations from CCA and OSHE, as well as remarks from Secretary Brian Bridges and a student panel. Final agenda will be shared with registrants in advance of convening.

Registration Reminder – Submit one institution registration by Friday, July 26th.

The registration link was sent out on Thursday, May 30th to institution presidents, chancellors, and student affairs officers with the subject heading “*Invitation and Institution Registration for New Jersey’s Complete College America Statewide Convening.*” Each institution may submit one registration form with all of their designated participants. All public and independent not-for-profit institutions may register up to three (3) representatives for the convening, and all other NJ institutions of higher education may register up to two representatives.

We highly encourage institutions to utilize their allocated spots for the convening as there will be guided discussions to brainstorm and strategize with each other and in relation to CCA’s framework. The event is recommended for leaders within student affairs or academic affairs divisions.

If your institution has questions about the convening or regarding the registration form, including any modifications, please contact Stefani Thachik, Senior Advisor (Stefani.Thachik@oshe.nj.gov).
