

SURE Submission Layout File Specifications

This guide serves as a reference in preparation to submit a SURE file via the secure data platform MoveIT. This document is intended to serve as a checklist, but does not replace the [data dictionary](#).

All fields identified with a “Y” in the column titled “*Required*” are required. The “*Page*” column indicates the page number of the data dictionary on which more information for the specific field can be found. Pages in **BOLD** indicate fields that have historically been prone to errors and thus merit closer attention. If you have any questions, please e-mail research@oshe.nj.gov.

STEP 1: Create Student Unit Record

SURE data files should use the layout below. Each SURE file must be submitted in XLSX format.

IMPORTANT: Do not enter commas, dashes, or slashes in any of the fields. For all fields with “*Text*” in the “*Variable Type*” column below, select the entire column in the file and change the type from “General” to “Text” and then paste as values

STEP 3: Uploading prepared SURE File to MoveIT platform.

Once the file is ready and appropriately named, it is ready to be placed in the designated folder via MoveIT. You will navigate to the NJ secure MoveIT platform by going to the log-in URL- <https://njgov.moveitcloud.com/>.

Use your login credentials to login to the secure platform. Once logged in, your home folder should be a folder with the institution's name. Click into that folder and either drag and drop the file you are submitting or click the "upload files" option. Once the file has been uploaded, you should see the uploaded file in the folder. Once the file is uploaded, we will be able to retrieve the file from the folder and OSHE Research will get a message indicating a new file has been uploaded to your institutions folder.

We kindly ask you avoid sending your files using the packages option in MoveIT by sending the file to Research@oshe.nj.gov, as this generates a new member username and password that requires a separate login and may get missed.
