N.J.S.A. 26:2-148 et seq.

NEW JERSEY GENERAL AND PERMANENT STATUTES

(UPDATED THROUGH P.L. 2019, ch. 84 and J.R.4)

26:2-148. Findings, declarations

The Legislature finds and declares that:

a. Although the majority of Americans are covered by some form of health insurance, families nevertheless lack protection against the high cost of chronic or single episodes of serious illness that may destroy their resources. An illness resulting in this potentially devastating financial consequence is referred to as a catastrophic illness.

b. Catastrophic illnesses often threaten to push some families into bankruptcy and others toward seeking inferior medical care and present a major problem for this nation's health care system in that catastrophic illnesses account for over 20% of this nation's health expenditures.

c. The impact of catastrophic illnesses on the family is especially acute in that children have the highest average medical costs among the population as a whole.

d. It is the public policy of this State that each child of this State should have access to quality health care and adequate protection against the extraordinarily high costs of health care services which are determined to be catastrophic and severely impact upon a child and his family.

e. To this end, it is incumbent upon the State to provide assistance to children and their families whose medical expenses extend beyond the families' available resources.

L. 1987,c.370, s.1.

26:2-149 Definitions relative to catastrophic illness in children.

2. As used in this act:

a. "Catastrophic illness" means any illness or condition the medical expenses of which are not covered by any other State or federal program or any insurance contract and exceed 10% of the first \$100,000 of annual income of a family plus 15% of the excess income over \$100,000.

b. "Child" means a person 21 years of age and under.

c. "Commission" means the Catastrophic Illness in Children Relief Fund Commission.

d. "Family" means a child and the child's parent, parents or legal guardian, as the case may be, who is legally responsible for the child's medical expenses.

e. "Fund" means the Catastrophic Illness in Children Relief Fund.

f. "Income" means all income, from whatever source derived, actually received by a family.

g. "Resident" means a person legally domiciled within the State for a period of three months immediately preceding the date of application for inclusion in the program. Mere seasonal or temporary residence within the State, of whatever duration, does not constitute domicile. Absence from this State for a period of 12 months or more is prima facie evidence of abandonment of domicile. The burden of establishing legal domicile within the State is upon the parent or legal guardian of a child.
