
ADDITIONAL RESOURCES FOR ASSISTIVE TECHNOLOGY

For individuals interested in assistive technology demonstrations:

- Individuals may connect with the Richard West Assistive Technology Advocacy Center (ATAC) of Disability Rights New Jersey: <https://disabilityrightsnj.org/how-we-help/areas-of-assistance/assistive-technology/>
- Individuals who are blind or visually impaired may connect with the Commission of the Blind and Visually Impaired's (CBVI) Regional Technology Assistance Centers (RTAC): <https://www.nj.gov/humanservices/cbvi/services/atech/>

For individuals who are deaf or hard of hearing and are blind or visually impaired

Individuals may be eligible to receive assistive technology through iCanConnect. For more information, call: (609) 771-2711, email: iCanConnect@tcnj.edu or visit: <https://www.icanconnect.org/>

For individuals who receive Vocational Rehabilitation Services (DVRs)

Individuals may be eligible for assistive technology. For more information, contact a Vocational Rehabilitation Counselor or visit: <https://www.nj.gov/labor/career-services/special-services/individuals-with-disabilities/deafandhardofhearingservices.shtml>

For low-income individuals and families in need of free cell phone service or data

Based on 135% federal poverty level, Life Wireless provides free phone service, a free data allowance, and free mobile smart phones with qualifying enrollment. For more information, visit: <https://www.lifewireless.com/plans/new-jersey-lifeline-free-phone-service>

For individuals who participate in assistance programs

Such as the National School Lunch Program, housing assistance, Medicaid, SNAP, and others, or were enrolled in the Affordable Connectivity Program, individuals may be eligible for Internet Essentials. For more information, visit: <https://www.xfinity.com/learn/internet-service/internet-essentials>

For additional discount internet connectivity programs

Check with local internet providers.

For individuals using who use ASL and have an account with Purple or ZVRS

A Portal Device may be available. For more information, visit: <https://portal.zpvrs.com/>

For individuals who are ineligible for the resources listed above, the following vendors may be able to provide assistance:
