

New EBT Card with Tap-to-Pay Technology

More secure payments are just a tapaway with the all-new Families First Electronic Benefits Transfer (EBT) card.

Features for the New EBT Card

To help protect benefits, the new card uses secure chip and tap technology, plus a 3-digit security code and expiration date on the back.

	LOCK/UNLOCK THEFT PROTECTION	USE BENEFITS ONLINE & IN-STORE	ENCRYPTED CHIP	TAP-TO-PAY TECHNOLOGY	3-DIGIT CODE FOR BETTER SECURITY
