FINAL DECISION

OAL DKT. NO. HPW 05919-24 B.H.

AGENCY DKT. NO. C602594007 (ESSEX COUNTY DIVISION OF WELFARE)

Petitioner appeals from the Respondent Agency's replacement of only two months of Supplemental Nutritional Assistance Program ("SNAP") benefits lost due to "skimming," rather than the full amount stolen. Because Petitioner appealed, the matter was transmitted to the Office of Administrative Law for a hearing. On August 15, 2024, the Honorable Daniel J. Brown, Administrative Law Judge ("ALJ"), held a telephonic plenary hearing, took testimony and admitted documents.

On August 27, 2024, the ALJ issued an Initial Decision, affirming the Agency's replacement of two months of SNAP benefits. The ALJ in this matter issued a thorough and comprehensive Initial Decision, detailing the facts in this matter, outlining the background of the applicable law, and then applying law to fact. See Initial Decision at 3-5. The record in this matter reflects that Petitioner had been receiving SNAP benefits for five years. See Initial Decision at 3. On or about April 6, 2024, when Petitioner went to use his SNAP benefits EBT card, he discovered that approximately \$2,500, the full amount in Petitioner's SNAP benefits account, had been stolen by means of skimming through expenditures which occurred at another state in the Midwest. Ibid. Petitioner subsequently filed a claim for replacement of the electronically stolen benefits on April 8, 2024. Ibid.; see also Exhibit R-4. The Agency investigated, and as a result, in accordance with applicable law, replaced two months of Petitioner's SNAP benefits, \$143 per month, for a total of \$286, to Petitioner's SNAP benefits account on April 12, 2024. See Initial Decision at 3-4; see also Exhibit R-1 and Division of Family Development Instruction ("DFDI") 23-08-02 at 4. Following a review of the recently promulgated Federal law, permitting replacement of SNAP benefits stolen by skimming within certain parameters, and New Jersey's approved plan to implement that law, the ALJ determined that the Agency had acted in accordance with the guidelines and parameters established through the law, specifically, for replacement of the total amount of SNAP benefits stolen, or two months of benefits, whichever was lesser. See Initial Decision at 4. While Petitioner sought to have the total amount of stolen benefits, approximately \$2,500, consisting of multiple "saved" months of benefits, replaced, the ALJ determined that the Agency had correctly, in accordance with the Federal law, determined that Petitioner was only eligible for replacement of two months of SNAP benefits at \$143 per month, or \$286, total. Id. at 4-5; see also Exhibits R-1, R-4. Based on the foregoing, the ALJ concluded that the Agency's determination in this matter was proper and must stand. See Initial Decision at 5. I agree.

No Exceptions to the Initial Decision were received from either party.

As Assistant Commissioner, Division of Family Development, Department of Human Services, I have considered the ALJ's Initial Decision, and following an independent review of the record, I concur with the ALJ's final conclusion in this matter and hereby ADOPT the Findings of Fact and Conclusion of Law.

Accordingly, the Initial Decision in this matter is ADOPTED, and the Agency's determination is hereby AFFIRMED.

Officially approved final version. September 06, 2024
