MEDICAID COMMUNICATION 89-2

Date: January 18, 1989

TO: County Welfare Agency Directors

SUBJECT: Continued Medicaid Eligibility for Certain SSI Ineligibles

Continued Medicaid eligibility exists for those individuals who became ineligible for Supplemental Security Income (SSI) as the result of the January 1, 1989 cost-of-living increase in Social Security benefits. To ensure continuity of Medicaid benefits, potentially eligible individuals were issued cards valid through January 31, 1989. Effective February 1, 1989, CWAs will have ongoing responsibility for those individuals. The Division of Medical Assistance and Health Services (DMAHS) will send each such individual a letter (sample copy attached) explaining this, on or about January 15, 1989.

A printout has been prepared from the Social Security Administration's (SSA) file which lists those individuals residing in your county. Attached is that portion of the printout pertaining to your county. Using the printout, the CWA shall prepare, by February 1, 1989, Form PA-1A, **Certification In Lieu of Application for Medical Assistance Only** (copy attached for CWA reproduction), for appropriate cases.

Form PA-1A will provide authorization for "Medicaid Only" benefits until redetermination, at which time an application (Form PA-1G, **Application and Affidavit for Medical Assistance Only and Emergency Assistance for SSI Recipients**) must be completed. Since the SDX does not reflect a federal redetermination date, CWAs must schedule a redetermination of eligibility for "Medicaid Only" purposes within twelve months.

Continuing eligibility for Medicaid benefits must be redetermined in accordance with all existing program requirements. Individuals eligible under this special provision shall be afforded an additional disregard from income of the actual dollar amount of the 4 per cent Social Security benefit cost-of-living increase of January 1, 1989. Any subsequent Title II cost-of-living increase will also be disregarded for those individuals. **This disregard applies only to that special class of individuals and shall not be applied to other Medicaid applicants.**

For those individuals determined ineligible for Medicaid benefits for reasons other than the Title II cost-of-living increase, the CWA must act to terminate the case on the Medicaid Eligibility File. As in the past, "Medicaid Only" eligibility (nonpayment cases) terminated due to the Social Security increase is not affected by this provision. Note that the SSA file which was forwarded to the states this year contained **only** those individuals who were terminated from SSI eligibility due to an increase in Title II income payable in January of 1989. The Medicaid Eligibility File will automatically be updated to reflect non-money payments status code (12, 22, 52) and to maintain eligibility for those individuals.

This information is to be brought to the attention of appropriate staff. Questions may be directed to your Medicaid field staff.

Sincerely yours,

Thomas M. Russo, Director
Division of Medical Assistance
and Health Services

MEDICAID PROGRAM

Keep This Important Letter

January 1989

Dear Client:

You may have recently received a letter from the Social Security Administration advising that you were no longer eligible to receive a Supplemental Security Income payment because your income exceeds the eligibility standard. This appears to have been caused by the 4 per cent increase in your Social Security check which became effective January 1989.

However, Public Law 96-566 provides that you must be permitted to retain your Medicaid eligibility if the Social Security cost-of-living increase is the only reason this supplemental payment was terminated.

You should have already received your Medicaid Eligibility Identification Card, which covers the period from January 1 to January 31, 1989. Beginning in February, you will be sent a monthly Medicaid Validation stub from your County Welfare Agency. If you do not receive your February Medicaid Validation stub by February 3, 1989, contact your County Welfare Agency, and **bring this letter with you.**

Any questions you may have about covered Medicaid services can be answered by the Medicaid District Office serving your county. For your convenience, a directory of the Medicaid District Offices is shown on the back of this letter.

Sincerely yours,

Thomas M. Russo, Director
Division of Medical Assistance
and Health Services
