MEDICAID COMMUNICATION NO. 01 - 21 DATE: October 15, 2001

TO: County Welfare Agency Directors
 Tax Security Liaisons
 Institutional Services Section Area Supervisors

SUBJECT: IRS/IEVS Matches for Remainder of Tax Year 1999

This is a follow-up to Medicaid Communication 01-08, dated April 6, 2001, in which you were advised of the schedule for matching IRS/IEVS data against Tax Year 1999 data. We are now advising you of the remaining monthly matching schedule for Tax Year 1999.

- New applicant file months of November and December 2000 and February 2001 have been combined. You can anticipate receipt of the data output from this combined match during the week of October 15, 2001. This run will be referred to as file month February 2001.
- The remaining new applicant months of March, April, May and June 2001 will be combined. You can anticipate receipt of the data output from this combined match in late November 2001. This run will be referred to as file month June 2001.

Once these two matching processes are complete, we will advise you of the matching schedule to be implemented for processing future data against IRS 1999 information for Tax Year 2000.

We realize that to operationalize the IEVS processing on a timely basis will require concentration of staff time to process the combined match information. We appreciate your cooperation in this matter.

Please direct any questions concerning this Communication to Joanne Weigand of the Division's Office of Information Systems at (609) 588-2806.

Sincerely,

A handwritten signature in black ink, appearing to read "Deborah C. Bradley". The signature is fluid and cursive, with the first name "Deborah" being more prominent than the last name "Bradley".
