MEDICAID COMMUNICATION NO. 02-04 DATE: January 8, 2002

TO: County Welfare Agency Directors
Tax Security Liaisons
Institutional Services Section Area Supervisors

SUBJECT: IRS/IEVS Matches for Tax Year 2000

This is a follow-up to Medicaid Communication 01-21, dated October 15, 2001, in which you were advised of the completion of scheduling for the matching of IRS/IEVS data against Tax Year 1999. As you know, the monthly IRS matching schedule has been accelerated over a period of time in an effort to reach a timely process. The following initial IRS match schedule for Tax Year 2000 will also include combining new applicant months so that we may return to normal periodicity in scheduling future matches.

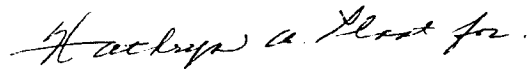

- File month October 2001 will be used to generate the Annual Run IRS 1099 data against Tax Year 2000 for all current beneficiaries on the eligibility file at the time of the match. Please note that current beneficiaries who were added to the Medicaid eligibility file for the period July through September 2001 will be included in the Annual Run data if their cases were not terminated prior to the creation of the October 2001 extract file that was sent to the IRS for matching. You can anticipate the receipt of this Annual Run data sometime in mid-January 2002.
- New applicant months November and December 2001, and February and March 2002 will be combined, with output to your agencies expected in April 2002.

This latest effort will again require concentration of staff time to process the combined match information and we appreciate your cooperation in this matter. Once the above matches are completed, we will advise you of the remaining schedule for IRS 1099 data against Tax Year 2000. In addition, the IRS Document Codes for Tax Year 2000 are attached for your reference in reading the FD-348 forms.

Also, for your information, as a result of the recent expansions in our Medicaid programs, staff are currently reviewing program status code selection criteria for all four IEVS matching processes. We will be advising you in the near future of the changes to be implemented, which will include the selection of new Medicaid programs, such as the Medicaid segments of NJ FamilyCare and Ticket to Work.

I would like to thank you for your cooperation and willingness to work with us towards reaching a timely schedule. Please direct any questions concerning this Communication to Joanne Weigand of the Division's Office of Information Systems at (609) 588-2806.

Sincerely,

A handwritten signature in cursive script, appearing to read "Deborah C. Bradley".
