

the Administrative Law Judge in its entirety and incorporate the same herein by reference. The credible evidence in this record indicates that Petitioner does not satisfy the clinical eligibility criteria necessary to qualify for the Managed Long Term Services and Supports (MLTSS) waiver program. The MLTSS program provides comprehensive services and supports to help eligible beneficiaries remain living in the community rather than in a nursing facility. In order for an applicant to qualify for MLTSS, he or she must be in need of nursing home level of care. Eligibility for nursing facility services is determined by the professional staff designated by the Department based on a comprehensive needs assessment that demonstrates that the beneficiary requires nursing home level of care. N.J.A.C. 8:85-2.1.

Based upon my review of the record in this matter, I agree with the Administrative Law Judge that the credible evidence indicates that Petitioner does not satisfy the clinical eligibility criteria necessary to qualify for nursing facility level of care pursuant to N.J.A.C. 8:85-2.1(a)(1)(i). Petitioner presented no evidence to contradict this determination. Petitioner may request a reassessment should her condition change.

THEREFORE, it is on this 25<sup>th</sup> day of APRIL 2018,

ORDERED:

That the Initial Decision affirming the termination of clinical eligibility for nursing level of care is hereby ADOPTED.

  
Meghan Davey, Director  
Division of Medical Assistance  
and Health Services
