ADMINISTRATIVE ACTION

ORDER OF REMAND

OAL DKT. NO. HMA 00979-2024

RECORD SEALED

As Assistant Commissioner for the Division of Medical Assistance and Health Services, I issued an Order of Remand in this matter on December 18, 2024. The Office of Administrative Law informed me the Order of Remand contained a discrepancy. The last sentence of the Order of Remand mistakenly states that the Initial Decision is ADOPTED instead of REVERSED and REMANDED consistent with the decision. The body of the Order of Remand correctly states that the law and the facts of this case do not support a finding for summary decision because there remain genuine issues of material facts. This amendment does not change the substance of the December 18, 2024, Order of Remand.

THEREFORE, it is on this 31st day of January 2025,

ORDERED:

That the last sentence in the Order of Remand is amended to reflect that the Initial Decision is REVERSED and REMANDED rather than ADOPTED.
