MEDICAID COMMUNICATION NO. 19-10

DATE: October 17, 2019

TO: NJ FamilyCare Eligibility Determining Agencies

SUBJECT: Post-Eligibility Treatment of Income – 2019 Adjusted Utility Allowance
N.J.A.C. 10:71-5.7

In determining the amount that may be deducted from the income of an institutionalized Medicaid-eligible individual for the maintenance of a community spouse, consideration is given to the excess shelter expenses of the community spouse. When calculating the amount of the shelter expenses, the standard utility allowance is utilized when the community spouse directly incurs utility charges.

As you are aware, these utility allowances are the same as those applicable in determining eligibility under the authority of the Division of Family Development's (DFD) Supplemental Nutrition Assistance Program (SNAP). DFD has announced that the standard utility allowance will increase from \$542.00 per month to **\$548.00 per month, effective October 1, 2019.**

County Welfare Agencies (CWA) and Institutional Services Section (ISS) offices shall apply the new standards in the post-eligibility treatment of income beginning with the month of October 2019 for all new cases and cases subject to redetermination. All other cases in which there is a community spouse shall be reviewed for the potential of increased maintenance deductions no later than March 31, 2020. For any such case, the CWA must assure that any change in the maintenance deduction be applied retroactively to October 1, 2019.

If you have any questions regarding this Medicaid Communication, please refer them to the Division's Office of Eligibility field service staff member for your agency at 609-588-2556.
