MEDICAID COMMUNICATION NO. 01 - 06

DATE: March 9, 2001

TO: County Welfare Agency Directors
NJ FamilyCare Liaisons
Statewide Eligibility Determination Agency
ISS Area Supervisors

SUBJECT: Increased Income Eligibility Standards; New Jersey
Care...Special Medicaid Programs and NJ FamilyCare
N.J.A.C. 10:69
N.J.A.C. 10:72
N.J.A.C. 10:78
N.J.A.C. 10:79

This is to advise that the federal poverty level guidelines for 2001 were published in the February 16, 2001 issue of the Federal Register. Attached are the corresponding new income standards for the New Jersey Care...Special Medicaid Programs and NJ FamilyCare. These new standards are retroactively effective to January 1, 2001 for both programs.

The county board of social services (CBOSS) shall immediately review all cases that would otherwise have been terminated from the aged, blind or disabled segment of the New Jersey Care...Special Medicaid Programs as a result of the Social Security cost-of-living increase. No action is required for those cases that remain eligible under the new income standards. Any of the continued cases that are not eligible under the new standards shall be terminated effective May 1, 2001. Adverse action requirements must, of course, be met.

Because these standards are retroactively effective to January 1, 2001, the CBOSS and statewide eligibility determination agency shall also review all applicable New Jersey Care and NJ FamilyCare cases denied for excess income since that date to determine which would be eligible under the new standards. Any Plan A cases found to be eligible shall be accreted to the eligibility file with an effective date of January 1, 2001, or the date of application, whichever is later.

Questions regarding this communication should be referred to the field staff assigned to your county by calling (609) 588-2556.

Sincerely,

Margaret A. Murray
Director
