

Crisis Services Community of Practice (CSCoP)?

The CSCoP is designed to **build the capacity and resilience of the New Jersey crisis workforce**. The CSCoP sessions will focus on using the **New Jersey Crisis Services Toolkit**. Participants will benefit from giving and receiving support, exchanging knowledge, and practicing self-care strategies.

Who should join? Staff and Leaders working in crisis services programs including but not limited to mobile outreach teams, EISS services, and crisis receiving/stabilization centers.

What topics will be covered?

- Overview of the Crisis Support Services
- Strength based crisis services and supports approaches
- Strategies and resources to enhance wellness self-care
- Strengths based supervision to support staff resilience

Who are the Presenters?

Dr. Peggy Swarbrick

Dr. Amy B. Spagnolo

Rutgers University

Which CSCoP Session should I register for?

Each CSCoP session will cover a different topic from the NJ Crisis Services Toolkit. You can choose to attend all sessions! You can register for each session using the links below.

When are the CSCoP Sessions? The three-session Community of Practice series will be offered in August and September, and again in September and October.

You can register for any of the sessions. You are encouraged to register for all three sessions.
