

Overdose Prevention Resources

- **Substance Abuse and Mental Health Services Administration (SAMHSA) Opioid Overdose Toolkit:** Provides detailed information for first responders, treatment providers, and those recovering from substance use about emergency response and naloxone use. Also has information for communities and local governments about policy development around these issues. Toolkit available as free download - <https://store.samhsa.gov/system/files/sma18-4742.pdf>
 - **Harm Reduction Coalition:** Provides information about how to recognize and provide emergency response and use naloxone in an opioid overdose. Useful photos and diagrams help explain these procedures. <http://harmreduction.org/>
 - **Parent-to-Parent Coalition:** Offers support and other services to families struggling with addiction. <http://parent2parentnj.org/index.php>
 - **Naloxone Injections:** Provides medical information about using injectable naloxone for consumers. <http://www.nlm.nih.gov/medlineplus/druginfo/meds/a612022.html>
 - **Prescribe to Prevent:** Explains the legal issues around the prescribing naloxone and describes the naloxone prescription laws and requirements in every state. <http://prescribetoprevent.org/>
-
