Q	Bidder Question	DMHAS Answer	RFP Section	Pg. #
1.	<p>Does methadone have to be among one of the meds provided?</p> <p>If so, what are the requirements/regulations around providing methadone, especially on a mobile unit?</p>	<p>Yes.</p> <p>In order to dispense methadone via a mobile medication unit, an agency would need to be properly licensed by the NJ Department of Health as an Opioid Treatment Program, as well as be registered by the Drug Enforcement Agency as a Narcotic Treatment Program (NTP).</p>	<p>III. Who Can Apply?</p>	<p>p. 5</p>
2.	<p>Mobile medication units are unique and disparate from the services provided from a contractor standpoint. Understanding this, and what the State of New Jersey is trying to accomplish, would the State be open to receiving a response only for the mobile medication unit portion of this RFP?</p>	<p>No. An agency applying would need to meet all requirements listed in Section IV. Contract Scope of Work.</p>	<p>IV. Contract Scope of Work</p>	<p>p. 6-17</p>
3.	<p>Would the State consider awarding 1 organization for vans and another for the services?</p>	<p>No.</p>
