

**Division of Mental Health and Addiction Services**

Crisis Receiving Stabilization Centers RFP  
Awarded: June 5, 2024

**Name of Program:** Crisis Receiving Stabilization Centers RFP

**Purpose:** This Request for Proposals (RFP) is issued by the Department of Human Services (DHS), Division of Mental Health and Addiction Services (DMHAS). The initiative is supported by (1) Substance Abuse and Mental Health Services Administration’s (SAMHSA) Community Mental Health Block Grant Crisis Set Aside; (2) COVID-19 Supplemental Funding (appropriated through the Consolidated Appropriations Act 2021 the Coronavirus Response and Relief Supplement Appropriations Act 2021); (3) ARPA (American Rescue Plan Act 2021) and Bipartisan Safer Communities Act (BSCA); and (4) State appropriations. The RFP seeks the creation of new CRSCs. This initiative provides services to those in need of immediate in-person crisis intervention and stabilization for a behavioral health crisis. The purpose of the CRSC initiative is to create programming that utilizes best practices for interventions in behavioral health crisis intervention and also produce cost savings by mitigating the use of Emergency Departments (EDs) and preventing unnecessary or inappropriate hospitalization. Furthermore, CRSC is intended to reduce law enforcement engagement, arrests, incarcerations and 911 calls.
