P.L. 2009, chapter 161 requires that state psychiatric hospitals report major and moderate injuries among patients; and staff members and the number of unexpected deaths at the four designated facilities. As of 6/14/2012, Hagedorn Psychiatric Hospital closed. The website posts deaths of state hospital patients who may be in general medical facilities or on brief visits not yet discharged from the hospital.

This report includes substantiated incidents only.

Data is subject to update on a quarterly basis as information becomes available.

**Assault Physical:** Act of touching or striking a victim's body to cause physical harm, which may or may not result in actual injury. The acts perpetrated under the physical assault category could occur between two service recipients, staff to staff, "other" to service recipient or staff, or service recipient to staff or "others." When staff persons charged with the responsibility of supervising or providing direct care physically strikes a service recipient, the incident is always categorized as **abuse** and must be reported as such.

**Moderate injury:** Refers to an injury that requires treatment beyond basic first aid and can only be performed by a medical professional at a physician's office, at a hospital emergency room, or by facility physicians. Examples of moderate injuries include, but are not limited to, a laceration requiring sutures or a human bite breaking the skin, injury around the eye such as bruising, swelling or lacerations.

**Major injury:** Refers to an injury that requires treatment that can only be performed at a hospital facility and may or may not include admission to the hospital for additional treatment or observation. Examples of major injuries include, but are not limited to, skull fractures, injuries to the eye (excluding the area around the eye), and broken bones requiring setting and casting.

**Service Recipient:** Refers to a child(birth to 17 years) or an adult(18 years or older) who resides in a state operated facility/institution or attends a state operated special needs educational program(OOE).
