

Data were collected on 891 clients who went through the Morris County Intoxicated Driver Resource Center program in 2009 or were monitored by the Morris County IDRC. The following tables and graphs give demographic information about these clients. Clients' reported alcohol and other drug use characteristics are also described. Information was gathered from a mandatory self-administered questionnaire given during the IDRC classes and the counselors' screening/evaluation scoring forms.

**Morris County IDRC Client Demographics**

	N	%
