

Quarterly Report on Involuntary Commitments and Temporary Court Orders Pursuant to P.L.2023, c.139

Reporting Period 5: October 1, 2024 – December 31, 2024

<https://pub.njleg.state.nj.us/Bills/2022/PL23/139 .PDF>

The information provided below is in accordance with the provisions of section 9 of P.L.1987, c.116 (C.30:4-27.9) or any other law, rule, or regulation to the contrary, commencing on the effective date of P.L.2023, c.139 (C.30:4-27.9a et al.) and ends on August 31, 2025.

A short-term care or psychiatric facility, or a special psychiatric hospital, may detain a person admitted to the facility involuntarily by referral from a screening service without a temporary court order for no more than 72 hours from the time the screening certificate was executed. Except in the event a general hospital was granted a temporary court order permitting the continued hold of the person pursuant to subsection b. of this section, which delayed a person’s admission to the short-term care or psychiatric facility or special psychiatric hospital, a short term care or psychiatric facility or special psychiatric hospital shall not detain a person admitted to the facility involuntarily by referral from a screening service without a temporary court order for more than 72 hours from the time the screening certificate was executed.

Each general hospital and emergency department shall prepare and submit to the Department of Human Services a quarterly report, which report shall include, but not be limited to, information on:

- (a) the number of applications submitted to the court for a temporary court order permitting the continued hold of a person beyond 72 hours;
- (b) the number of temporary court orders granted permitting the continued hold of a person beyond 72 hours;
- (c) whether a person detained for longer than 72 hours: has a criminal history; has a cooccurring substance use disorder; has a co-occurring intellectual or developmental disability; or is unable to be released because the 72-hour timeframe falls on a weekend and either admission to treatment facilities are not provided on weekends, or discharges from the facility do not occur on weekends;
- (d) the length of time each individual was held beyond 72 hours before finding appropriate placement in a treatment facility; and
- (e) the number of individuals placed in an appropriate treatment facility within 72 hours.
