New Jersey Supplemental Nutrition Assistance Program

NJ SNAP

What is SNAP?

SNAP is the nutrition assistance program to help low-income individuals and families buy the groceries needed to eat healthy.

Sometimes people feel they shouldn't need help putting food on the table, but sometimes making ends meet is a struggle. If you are not sure how or if you can pay for your next meal or next week's groceries, SNAP can help.

Who is Eligible?

- Low-income working families and individuals.
- Individuals that just lost their unemployment benefits.
- Unemployed or part-time workers.
- Seniors and people with disabilities who meet the income standards.

How Can I Apply?

Go to NJHelps.gov to pre-screen or to apply online. This is a quick and easy way to find out if you might be able to get help. With the online application, you will spend less time in the office for your interview.* SNAP benefits are issued through the easy-to-use Families First electronic benefits card.

**If you are unable to get to your County Social Service Agency due to illness or disability, you may send an authorized representative or request a telephone interview.*
