TAKE NOTICE that, in compliance with N.J.S.A. 52:14-34.4, 34.5 and 34.6, the Division of Mental Health and Addiction Services (DMHAS) hereby announces the availability of the grant program funds described herein.

Program Name: Support Team for Addiction Recovery (STAR) Program

Purpose: This Request for Proposals (RFP) is issued by the New Jersey Division of Mental Health and Addiction Services (DMHAS) to develop Support Teams for Addiction Recovery (STAR) to provide case management and recovery support services for individuals with opioid use disorders (OUD). This RFP is funded through the Substance Abuse and Mental Health Services Administration's (SAMHSA) State Targeted Response to the Opioid Crisis grant. Total annualized funding for this RFP is \$3,850,000 subject to federal appropriations. DMHAS anticipates making up to eleven (11) awards of approximately \$350,000 each. Funding is available for FFY 2018 and may be available for FFY 2019. DMHAS anticipates making one (1) award in each of the following eleven (11) counties that are high risk for opioid overdoses and are the counties where the Opioid Overdose Recovery Program was first established: Atlantic, Bergen, Camden, Essex, Gloucester, Hudson, Middlesex, Monmouth, Ocean, Passaic and Mercer.

The STAR initiative will be comprised of eleven (11) teams, each consisting of a program supervisor, two (2) case managers and two (2) recovery specialists. STAR case managers will work with individuals to assist with issues that often occur concurrently with an OUD, such as homelessness, incarceration, legal issues, employment, education, transportation, need for social services, health care, child welfare involvement, child care, health insurance, documentation, etc. The STAR recovery specialists will provide non-clinical assistance and recovery supports services. The overall goal of STAR is to help maintain individuals with an OUD in the Recovery Zone for as long as possible, help to reduce the risk of recurring episodes of opioid related problems, and to prevent future overdose.

Bidders applying for more than one (1) county must submit separate proposals for each county.
