II. BACKGROUND

Millions of low-income older Americans struggle to pay their prescription, health care, food, and energy costs. The Medicare Improvements for Patients and Providers Act (MIPPA) of 2008 has been instrumental in helping these disadvantaged seniors to regain their economic footing and live healthy, independent lives.

Under MIPPA, New Jersey received grant funding in 2009, 2010, 2013, 2014, 2017, 2018, 2020 and 2021 from the U.S. Administration on Aging (AoA) and the U.S. Centers for Medicare and Medicaid Services (CMS) to help Medicare beneficiaries apply for Medicare Part D, the Part D Extra Help/Low-Income Subsidy (LIS), and the Medicare Savings Programs (MSPs). Since 2010, funding also includes support for efforts to educate

beneficiaries of new, free and reduced-cost preventive benefits covered by Medicare Part B.

In 2019, an estimated 292,000 seniors in New Jersey (21.1 % of all state seniors) had incomes of less than 150% of the Federal Poverty Level (\$18,735 for individuals; \$25,365 for couples). Over 37,000 Medicare beneficiaries in New Jersey are eligible for, but not receiving, the Medicare prescription drug Low-Income Subsidy (LIS/Extra Help) and/or help from a Medicare Savings Program (MSP). These numbers may keep growing as more people age into Medicare. There will be 200,000 more individuals age 65 and older living in New Jersey in 2025 than there are today.

MIPPA grantees have worked to identify low-income older adults throughout New Jersey who may be missing out on these programs, and assist them with applying for the programs. More than 30,000 applications were generated through previous MIPPA grants. The primary application utilized was the NJSave online or paper application of the State Prescription Assistance Program (SPAP), known as the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program. This one application enrolls and/or screens individuals for ten (10) State and Federal assistance programs, including MSP and LIS.

For someone with very low income, the savings offered by public benefits can mean not having to make tough choices between paying for food or medicine, health care or utilities. The Social Security Administration (SSA) estimates the value of the LIS at \$4,000 per year. MSPs save enrolled individuals, at a minimum, over \$1,700 per year.

III. PURPOSE OF REQUEST

The purpose of these grants is to increase the number of low-income Medicare beneficiaries who know about and apply for the Medicare Part D Low Income Subsidy (LIS) and/or a Medicare Savings Program (MSP), and to increase the awareness and use of free and reduced-cost preventive benefits covered by Medicare Part B. Statewide, we intend to generate 3,600 new applications for LIS and/or MSP in FFY 22.

IV. REQUIRED SERVICE COMPONENTS (SCOPE OF SERVICE)

1. Applicants and their partners (see number 13 below if applicable) will participate in training on how to help clients: 1) complete the NJSave applications, through which individuals can be enrolled in LIS and MSP; and 2) apply directly for LIS using on-line applications available on the SSA or National Council on Aging (NCOA) websites.
2. Applicants will use data provided by DoAS to contact and attempt to enroll potentially-eligible individuals as identified by the Social Security Administration.
3. Applicants will conduct a minimum of 20 in-person and/or virtual community presentations/enrollment events (including four (4) in rural areas of their counties) and three (3) in-service trainings for staff members at community-based health and/or social service agencies serving the target population.

4. MSP, LIS, and preventive benefits information will be part of each presentation and event.
5. Applicants will provide technical assistance to a minimum of two (2) staff members from two (2) separate partner agencies on how to help Medicare beneficiaries complete the NJSave on-line and paper applications.
6. Applicants will develop and distribute brochures, fact sheets, flyers, and/or other materials, and utilize press releases, media events, direct mail, paid print and/or broadcast advertising, promotional materials and other methods to promote benefits to targeted populations.
7. In addition to developing their own materials, applicants will also distribute grant-related materials produced by DoAS.
8. Applicants will work one-on-one with beneficiaries to complete applications for MSP and/or LIS. Each grantee will meet or surpass a goal of generating 300 applications from individuals likely to qualify for assistance.
9. Applicants will conduct follow-up activities (telephone calls, emails, mail and/or home or office visits) on each NJSave paper application distributed to individuals at one-on-one counseling sessions, presentations and/or enrollment events within one (1) month to offer guidance with completing and submitting the applications. They will also follow-up on NJSave online application referrals.
10. Applicants will serve on a Statewide project consortium and attend monthly conference calls and/or in-person meetings in the Trenton area.
11. Applicants will report monthly on all programmatic grant activity using SHIP's Tracking and Reporting System (STARS) and/or using the STARS forms available in the DoAS-approved client tracking system software (currently Social Assistance Management System, or SAMS).
12. Applicants will submit financial reports quarterly via the State's System for Administering Grants Electronically (SAGE).
13. Applicants will be responsible for the outlined scope of work, including reporting requirements, but may conduct the activities themselves or contract with a community-based organization or other non-profit social service agency for some or all project activities.
14. Applicants must dedicate a minimum of 25 percent of their grant allocation for promotional (i.e. non-administrative) purposes.

V. APPLICANT QUALIFICATIONS

To be eligible for consideration for this RFP, the applicant must satisfy the following requirements:

1. The applicant must be one of New Jersey's 21 AAAs/ADRCs and/or the lead coordinating SHIPs in one of the 21 counties in the State. Any other agency interested in working on this grant program must partner with a lead AAA/ADRC or SHIP on its application.
2. The applicant must be a fiscally viable for-profit organization, non-profit organization, or governmental entity based upon an assessment of the applicant's

audited financial statements. If an applicant is determined, in DoAS' sole discretion, to be insolvent or to present insolvency within the 12 months after bid submission, DoAS will deem the proposal ineligible for grant award.

3. The applicant must not appear on the State of New Jersey Consolidated Debarment Report available on the Internet at <http://www.state.nj.us/treasury/revenue/debarment/debarsearch.shtml> or be suspended or debarred by any other State or Federal entity from receiving funds.
4. Applicants must have demonstrable experience in successfully operating grant programs.
5. The applicant must be duly registered to conduct business in the State of New Jersey.
6. Non-public applicants must demonstrate that they are incorporated through the New Jersey Department of State and provide documentation of their current non-profit status under Federal IRS (C) (3) regulations, as applicable.

VI. CLUSTERING, INCENTIVES, AND FISCAL CONSEQUENCES RELATED TO PERFORMANCE

Awards under this RFP will be clustered separately from other existing components for contract application and reporting. Funding will depend on the availability of funds. All application and expenditure data pertaining to these contract funds must be presented independently of any other DoAS or non-DoAS funded program of the applicant/contractor.

VII. CONTRACT OVERVIEW/EXPECTATIONS

All proposals for funding must be submitted through the SAGE online system. Paper submissions will not be considered. Applicants may begin completing their applications online September 3, 2021. All applications must be submitted by 3:00 pm September 20, 2021.

In order to submit a proposal online, all applicants not already registered on SAGE must first request access to the SAGE system. Agencies already registered to use SAGE do not need to register again. Because it will take up to 48 hours to be approved, applicants who are not yet using SAGE are strongly encouraged to request access immediately. To gain access to the SAGE system, first complete the SAGE registration form (Attachment B) and submit to DHS as instructed on the form. Then go to www.sage.nj.gov. Click 'Request Access to SAGE', complete all requested information and click 'Save'. Be sure to write down the name, user name and password information you enter on SAGE. Password must be 7-20 characters, letters and numbers only; the password is case sensitive. Please note that only the agency representative who registers on SAGE can access and complete the application.

The Department's SAGE coordinator will approve you as an applicant within several business days of request. Upon approval, you will receive a temporary password from the SAGE system which you will change when you log in.

Once you receive your temporary password, online prompts will guide you through the submission process. In addition, step-by-step instructions for submitting a proposal through SAGE are included on pages 10-12, "Instruction for Completion of this Application".

VIII. GENERAL CONTRACTING INFORMATION

The Department reserves the right to reject any and all proposals when circumstances indicate that it is in its best interest to do so. The Department's best interests in this context include, but are not limited to, State loss of funding for the contract, insufficient infrastructure agency wide, inability of the applicant to provide adequate services, indication of misrepresentation of information and/or non-compliance with any existing Department contracts and procedures or State and/or Federal laws and regulations.

All applicants will be notified in writing of the State's intent to award a contract. All proposals are considered public information and as such will be made available upon request after the completion of the RFP process.

All applicants will be required to comply with the Affirmative Action requirements of N.J.S.A. 10:5-32 et seq.; N.J.A.C. 17:27; P.L. 2005, c.51 and 271 (N.J.S.A. 19:44A-20.13 et seq. and N.J.S.A. 40A-51); Executive Order 117 of 2008; and N.J.S.A. 52:34-13.2, Source Disclosure Certification (replaces Executive Order 129).

Applicants must currently meet or be able to meet the terms and conditions of the Department of Human Services (DHS) contracting policies and procedures as set forth in Standard Language Document (SLD), the Contract Reimbursement Manual (CRM), and the Contract Policy and Information Manual (CPIM). These documents are available at <https://www.state.nj.us/humanservices/olra/contracting/policy/>.

Budgets should be reasonable and reflect the scope of responsibilities in order to accomplish the goals of the project. The awardees will be required to negotiate contracts with DoAS upon award, and may also be subject to a pre-award audit survey.

Contract(s) awards as a result of this RFP will be for 12 months. Funds may only be used to support services that are specific to this award; hence, this funding may not be used to supplant or duplicate existing funding streams. These resources may not replace existing DoAS funding allocation.
