Q	Bidder Question	DMHAS Answer	RFP Section	Pg. #
1.	Will awards be made in the 10 counties where awards for this program were made in 2021 or will awards only go to counties where no award was made in 2021?	The five (5) awards for this RFP will be selected regionally and based on need in order to offer statewide gambling disorder services.	I. Purpose and Intent	3
2.	Are individuals allowed to solely seek gambling addiction treatment through this grant without concurrently receiving MH or SUD treatment?	This RFP is issued by the DMHAS to develop gambling disorder services rendered through a Gambling Disorder Clinician to provide treatment and case management for individuals with a primary diagnosis of Gambling Disorder or a dual disorder of gambling and MH issues and/or SUD.	I. Purpose and Intent	3
3.	Is there an expected level of service?	Gambling services can be added to treatment at the following levels of care: Standard Traditional Outpatient, Intensive Outpatient, Partial Care, and Residential Services.	I. Purpose and Intent	3
4.	<p>How do we handle gambling addiction treatment after the grant?</p> <p>Currently we are not certified to provide gambling addiction treatment in NJ. We have staff that can remain on site and provide gambling addiction services beyond the grant year. Can we continue to treat patients still going through the program after the grant, and its authorization to provide gambling treatment, has expired?</p>	<p>The Gambling Disorder Services provided through this funding opportunity will be in addition to the SUD and/or MH treatment services required in contract or licensure</p> <p>You can continue treating Gambling Clients after the grant. Staff must be certified or pursuing certification for Gambling Disorder Counselor.</p>	Contract Scope of Work	5

Q	Bidder Question	DMHAS Answer	RFP Section	Pg. #
10.	Is the Gambling Disorder Clinician’s supervisor required to complete the DMHAS-sponsored 30hr training too? If not required, are they allowed to receive this training?	Yes, clinical, executive, and support staff are encouraged to attend.	IV. Contract Scope of Work	6
11.	Is the Gambling Disorder Clinician expected to pay for the rest of the cost of the International Certification in Gambling Counseling beyond the initial \$200 or can we budget to the grant the full cost of the certification?	DMHAS anticipates making five (5) awards up to approximately \$120,000 each to providers licensed as MH and/or SUD treatment providers who are interested in treating individuals with a gambling disorder. Awarded providers will hire, at minimum, one Full Time Equivalent (FTE).	IV. Contract Scope of Work	6
12.	Are there any restrictions on expenses for this budget?	<p>Please see RFP sections IV., V. and VII.</p> <p>Budgets should accurately reflect the scope of responsibilities in order to accomplish the goals of this project.</p> <p>Funds may be used only to support services that are specific to this award; hence, this funding may not be used to supplant or duplicate existing funding streams. Actual funding levels will depend on the availability of funds and satisfactory performance</p>	<p>IV. Contract Scope of Work</p> <p>V. General Contracting Information</p> <p>VII. Required Proposal Content - Budget</p>	<p>7 – 8</p> <p>9 – 10</p> <p>14 - 15</p>
13.	How often will reports be required?	Required monthly reports.	IV. Contract Scope of Work	8 - 9
