1 POLICY

The New Jersey Office of Information Technology (NJOIT) and Chief Technology Officer (CTO) requires compliance with the information security policies, standards, processes, and guidelines contained in the Executive Branch Statewide Information Security Manual published by the New Jersey Office of Homeland Security and Preparedness. The policies, standards, procedures, and guidelines included in the Manual supersede any previous Executive Branch Statewide information security policies, standards, procedures, and guidelines issued prior to March 5, 2018, the effective date.

The following NJOIT policies are replaced by the manual:

100 - Information Security Program
110 - Security Framework Policy
115 - Information Security Risk Management Policy
116 - Security Assessment Policy
121 - Confidential and/or Personally Identifiable Information
130 - Information Asset Classification Control Policy
132 - Portable Computing Use and Temporary Worksite Assignment Policy
141 - Security Awareness Program Policy
142 - Workforce Security Policy
152 - Information Disposal and Media Sanitization Policy
161 - Operational Security Policy
162 - System Planning and Acceptance Policy
164 - Backup and Restore Policy
166 - Electronic Mail/Messaging Content Policy and Standards
168 - Change Management Policy
171 - Minimum System Security and Protection Policy
172 - Access Control Management Policy
173 - Wireless Network Security Policy
174 - Network Security Policy
2  AUTHORITY

The Policy is established under the authority of New Jersey Statute NJSA, Sections C.52:18A-224 through C.52:18A-234, known as “The Office of Information Technology Reorganization Act.”

The policies, standards, and guidelines included in the Executive Branch of New Jersey State Government’s Statewide Information Security Manual are established under the authority of:

2.1.1 New Jersey Executive Order No. 5 creating the Office of Homeland Security and

2.1.2 Preparedness (OHSP) (Corzine, 3/6/2006);

2.1.3 New Jersey Executive Order No. 178 creating the New Jersey Cybersecurity and

2.1.4 Communications Integration Cell (“NJCCIC”) (Christie, 5/20/2015);

2.1.5 Domestic Security Preparedness Act, P.L. 2001, C.246;
3 SCOPE

All Executive Branch departments and State agencies (Agencies) are directed to cooperate fully with the NJOIT and the CTO to implement the provisions of the Policy, and to ensure effective use of information technology within the Executive Branch of State Government.

4 PURPOSE

The Statewide Information Security Manual is a set of policies, standards, procedures, and guidelines to assist the Executive Branch of New Jersey State Government in applying a risk–based approach to information security while establishing the required behaviors and controls necessary to protect information technology resources, secure personal information, safeguard privacy, and maintain the physical safety of individuals.

5 COMPLIANCE AND ENFORCEMENT

Non-compliance will be referred to the CTO for appropriate action.

6 ADMINISTRATION

The Policy must be reviewed annually, however the CTO reserves the right to change or amend it at any time.

The Policy shall be administered and monitored by the CTO at 300 Riverview Plaza, Trenton, NJ 08625.
