**A. NAME OF GRANT PROGRAM**

Supplemental Summer Youth Work Experience Program (SSYWEP)

**B. PURPOSE OF THE GRANT**

The NJDOL Office of Youth Programs understands the potential of meaningful summer work experience programs to combat poverty, youth unemployment, and youth crime rates by introducing youth to career pathway opportunities. Therefore, the 2024 Supplemental Summer Youth Work Experience Program (SSYWEP) is being funded to provide in-school and out-of-school youth, ages 16-24, with valuable summer work experiences in order to help them successfully transition to the world of work.

**C. AVAILABLE FUNDING**

The Supplemental SYWEP funding will be made available through Workforce Innovation and Opportunity Act (WIOA) Set-Aside and WorkFirst New Jersey (WFNJ) funding streams. The total amount of supplemental funding available for this program in Fiscal Year 2024 (FY 2024) is \$1,500,000.

The grant is expected to begin on June 30, 2024. All funds must be fully expended by October 31, 2024.

Applications must not exceed a maximum cost per participant of \$3,960. Further detail regarding allowable costs can be found in Section H.5.

Final awards are contingent upon State allocation of funds. The applicant’s budget must be well considered, necessary for the implementation of the program, and within the funding parameters. Final amounts will be determined at the time of pre-contract revisions. Ineligible, inappropriate or undocumented costs will be removed from the funding request.

SSYWEP programs may be considered for a continuance of up to an additional year, contingent upon successful performance of the program/grantees and upon the availability of funds.

**D. ELIGIBLE APPLICANTS**

This targeted, competitive opportunity is open to organizations who fall under following categories:

1. Municipal and county governments;
2. Public or private non-profit agencies
3. Community-based organizations;

NOTE: Grantees awarded the FY24 SYWEP grants through round 1 funding are ineligible to reapply.

#### **E. TARGETED POPULATIONS**

Applications must target in-school and out-of-school youth ages 16-24.

#### **F. PROGRAM SERVICES**

The goal of the SSYWEP is to provide youth and young adults with valuable work experiences and help them to successfully transition to the world of work. Grantees must implement and agree to the following:

- The participant work experience period must be a consecutive period which will conclude no later than Friday, October 11, 2024.
- The work experience must be between 160 and 200 hours total.
- Stipends paid through SSYWEP are intended to support and incentivize participation in the work experience activity. In order to adequately off-set expenses and support the participant's capacity to attend a work experience, the stipend payment must be paid, at minimum, at an equivalent value of at least \$16 per hour of participation. The total of stipends paid to an individual participant cannot exceed \$3,200. Each participant must be afforded the opportunity to earn the full \$3,200 stipend.
- Grantees must conduct a program orientation for ALL participants prior to placement in the work experience, where policies pertaining to the work experience such as time and attendance policies, call-off policies, dress code policy, code of conduct, discipline/termination, pay schedule etc. are reviewed.
- Grantees must provide workforce readiness training to ALL participants, which includes topics such as: soft skills training, financial literacy, resume building, entrepreneurship skills, diversity training, and prevention of workplace harassment training.
- Grantees should connect participants, based on identified needs, to short-term supportive services intended to support their participation in the SSYWEP. Supportive services may include:
  - Transportation services
  - Child care
  - Disability accommodations
  - Needs-based work supports

- Grantees must maintain files for all participants, including: signed acceptance of program policies provided at orientation, intake form, program eligibility documentation, work experience placement documentation, validated participation timesheets, working papers (if under 18 years of age), exit evaluation form, and records of any supportive services received.
- Grantees must ensure worksites for youth adhere to current workforce safety guidelines and applicable federal/state wage and labor laws.
- Grantees must maintain files for worksite sponsors, including worksite agreements, security clearances, and final worksite sponsor satisfaction survey. Worksites accepting participants under the age of 18 must ensure that the supervisor and anyone having on-going direct contact with any minor throughout the work experience has proper up-to-date clearance and has passed a background check.
- Grantees must partner with their Local Workforce Development Boards to ensure that the participant data is being reported in the America's One-Stop Operating System (AOSOS) database.
