Notice of Availability of Grant Program Funds

Take Notice that, in compliance with N.J.S.A. 52:14-34.4 et seq., the Department of Labor and Workforce Development (hereinafter “the Department” or “LWD”) regularly publishes on its website at <http://lwd.dol.state.nj.us/labor> all notices of fund availability pertaining to federal or state grant funds, which may be awarded by the Department. The notices of fund availability may be found on the Department’s website under the heading “Public Notices” and the subheading “Notice of Availability of Grant Program Funds.”

The State of New Jersey is committed to addressing the needs of New Jersey businesses and enhancing the employability of New Jersey residents by building a skilled workforce through work-based learning initiatives.

To achieve these goals, training grant programs must include:

- Employer-driven, high-quality training
- Industry-recognized credentials
- Work-based learning

Important Information:

Approximately 85% of New Jersey job openings are for middle and high-skill positions.

Middle-skill jobs are defined as occupations that require less than a bachelor’s degree but more than a high school degree.

High-skill jobs are defined as occupations that require long-term on-the-job training, post-secondary vocational training, or a post-secondary degree.

Work-based learning provides trainees with real-life work experiences where both classroom learning and hands-on, technical skill development enhance employability.

Project-based training is focused on achieving a specific, employer-identified business goal.

A. Name of Grant

Skills Partnership Training Grants - Customized Training Grant Program

B. Purpose for which the grant funds will be used

The Skills Partnership Training Grant funds are competitively awarded to New Jersey employers to provide cost reimbursement assistance to train incumbent and/or new employees to meet the current and future skill requirements of available high wage, middle-skill and high-skill jobs in New Jersey. Grant funds are intended to “seed” business and employee development training and are not intended for annual training or training that would otherwise be conducted without grant assistance.

All grants awarded must be:

- **Employer driven** - the employer decides who receives training and what type of training is needed;

- **Shared costs** - eligible training costs are shared between LWD and the employer 50-50;
- **Outcome based** - training must focus on a specific business goal and participants should receive a portable recognized credential at the end of the training.
- **Focused on Front Line Trainees** - training must be focused on those employees directly involved with the direct production of the good or service created by the applicant.

C. Amount of Funding Available

The projected amount of funding available for this program in fiscal year 2019 (FY19) is estimated to be \$10,000,000. Final determination for funding is contingent upon authorization and availability. If additional funding becomes available, it will be included in the total amount available during the course of FY19.

Funding levels for grant awards will be based on the following criteria:

Training Applications	Maximum Award
Individual Employers	May apply for a maximum of \$100,000
Industry-specific Consortiums	May apply for a maximum of \$250,000 (Participating businesses are capped at \$25,000 each)

The Skills Partnership / Customized Training Grant program can contribute **up to a maximum of a 50% match to training costs incurred by a New Jersey employer** in one of two ways.

1. Reimbursement by clock hour of instruction received from a third-party training provider(s). The maximum reimbursement rate of \$200 per clock hour for the direct training costs associated with third-party training delivery, includes:
 - Tuition fees;
 - Textbooks, software and other required materials;
 - Examination/Credentialing fees.
2. Reimbursement for 50% of the base wages of trainees participating in approved training conducted by the employer. (For direct employer applications only.)

New Jersey has identified the following industry clusters as targeted sectors for FY19:

Advanced Manufacturing	Health Care
Construction/Utilities	Life Sciences
Financial Services	Retail, Hospitality and Tourism
Food Industry	Transportation, Logistics and Distribution

In keeping with the state’s commitment of developing industry-specific, employer-driven partnerships, industry-specific consortiums are encouraged. In addition, LWD will give priority to businesses that:

1. are new to customized training. (A new business is defined as one not having received or participated in a customized training grant within the last three (3) completed fiscal years prior to the current fiscal announcement.)
2. are currently under procurement or a military contract with the United States Department of Defense, the United States Department of Veteran's Affairs or any branch of the United States Armed Forces; or businesses who will provide training to veterans; or businesses who focus on the fields of science, technology, engineering and mathematics (STEM). Applicants must explain how they meet the criteria.

D. Entities eligible to apply for funding under the grant program

The grant program is open to the following New Jersey eligible applicants:

- Individual employers;
- Any employer organization, labor organization, community-based organization or faith-based organization;
- Any industry-specific consortium comprised of two or more of the following: eligible individual employers, employer organizations and labor organizations, and community-based or faith-based organizations.

E. Requirements of applicants in order to be considered for funding under the grant program

KEY POINTS FOR POTENTIAL APPLICANTS TO CONSIDER:

1. All **employers must make a minimum financial contribution of 50% to the total cost of training** associated with an application.
2. Employers must commit to retain trainees for at least six months after training is completed. Failure to adhere to this requirement may result in the employer having to refund grant dollars allocated to train these workers.
3. All **individual trainees are capped at receiving \$1,500 in reimbursable training services** in any grant application. The optional [Employee Grant Participation Spreadsheet](#) (GPS) may be used to assist in planning to ensure the cap is not exceeded.
4. Training is **expected to be accurately planned to the best of the ability of the employer(s)** participating in a grant application in order to minimize the need for later changes.
5. Proposed **training must be project-based and focused on the front line workers** of an organization. (defined as those involved in the direct production of goods or services)
6. Proposed training should lead to and/or achieve an industry-valued credential for the business or trainee.
7. **Training requested should be planned to utilize the most efficient delivery method** with a **minimum of 10** students per class. Please note: LWD will seek to meet an applicant's training request through the most cost-effective means available.

Types of training eligible for Skills Partnership Grants include:

Third-Party Classroom Training

- Training provided to a group of trainees in a classroom setting conducted by a qualified instructor from an **external third party training provider located in the State of New Jersey**.

On-the-Job Training or Company In-House Training

- H) Program-specific audits in accordance with Subpart F – Audit Requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards can be elected when a grantee expends federal or state awards under only one federal or state program and the federal or state program's statutes, regulations, or terms and conditions of the grant award do not require a financial statement audit of the recipient.
- I) All grantees that expend less than \$100,000 in federal or state financial assistance within their fiscal year, but expend \$50,000 or more in federal or state financial assistance within their fiscal year must have a special report applying agreed upon procedures including, but not limited to, reviewing and testing the cost and expenses incurred for which reimbursement was requested to determine their propriety under the contract and review of the training records which substantiate training was completed in accordance with the contracts. The procedures to be followed will be provided by the department's Office of Internal Audit.
- J) Although Subpart F – Audit Requirements allows specific provisions for biennial audits; state policy continues to require all audits to be performed on an annual basis.
- K) In addition to federal-required reports and opinions, grantee single audits must contain similar reports and opinions for state funds.

The procedures to be followed will be provided by the Department's Office of Internal Audit.

Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

The aforementioned records will be retained beyond the seven years if any litigation or audit is begun or if a claim is instituted involving the grant or agreement covered by the records. In these instances, the records will be retained until the litigation, audit or claim has been finally resolved. The grantee agrees to insure that subgrantees retain records in accordance with these requirements. In the event of the termination of the relationship between grantee and subgrantees, the grantee shall be responsible for the maintenance and retention of the records of any subgrantees unable to retain them.

Access – LWD may investigate any matter it deems necessary to determine compliance with state policy and/or procedures. 13) PROCUREMENT STANDARDS

Procurement of supplies, equipment and other services with funds provided by this agreement shall be accomplished in a manner generally consistent with federal and state requirements.

Adherence to the standards contained in the applicable federal and state laws and regulations does not relieve the grantee of the contractual responsibilities arising under its procurements. The grantee is the responsible authority, without recourse to LWD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurement entered in support of a grant.

14) PROPERTY

The grantee is responsible and accountable for all equipment and property purchased with funds under this agreement, including purchases made by any subgrantee receiving payments on behalf of the grantee. All documents, patents, copyrights, data, studies, surveys, drawings, maps, models, photographs, films, duplicating plates, reports, plans and other materials prepared by the grantee in connection with the project are the property of LWD. Such material will be delivered to LWD upon request.

If the project is funded under WDP, all documents, patents, copyrights, data, studies, surveys, drawings, maps, models, photographs, films, duplicating plates, reports, plans and other materials prepared by the grantee in connection with the grant are the property of said grantee. However, LWD retains the authority to review such material for the limited purpose of determining the extent and quality of performance under the grant. Such materials shall be reviewed by LWD upon notice given to the grantee and shall promptly be made available to LWD for inspection. LWD agrees to take all reasonable steps necessary to safeguard the grantee's proprietary interest in these materials.

In addition, if the aforementioned items are developed pursuant to a grant or contract funded in whole or in part by federal funds, the federal agency which provided the funds reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant, and ii) and rights of copyright to which the grantee, subgrantee or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). 18) DISPUTES

The grantee agrees to attempt to resolve disputes arising from this agreement by administrative process and negotiations in lieu of litigation. The grantee assures performance of this agreement while any dispute is pending.

Any dispute which is not settled by informal means shall be decided by LWD, who shall reduce the decision to writing and mail or otherwise furnish a copy thereof to the grantee. The grantee shall be afforded an opportunity to be heard and to offer evidence in support of its position. Pending final decision of a dispute hereunder, the grantee shall proceed diligently with the performance under the agreement.

The dispute resolution mechanism described in this section is not exclusive. LWD and grantee preserve all rights in law and equity to pursue any claims that may arise.

This agreement shall be governed by and construed and enforced in accordance with the laws of the state of New Jersey.

20) TERMINATION

- A) Termination for Convenience – LWD or grantee may request a termination for any reason. LWD or grantee shall give 90 days' advance notice, in writing, to the other parties to this agreement of the effective date of such termination. The grantee shall be entitled to receive just and equitable compensation for any services satisfactorily performed hereunder through the date of termination.
- B) Termination for Cause – LWD may terminate this agreement when it has determined that the grantee has failed to provide the services specified, or has failed to comply with any of the provisions contained in this agreement or approved application, or otherwise breached the terms of this agreement. If the grantee fails to perform in whole or in part under this agreement, or fails to make sufficient progress so as to endanger performance, or otherwise breaches the terms of this agreement, LWD will notify the other parties to this agreement of such unsatisfactory performance or breach in writing. The grantee has 10 working days in which to respond with a plan agreeable to LWD for correction of the deficiencies. If the grantee does not respond within the appointed time with corrective plans satisfactory to LWD, LWD will serve a termination notice on the grantee which will become effective within 10 days after receipt. In the event of such termination, LWD shall only be liable for payment for services rendered prior to the effective date of the termination, provided such services are performed in accordance with the provisions of this agreement.
- C) Termination or Reduction of Funds

- 1) The grantee agrees that major changes to this agreement, both in terms of program content and funding levels, may be required prior to its implementation or during the term of its operations due to new or revised legislation or regulations. The grantee agrees that any such changes deemed necessary by the commissioner of LWD shall be immediately incorporated into this agreement.
- 2) Unearned payments under this agreement may be suspended or terminated upon refusal to accept or satisfy any additional conditions that may be imposed by LWD at any time.

21) CONTRACT CLOSEOUT

- A) The following definitions shall apply for the purpose of this section:
 - 1) Contract Closeout – The closeout of an agreement is the process by which LWD determines that all applicable administrative actions and all required work of the agreement have been completed by the grantee.
 - 2) Date of Completion – The date by which all activities under the agreement are completed, or the expiration date in the grant award document, or any supplement or amendment thereto.
- B) The grantee shall submit a closeout package per the terms of the agreement, unless otherwise extended by LWD, after completion of the agreement period or termination of the agreement. Closeout forms will be supplied by LWD.
- C) The grantee will, together with the submission of the closeout package, refund to LWD any unexpended funds or unobligated (unencumbered) cash advances except such sums as have been otherwise authorized, in writing, by LWD to be retained.
- D) Within the limits of the agreement amount, LWD may make a settlement for any upward or downward adjustments of costs after the final reports are received.
- E) The grantee is responsible for those costs found to be disallowed, including those of any subgrantee paid from funds under this agreement, and LWD retains the right to recover any appropriated amount after fully considering the recommendations on disallowed costs resulting from the final audit, even if a final audit has not been performed prior to the closeout of the agreement.
- F) The grantee shall account for any property received from LWD or acquired with funds under this grant, including any property received or acquired by a subgrantee under this grant.

22) PERFORMANCE

The grantee assures performance will be in accordance with, and within the period of, this agreement and will immediately report any conditions that may adversely affect performance to LWD as soon as they become known. Any fraud or suspected fraud involving granted funds must be reported to LWD within 48 hours of its discovery.

23) CONFLICTS OF INTEREST

The grantee shall avoid organizational conflicts of interest or the appearance of conflicts of interest in the conduct of procurement activities. Any gratuities offered by the grantee, its agent or representative to any officer, director or employee of LWD with a view toward securing this agreement or securing favorable treatment with respect to the awarding, amending or the making of any determination will render the agreement voidable at the option of LWD, and may justify further action under applicable state and/or federal laws.

24) BONDING AND INSURANCE

The grantee shall ensure that every officer, director or employee who is authorized to act on behalf of the grantee for the purpose of receiving funds into program accounts or issuing financial documents, checks or other instruments of payment is bonded to provide protection against loss.

25) AVAILABILITY OF FUNDS

The grantee shall recognize and agree that both the initial provision of funding and the continuation of such funding under the agreement is expressly dependent upon the availability to LWD of funds appropriated by the state Legislature

from state and/or federal revenue or such other funding sources as may be applicable. A failure of LWD to make any payment under this agreement or to observe and perform any condition on its part to be performed under the agreement as a result of the failure of the Legislature to appropriate shall not in any manner constitute a breach of the agreement by LWD or an event of default under the agreement and LWD shall not be held liable for any breach of the agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from LWD beyond the duration of the award period set forth in the agreement and in no event shall the agreement be construed as a commitment by LWD to expend funds beyond the termination date set in the agreement.

26) LIABILITY

This agreement is subject to all of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq., the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. and the availability of appropriations.

The state of New Jersey does not carry any public liability insurance, but the liability of the state of tort claims against its employees is covered under the terms and provisions of the New Jersey Tort Claims Act. The act also creates a special self-insurance fund and provides for payment of claims against the state of New Jersey or against its employees for tort claims arising out of the performance of their duties for which the state is obligated to indemnify.

The grantee shall be solely responsible for and shall keep, save and hold the state of New Jersey harmless from all claims, loss, liability, expense or damage resulting from all mental or physical injuries or disabilities, including death to its employees or recipients of the grantee's services or to any other persons or from any damage to any property sustained in connection with the delivery of the grantee's services that results from any acts or omissions, including negligence or malpractice of any of its officers, directors, employees, agents, servants or independent contractors or from the grantee's failure to provide for the safety and protection of its employees, whether or not due to negligence, fault or default of the grantee. The grantee's responsibility shall also include all legal fees and costs that may arise from these actions. The grantee's liability under this agreement shall continue after the termination of this agreement with respect to any liability, loss, expense or damage resulting from acts occurring prior to termination.
