Counseling Newsletter (Completing WD-25's for ABT denials)

Hello everyone!

I am happy to be assuming the duties for Bob Califano. I will do my best to keep you informed and I invite your suggestions and questions. As Bob would say – this one is about “broken record ABT.”

When completing a WD-25, it is important to list **ALL** reasons for denial. If you only list one of the reasons, (i.e. the type of separation) even though they also self-enrolled, the appeal may be overturned due to a claims redetermination by UI.

Do your research and if you are confident but not 100% sure about a denial reason, put it down anyway because it will be sorted out during the appeal. If you do not list all reasons on the WD-25, it's possible that the ABT denial will be overturned regardless if they are still not eligible for reasons that were not listed.

If you have any questions, please email me.

Respectfully submitted,

Lisa Fiorile, Supervising Counselor LWD
