#### **FFY 2019 Federal STOP Violence Against Women (VAWA), Non-Competitive Domestic Violence Response Team Coordinator Grant Program**

**Take notice** that in compliance with Title IV of the Violent Crime Control and Law Enforcement Act of 1994, Pub. L. No. 103-322, 108 Stat. 1796 (September 13, 1994), the Department of Law and Public Safety (Department) announces the availability and award of non-competitive subawards to non-profit victim services agencies to develop, continue, expand, or strengthen services for victims of violence against women in accordance with the State's Federally required Federal fiscal year (FFY) 2017-20 Implementation Plan (Plan). These programs are funded with the FFY19 Federal STOP Violence Against Women (VAWA) Formula Grant. Federal regulations governing the grant program are set forth at 28 CFR Part 90.

The Department has been designated by the Governor as the State Administering Agency (SAA) responsible for administering the New Jersey VAWA grant program. To administer the grant program and develop a plan, a New Jersey VAWA Advisory Committee (Committee) was established by the Department consisting of representatives from law enforcement, prosecution, courts, and non-profit victim service agencies, including domestic violence and sexual assault organizations. The Committee identified the needs of victims of violence against women and prepared a plan to address these needs. Following the Federal guidelines for funding allocations, the Committee also selected the subrecipient agencies and recommended the funding amounts.

A total of \$1,066,660 is available to fund these non-competitive subawards, contingent upon continued Federal appropriations without reductions, to State, county, and local government agencies and victim service agencies providing direct services to victims of violence against women in the areas of prosecution, law enforcement, courts, and discretionary programs included in the Plan. No matching funds are required.

The Department will award funds to agencies recommended by the Committee as qualified because of their experience in providing services required by the Plan. Prior to the awards, each agency will submit an application for review and approval. Funding availability is as follows:

A failure of the Department to make any payment under a grant agreement or to observe and perform any condition on its part to be performed under a grant agreement as a result of the failure of the

State or Federal Legislature to appropriate funds shall not in any manner constitute a breach of a grant agreement by the Department or an event of default under a grant agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from the Department beyond the duration of the award period set forth in a grant agreement and in no event shall a grant agreement be construed as a commitment by the Department to expend funds beyond the termination date set forth in a grant agreement.
