

## **DISMISSAL OF COMPLAINT 003-2018**

Complaint 003-2018 was prompted by the results of an audit commenced in September 2017 pursuant to N.J.A.C. 7:26I-5. The Board issued a Board Determination and Offer of Settlement to the LSRP on June 25, 2019. The LSRP did not provide a written response, and subsequently the Board learned that the LSRP had passed away. On December 16, 2019, the Board voted to vacate its finding of violations and Board Determination and Offer of Settlement and dismiss the complaint.
