Department of the Treasury

Agency Guidelines for Use of Vehicle Rental Services

Background and Purpose

The Department of Treasury has entered into a contract with Hertz for vehicle rental services offered under the terms of the National Association of State Procurement Officials (NASPO) master agreement. Rates and rental locations are attached.

The purpose of this contract is to provide State agencies with the ability to rent passenger vehicles to meet their vehicle requirements as efficiently as possible.

Contract Highlights

- · Corporate-rate discounts.
- Full selection of vehicles, including hybrids and electric vehicles. (Rental rates for each vehicle class are listed on the contract pages.)
- One-way rentals up to 500 miles at no additional cost at corporate locations. Please ensure to book the rental as a one-way to see if allowed.
- Preferred customer service where Gold Service is available at no additional cost.
- Basic Emergency roadside assistance available 24 hours / 7 days a week.
- Passenger pick-up or delivery is offered, when possible. Hertz will pick up the client at home or office. Delivery is available for a charge. Please contact the location to obtain a quote for delivery.
- \$1 million liability protection.
- Full loss / damage waiver protection.
- Direct billing to agencies.

Agency Responsibility

Each agency is required to develop and promulgate internal controls to ensure proper use of the contract including cost/benefit determination (rental vs. employee reimbursement or use of assigned pool vehicles); financial approvals from agency fiscal staff, etc.

State Travel Card

Agencies will use their State travel card to reserve vehicles. Hertz will bill the using agency directly through this card. If your agency doesn't already have a travel card, please contact:

Reservations

All vehicle rentals shall be arranged through the agency's travel coordinator or a designee authorized to use the travel card. Reservations may be made online www.hertz.com, via the toll-free telephone number 1-877-599-8916, or at branch locations.

Agencies must rent the lowest cost vehicle available, regardless of minor differences in functionality and/or features. Agencies should not select "options" that are not required for the course of business, and add to the cost of the rental. Nor, should agencies select insurance options when making reservations. Agencies should not request additional insurance. Coverage is already included in the contract. Rental rates and locations are attached.

Employee Responsibility

Employees are responsible for following their agency's internal control procedures, and should familiarize themselves with the rental contract. Employees should keep the following guidelines in mind:

- Notify the Fiscal Manager of the vehicle rental requirements in advance.
- Ensure that the rental vehicle is driven by an authorized employee on official state business.
- Only State employees and business guests are allowed to ride in the rental car.
- Employees should not accept or request additional insurance when picking up a rental car.
 Coverage is already included in the contract.
- Check the rental car for defects, and notify the rental agency before driving away.
- Fuel rental vehicle using the most cost effective option available at the time, and submit for
 reimbursement. Make every effort to return vehicle with a full tank of gas as employees may not
 receive full reimbursement for excessive refueling charges when other economical alternatives
 are available. Please note State issued fuel cards and credit cards cannot be used to fuel
 rental cars, not may rental cars be fueled at any State fuel site.
- Promptly report accidents, breakdowns, minor mechanical disrepairs, and lost keys to Hertz using the emergency Roadside Assistance Phone # - 1-800-654-5060.

Disputes and Traffic Violations

Hertz is self-insured and complies with the minimum coverage required by the State. Employees should report accidents involving rental vehicles to Hertz and agency management as soon as possible. Agencies are also required to provide the form RM1 and supporting documents (police reports, photos) to the Division of Risk Management.

Agencies will resolve any rental disputes directly with Hertz. Agencies will also be responsible for settling any parking tickets, moving traffic violations, and EZ Pass violations incurred during the rental period.
