Quotation Terms and Conditions

The following are the terms and conditions of this quotation in addition to the exclusions listed on the quote form, which may affect the pricing attached: Trains Towers Inc. reserves the right to rescind quotation at any time without cause.

- 1) This quote is based on our regular and overtime Prevailing Wage labor rates for the applicable County and does not include midnight, weekend or holiday labor rates. Certified payroll is available upon request. Should any work require such labor rates or an accelerated work schedule, a change order will be required.
- 2) Customer is responsible for all permits and licenses that may be required.
- 3) The location of all equipment and parts to be installed must be clear of any obstructions and equipment, if any additional equipment is required to be removed or relocated (other than quoted above, if applicable), additional labor hours and materials will be required.
- 4) *All customer provided materials for the installation are to be available to Train's Towers, Inc. prior to the commencement of work.* We will not be responsible for job delays due to late, incomplete, or incorrect shipments of materials. Additionally, we will be not responsible for any problems that may arise from defective equipment that is provided to us.
- 5) In the event that the job consumes more than the allotted hours due to unfair weather conditions, including high winds, safety concerns, defective installations by other contractors (that may affect our installation), any stoppage of work, labor union interference/stoppage, and/or changes in job specifications at any time for any reason during this work, there will be additional charges incurred for the additional labor hours. This also includes limited and/or denied access to the structure and/or surrounding areas.
- 6) We will not be responsible for any miscommunication or any lack of communication of changes to specifications and/or stoppages due to these changes. All stoppages and/or changes will be logged and a memo summarizing such events will be exchanged between our office and your office for all concerned. This will necessitate a change order for additional time and materials above and beyond the quoted price.
- 7) We suggest allotting an extra 20% margin for extra labor and materials, if they should become necessary for any unforeseen shortages, defects, omissions, and oversights.
- 8) It is expressly understood that this quote is based upon the information provided to Train's Towers, Inc. to this date. This quote may change upon receipt of future information. Should this occur, a change order will be

required to continue work. Any additional work or materials requested and/or required on site will be billed at time and materials rates.

- 9) If any interior inspections and/or repairs are necessary to a water tank, directly and/or indirectly related to the work above, if applicable, we shall in no way be responsible for any such costs and/or labor involved therein. Additionally, we will not be responsible for normal work wear to any working surface, including rooftops and water tanks, or any costs and/or labor involved to repair or replace any such surface.
- 10) Finally, we are not structural engineers. It is understood that we will not be held responsible for structure loading/extension or any cost or repairs due to the loading/extension of the tower. We will not be responsible for the condition of any working surface or any costs related to the repair or resurfacing of the work surface. This serves not just for this site but also for all projects and all clients. We will not be responsible for any legal fees incurred for any problems outlined above, or any other unforeseen problems that may occur.
- 11) Payment Terms. Payment is required Thirty (30) days from the invoice date, unless otherwise stated on the invoice. There will be a \$35.00 charge for checks returned for any reason. Please pay from the invoice provided, as no statement will be issued. A late payment charge of 1.5% per month (18% APR) will be charged on all invoices not paid within the defined terms. The parties agree that New Jersey law will govern this transaction and that all actions related to the transaction will be commenced in the State of New Jersey. In the event TRAIN'S TOWERS, INC. retains a collection agency or attorney to enforce any of your obligations to TRAIN'S TOWERS, INC., you agree to pay all of TRAIN'S TOWERS, INC.'S costs and expenses associated with such enforcement, including all collection agency fees, all reasonable attorney's fees, plus all additional costs of collection and/or litigation. You agree to pay and/or reimburse TRAIN'S TOWERS, INC. for any and all sales, use and excise taxes which may be imposed on you or TRAIN'S TOWERS, INC. by any government entity as a result of any sales to you, regardless of when such taxes may be assessed, imposed, or levied.
