DEFINITIONS

Fiduciary means a guardian, trustee, executor, administrator, receiver, conservator, or any person acting in any trust or similar capacity.

The term *estates* refers only to the estates of deceased persons. The New Jersey gross income tax liability for minors, persons adjudicated incompetent, or for any person who is suffering from some other legal disability shall be computed on the same form as that used for any other individual taxpayer, but it may be prepared in the name of the disabled individual and signed by the guardian or conservator.

WHO MUST FILE A RETURN

A. Resident Estates and Trusts

The fiduciary of every resident estate or trust is required to file a New Jersey Gross Income Tax Fiduciary Return (NJ-1041) if gross income, before exemptions or deductions, is more than \$10,000 (prorated for the number of months covered by a part-year return) during the taxable year. If a resident trust or estate does not have any assets in New Jersey or income from New Jersey sources, and does not have any trustees or executors in New Jersey, it is not subject to New Jersey tax. However, a New Jersey Gross Income Tax Fiduciary Return should be filed with a statement enclosed certifying the trust's or estate's exempt status.

Resident estate or trust means:

- The estate of a decedent who at his death was domiciled in New Jersey; or
- (2) A trust, or a portion of a trust, consisting of property transferred by will of a decedent who at his death was domiciled in New Jersey; or
- (3) A trust, or portion of a trust, consisting of the property of:
 - (a) A person domiciled in New Jersey at the time such property was transferred to the trust, if such trust or portion of a trust was then irrevocable; or if it was then revocable and has not subsequently become irrevocable; or
 - (b) A person domiciled in New Jersey at the time such trust, or portion of a trust, became irrevocable; if it was revocable when such property was transferred to the trust but has subsequently become irrevocable.

For the purposes of the foregoing, domicile is the place an individual regards as his permanent home—the place to which he intends to return after a period of absence. A domicile, once established, continues until a new, fixed, and permanent home is acquired. No change of domicile results from moving to a new location if the intention is to remain only for a limited time even if it is for a relatively long duration.

A trust or portion of a trust is revocable if it is subject to a power, exercisable immediately or at any future time, to revest title in the person whose property constitutes such trust or portion of a trust, and a trust or portion of a trust becomes irrevocable when the possibility that such power may be exercised has been terminated.

Grantor trusts are required to file a New Jersey Gross Income Tax Fiduciary Return. If the grantor trust income is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. See the line-by-line instructions for distributions.

A resident estate or trust does not include charitable trusts or trusts which are part of a pension or profit-sharing plan. A charitable trust is

a trust operated **exclusively** for a religious, charitable, scientific, literary, or educational purpose. Income of a charitable trust is exempt from gross income tax. However, income received by a charitable trust which is not distributed or credited to its beneficiaries is subject to tax in the taxable year of the trust in which such income is received. Where the terms of the governing instrument of an estate or trust require any amount of income to be accumulated and added to the principal for ultimate distribution to any religious, charitable, scientific, literary, or educational organization and such income is permanently and irrevocably set aside for such purposes, it will be treated as having been paid, credited, or required to be distributed to the charitable beneficiary. The same treatment is afforded to any income required to be held in trust for the use of any charitable beneficiary or organization.

In general, income which is deemed to have been paid, credited, or required to be distributed to a beneficiary is taxable to such beneficiary. Where, however, the beneficiary is an exempt charitable organization, no tax will be imposed. This is true even if the income is permanently and irrevocably set aside in an invested income account.

B. Nonresident Estates and Trusts

The fiduciary of every nonresident estate or trust which derived income from New Jersey sources must file a New Jersey Gross Income Tax Fiduciary Return (NJ-1041) if the gross income received from all sources (both inside and outside New Jersey) during the taxable year was more than \$10,000 (prorated for the number of months covered by a part-year return) before exemptions or deductions.

A nonresident estate or trust does not include charitable trusts or pension or profit-sharing trusts. The residence of the fiduciary does not affect the nonresident classification of an estate or trust.

Gross income from sources within New Jersey for a nonresident estate or trust means those items of income and gain that are earned, received, or acquired from the following sources:

- By reason of ownership or disposition of any interest in real or tangible personal property in New Jersey; or
- In connection with a trade, profession, or occupation carried on in New Jersey or for the rendition of personal services performed in New Jersey; or
- As a distributive share of the income of a business, profession, enterprise, undertaking, or other activity as the result of work done, services rendered, or other business activities conducted in New Jersey except as allocated to another state; or
- From intangible personal property employed in a trade, profession, occupation, or business carried on in New Jersey; or
- 5. Income of a New Jersey S corporation allocated to New Jersey; or
- 6. Net gambling winnings from New Jersey sources (other than the New Jersey Lottery).

C. Electing Small Business Trusts

A Federal Electing Small Business Trust can make a New Jersey election to be taxed in the same manner as for Federal tax purposes. Request Form NJ-1041SB for election information, filing instructions, and tax forms.

PERIOD TO BE COVERED BY RETURN

The 2007 return filed by an administrator or an executor of an estate must cover the period from January 1, 2007, or fiscal year beginning in 2007, or the date of death of decedent (if death occurred after

Period to be Covered by Return - continued

January 1, 2007) to the end of the taxable year selected by the fiduciary when appropriate. The 2007 return filed by a trustee of a trust must cover the period beginning January 1, 2007. Only charitable trusts which are exempt from tax are permitted to use a fiscal tax year.

The taxable year cannot be longer than 12 months and must coincide with the year selected for purposes of filing the Federal return. All income received by the executor, administrator, or trustee in the taxable year must be reported on the return.

TIME AND PLACE FOR FILING

Form NJ-1041 must be filed on or before the 15th day of the fourth month following the close of the taxable year of the estate or trust.

Use the large envelope in this packet to mail Form NJ-1041 with related enclosures, payment voucher, and check or money order for any tax due.

Mail Form NJ-1041 to: STATE of NEW JERSEY

DIVISION OF TAXATION
REVENUE PROCESSING CENTER

PO Box 888

TRENTON NJ 08646-0888

PAYMENT OF TAX

The balance of tax due must be paid in full by the original due date of the return. If the amount due is less than \$1, no payment is required. New Jersey income tax payments for tax year 2007 as well as estimated tax payments for 2008 may be made by check or money order, electronic check (e-check), or credit card.

Check or Money Order. Checks and money orders are to be made payable to "State of New Jersey - TGI." Write the Federal employer identification number on the check or money order, then enter the amount of tax due in the appropriate boxes on payment voucher NJ-1041-V located at the front of this booklet. Do not make changes to any of the information preprinted on the payment voucher. Instead, make any necessary changes on Form NJ-1041. Send the check or money order and the payment voucher in the same envelope as the NJ-1041 return.

Do not include in the same check or money order the amount due for tax year 2007 and the first installment of estimated taxes for 2008. Use a separate check or money order for each payment. Send the 2008 estimated tax payment with an NJ-1040-ES voucher to the address indicated on that payment voucher. **Do not include the estimated tax payment with the 2007 fiduciary return**.

Electronic Check (e-check). This option is available on the Division's Web site (www.state.nj.us/treasury/taxation/). Taxpayers who do not have Internet access can pay by e-check by contacting the Division's Customer Service Center at 609-292-6400. Do not send in the payment voucher (Form NJ-1041-V) when paying by e-check.

When using e-check on the Web, you will need the Federal employer identification number, the date of the decedent's death or the date the trust was created, your bank's routing number, and your account number to make a payment.

Credit Card. A Visa, American Express, MasterCard, or Discover credit card may be used to pay by phone (1-800-2PAYTAX, toll-free) or online (www.state.nj.us/treasury/taxation/). You may be asked to enter a jurisdiction code to make your payment. The code for New Jersey is 4000. There is a convenience fee of 2.49% paid directly to Official Payments Corporation based on the amount of the tax payment. Do not send in the payment voucher (Form NJ-1041-V) when paying by credit card. A \$1 convenience fee will be charged for all tax payments of \$40 or less.

EXTENSION OF TIME TO FILE

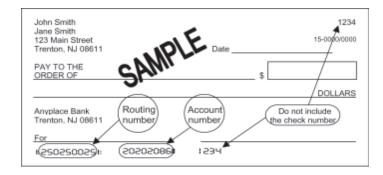

An extension of time is granted only to file the New Jersey Gross Income Tax Fiduciary Return. There is no extension of time to pay tax due. Penalties and interest are imposed whenever tax is paid after the original due date.

Extension of Time to File - continued

Six-Month Extension

You may receive a six-month extension of time to file your New Jersey Gross Income Tax Fiduciary Return if at least 80% of the tax liability computed on your Form NJ-1041 when filed is paid in the form of estimated or other payments by the original due date, and

- 1. Federal extension filed. A copy of your Federal Application for Automatic Extension is enclosed with your final return and the box at the top of Form NJ-1041 is checked (or, if the Federal extension application was filed electronically, the confirmation number is entered in the space provided at the top of Form NJ-1041); or
- 2. No Federal extension filed. You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return.

Note: If a Federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the 80% requirement.

If you fail to satisfy the requirements outlined for an extension of time to file, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 4.

ACCOUNTING METHOD

A taxpayer's accounting method for New Jersey gross income tax shall be the same as the accounting method used for Federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

CHANGES IN FEDERAL INCOME TAX

Report to the New Jersey Division of Taxation any change or correction in Federal taxable income as reported on your Federal fiduciary income tax return, whether resulting from the filing of any amended Federal return or otherwise, within 90 days after filing such return or final determination of such change by the Internal Revenue Service. Similarly, if an amended Federal return is filed, an amended New Jersey return must be filed within 90 days.

AMENDED RETURN

The fiduciary should carefully follow the instructions when completing the tax return. Check the return to be sure all of the income and credits for which the fiduciary is eligible have been claimed before filing the return. However, if after the return has been filed the tax-payer discovers that he failed to report some of his income or erroneously claimed credits or was eligible for credits which were not claimed, the error may be corrected by filing an amended return. The taxpayer should file a new return, clearly marked "AMENDED RETURN," in which the correct tax or refund is shown.

If an error is discovered that will result in a refund of tax, the amended Form NJ-1041 must be filed within three years from the date the original return was filed or within two years from the time the tax was paid, whichever is later, in order to receive a refund. (A return filed before the due date or extended due date is considered to be filed on such due date or extended due date.)

ESTIMATED TAX PAYMENTS

Certain estates and trusts are required to file Form NJ-1040-ES and make quarterly estimated tax payments for any tax year in which the estimated tax of the estate or trust is expected to exceed \$400. Estimated tax means the projected amount of New Jersey gross income tax liability

for the taxable year after subtracting allowable credits. Instructions for computing the estimated tax and making estimated payments are included with Form NJ-1040-ES. Failure to file a declaration of estimated tax or to pay all or any part of an installment of estimated tax will result in interest charges on the underpayment.

Exceptions

Estimated tax payments are not required from:

- A decedent's estate for any tax year ending before the date that is two years after the decedent's death; or
- A trust that was treated as owned by the decedent if the trust will receive the residue of the decedent's estate under the will (or if no will is admitted to probate, the trust primarily responsible for paying debts, taxes, and expenses of administration) for any tax year ending before the date that is two years after the decedent's death.

Underpayment of Estimated Tax

If all estimated tax payments are not made as required, Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, should be completed to determine if interest is due and if so, to calculate the amount.

NAME AND FEDERAL EMPLOYER IDENTIFICATION NUMBER

The name and Federal employer identification number **must** be entered on all schedules accompanying the return. Also, if there is a balance due with the return, place the Federal employer identification number on the remittance.

PRIVACY ACT NOTIFICATION

The Federal Privacy Act of 1974 requires all agencies requesting information to inform individuals from whom it seeks information why the request is being made and how the information is being used. The Federal employer identification number is used primarily to account for and give credit for tax payments. It is also used in the administration and enforcement of all tax laws for which the Division of Taxation has statutory responsibility.

ROUNDING OFF TO WHOLE DOLLARS

When completing your return and the accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include the cents when adding the items and round off only the total. When entering the rounded total on the line, you may eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros in the space provided for cents.

GUBERNATORIAL ELECTIONS FUND

A fiduciary may designate as a contribution to the Gubernatorial Elections Fund the sum of \$1. The designation of a contribution to this fund does not increase the tax liability or reduce the amount of any possible refund.

SIGNATURE AND DATE

The return must be signed and dated by the individual fiduciary or by the authorized officer of the organization receiving, having custody or control and management of the income of the estate or trust.

Preparer Authorization

Because of the strict provisions of confidentiality, Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you

Preparer Authorization - continued

want a Division of Taxation representative to discuss your tax return with the individual who signed the return as "Preparer Other than Fiduciary," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Preparer Other than Fiduciary," check the box above the preparer's signature line.

Tax Preparers

Any person who prepares a taxpayer's return for a fee must sign as "Preparer" and must include his or her social security number or Federal preparer tax identification number. Returns prepared by a firm or corporation should be signed by the individual preparer and should include the name of the firm or corporation. The individual preparer's social security (tax identification) number must be included, as well as the Federal employer identification number of the firm or corporation. Any tax preparer who fails to sign the return or provide the assigned tax identification number shall be liable for a \$25 penalty for each

Note: Any tax preparer who prepared 50 or more Form NJ-1040 New Jersey gross income tax resident returns in 2006 must use electronic methods to file all 2007 New Jersey resident income tax returns. A tax preparer is liable for a penalty of \$50 for each return he or she fails to file electronically when required to do SO.

PENALTIES, INTEREST, AND **COLLECTION FEES**

- Late Filing Penalty 5% per month or fraction thereof for each month of delinquency up to a maximum of 25% of the balance of the tax due with the return. In addition the law allows a \$100 per month (or fraction of a month) penalty.
- Late Payment Penalty 5% of the outstanding tax balance may be
- Interest 3% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.
- Collection Fees In addition, if a tax bill is sent to our collection agency, a referral cost recovery fee of 10% of the tax due will be added to the liability. If a certificate of debt is issued for an outstanding liability, a fee for the cost of collection of the tax may also be imposed.

Line-by-Line Instructions

NAME, ADDRESS, AND IDENTIFICATION NUMBER

Place the preprinted name and address label in the appropriate space provided on the form. If a label is not provided, print or type the name of the estate or trust, the name and title of the fiduciary, and complete address with the zip code. Enter the Federal employer identification number in the space provided.

Lines 1 through 4 - Residency Status

Indicate the residency status of the estate or trust by checking the appropriate block provided at each line. Also indicate in the space provided the date of decedent's death or the date the trust was created. If the estate or trust is a resident of a state other than New Jersey, enter the name of the state. In the space provided, indicate the type of trust (i.e., Simple trust, Complex trust, Grantor type trust).

Line 5 - Estate Closed or Trust Terminated

If the estate was closed or the trust terminated, check the box provided and indicate the date of such closing or termination. Also write "FINAL RETURN" at the top of the form.

INCOME

Estates and trusts (whether resident or nonresident) must report on Lines 6 through 13 taxable income received from all sources (both inside and outside New Jersey) during the taxable year. (Nonresident estates or trusts must complete Lines 6-13 as if the income was earned by a resident estate or trust. Nonresident estates or trusts must also complete Schedule G to report their income from New Jersey sources. See the instructions for Schedule G on page 9.)

Important: Net losses in one category of income cannot be applied against income or gains in another. In case of a net loss in any category, enter "0" for that category. No carryback or carryover of losses is permitted under New Jersey law.

Line 6 - Interest

Report all taxable interest from all sources, including savings and loan associations, credit unions, bank deposits, bonds, certificates of deposit, interest-bearing checking accounts, life insurance dividends, etc.

Interest derived from sources held outside of New Jersey is includable in gross income. Interest paid or deemed to have been paid to the estate or trust by a partnership or S corporation and which is reportable on Form 1099 must be reported as interest on this line. Interest received by a sole proprietorship is reportable as net profits from business on Line 8. Interest earned and received by a partnership, an estate or trust or, in general, an S corporation is reportable as distributive share of partnership income on Line 11, net income from estates or trusts on Line 13, or net pro rata share of S corporation income on Line 12. For detailed information regarding the reporting of partnership or S corporation income, request Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Interest received from Ginnie Maes, Fannie Maes, and Freddie Macs is taxable since these securities are not direct obligations of the Federal government. Interest income received from repurchase agreements is taxable to the investor regardless of the nature of the underlying obligation. Interest on obligations of other states and their political subdivisions is subject to tax, as is the interest on obligations of the District of Columbia.

Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion, are also includable in gross income.

Amounts paid by a mutual fund or other regulated investment company are includable in gross income unless the fund is a qualified investment fund as defined by New Jersey law, or to the extent that the distributions are attributable to interest earned on Federal obligations.

A New Jersey qualified investment fund is a regulated investment company in which at least 80% of the underlying investments are obligations issued either directly by the Federal government or by the State of New Jersey or any of its political subdivisions.

If you received a distribution from a qualified investment fund, you may exclude from gross income only the portion which is attributable to qualified exempt obligations. A fund that is a qualified investment fund for New Jersey purposes should notify its shareholders by February 15 as to the portion of each distribution which may be excluded from gross income.

Line 6 - Interest - continued

For New Jersey gross income tax purposes, a forfeiture penalty resulting from an early withdrawal of a time deposit account is considered a loss which may be used to offset interest income.

In the space provided, report all tax-exempt interest as well as exempt interest dividends from a New Jersey qualified investment fund. If exempt interest is more than \$10,000, you must include an itemized schedule detailing the amount received from each source.

New Jersey tax-exempt interest income includes interest from obligations of the State of New Jersey or any of its political subdivisions, direct Federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes and Bonds, Sallie Maes, CATS, TIGRs, certain distributions from "New Jersey Qualified Investment Funds," and distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations.

Line 7 - Dividends

Enter on this line the amount of dividends received during the taxable year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of dividends received, **regardless of where earned**, must be reported. For dividends received from a mutual fund or other regulated investment company, see the instructions for interest income at Line 6.

Dividends received by a sole proprietorship are reportable as net profits from business on Line 8. Dividends earned and received by a partnership, an estate or trust or, in general, an S corporation are reportable as distributive share of partnership income on Line 11, net income from estates or trusts on Line 13, or net pro rata share of S corporation income on Line 12. For detailed information regarding the reporting of partnership income or S corporation income and distributions, request Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

Distributions out of earnings and profits of corporations are required to be reported in the year received by the shareholder.

Distributions not out of earnings and profits of a corporation which are a return of investment or capital in the company are sometimes referred to as tax-free distributions or nontaxable capital distributions. Such distributions are a return of capital, reduce the basis of the stock or investment, and are not taxable until the basis in the stock or investment is fully recovered. To the extent that a return of capital (when added to other distributions received in the past) exceeds the investment in the stock or security, it is included in income as a capital gain on Line 9.

Capital gain dividends, under New Jersey law, are taxable in full as capital gains. Dividends reinvested in a public utility are taxable.

Tax Rate Schedule. You must use the New Jersey Tax Rate Schedule on page 19 if your taxable income is \$110,000 or more. After you have calculated your tax, enter the amount on Line 23.

Line 24 - Income Percentage

To figure your income percentage, enter the amounts from Line 16a and Line 16 in the spaces provided. Divide the amount on Line 16a by the amount on Line 16. Carry your result to four decimal places. For example, if the amounts used were \$20,000 (Line 16a) divided by \$30,000 (Line 16), the result would be 66.67% or .6667. In certain situations, however, the income percentage can exceed 100%.

Note: The income percentage can exceed 100%. For example, a nonresident estate or trust realizes a \$50,000 gain from the sale of real property in New Jersey and sustains a \$10,000 loss from the sale of property in Florida. This nonresident taxpayer (which has no other income) reports \$40,000 as total income (Line 16) and \$50,000 as income from New Jersey sources (Line 16a). The income percentage is 125% (or 1.25) calculated as follows:

\$50,000 (Line 16a) ÷ \$40,000 (Line 16).

Line 25 - Tax

• RESIDENT ESTATES AND TRUSTS

Enter in the spaces provided the type of business(es), address, and net profit (loss) from the operation of a business, profession, or other activity carried on by the estate or trust after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with the method of accounting used for Federal income tax purposes. Adjustments should be made to Federal Schedule C or F to comply with the New Jersey income tax law.

Schedule A - Net Profits From Business - continued

- Add any amounts deducted for taxes based on income.
- Add interest from states or political subdivisions outside of New Jersey which were not reported for Federal purposes.
- Add interest and dividends that were derived by the trade or business.
- Add or subtract income or losses derived by the trade or business from rentals, royalties, patents, or copyrights.
- Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property, not including New Jersey exempt securities.
- Subtract interest which was taxable for Federal purposes but is exempt for New Jersey purposes.
- Subtract the remaining meal and entertainment expenses (that were disallowed on the Federal return).
- Deduct your qualified contributions to a self-employed 401(k)
 plan. Contributions to a plan in excess of the Federal limits, which
 are not an allowable deduction for Federal tax purposes, are also
 not deductible for New Jersey purposes.
- Add or subtract the net adjustment from the Gross Income Tax
 Depreciation Adjustment Worksheet GIT-DEP, Part 1, line 7.
 Be sure to retain the completed worksheet for your records.
 See outside back cover for how to request Worksheet GIT-DEP and instructions.
- Subtract the New Jersey allowable IRC Section 199 deduction which must be calculated on Form 501-GIT, Domestic Production Activities Deduction. Form 501-GIT can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

Sole proprietorships engaged in providing "primary care" medical and/ or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ) may qualify for a deduction on Line 19. For information on eligibility requirements and how to calculate the HEZ deduction, see Technical Bulletin TB-56, Health Enterprise Zones, which is available on the Division's Web site (www.state.nj.us/treasury/taxation/).

There are no provisions to permit a carryback or carryover of net operating losses. Enclose a copy of Federal Schedules C or F.

In order for an income-producing activity to constitute a business or profession, it must be a commercial enterprise regularly conducted for profit and meet the criteria listed in N.J.A.C. 18:35-1.1, *Net Profits From Business*.

Example

A trust invests in stock for its own financial benefit. It does not offer its investment services to others for a fee. It derives substantial income (gains from the sale of stock, interest, and dividends) from the investment activities. The trust's income is not net profits from a business or profession. It must report this income as gains from the sale of stock, interest, and dividends.

Line 38 - Total Net Profits From Business

Enter on this line the total of all net profits (losses). Also enter this amount on Page 1, Line 8. If this amount is a loss, enter "0."

SCHEDULE B - Net Gains or Income From Disposition of Property

Line 39 - List of Transactions

The portion of gain or loss derived from the disposition of property owned by a sole proprietorship, partnership, an estate or trust or, in general, an S corporation is reportable as net profits from business on Line 8, distributive share of partnership income on Line 11, income from estates or trusts on Line 13, or net pro rata share of S corporation income on Line 12. Enter in the spaces provided all other net gains or

income less net losses derived from the sale, exchange, or other disposition of property, including real or personal property, whether tangible or intangible, taxable under New Jersey law.

Note: If the estate or trust sold or transferred real property in New Jersey and was required to make estimated tax payments in connection with the sale or transfer, be sure to include such payments on Line 30.

The basis to be used for computing gain or loss is the cost or adjusted basis determined for Federal income tax purposes. New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment. In listing the gain or loss on disposition of rental property, the New Jersey adjustment from Worksheet GIT-DEP, line 6 must be taken into consideration. Be sure to retain the completed worksheet for your records. See outside back cover for how to request Worksheet GIT-DEP and instructions.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the gain or loss on disposition of applicable property. Form 501-GIT can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

Complete Liquidation. If the estate or trust had an interest in a partnership, a sole proprietorship, or an S corporation which sold or disposed of virtually all of its assets in conjunction with the *complete liquidation* of the entity, then the estate's or trust's portion of the gain or loss from the entity's sale or disposition of its assets must be reported as net gains or income from the disposition of property.

If an interest in a partnership, sole proprietorship, or rental property was sold, you may be required to use a New Jersey adjusted basis. If shares in an S corporation were sold, you *must* use the New Jersey adjusted basis. The gain or loss from the sale or liquidation of a sole proprietorship, a partnership interest, or shares of S corporation stock must be reported as net gains or income from disposition of property on Schedule B.

For information on calculating the New Jersey adjusted basis and the New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)5 (trade or business property), 18:35-1.3(d)2 (partnerships), or 18:35-1.5(k) (S corporations), and Tax Topic Bulletins GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

All capital gains are taxed at their full amount. Thus, you may deduct Federal passive losses in full in the year incurred, provided that there is a gain within the same category of income. No preferential treatment is given to any capital gain.

All gains derived from installment sales must be reported in the same tax year as reported for Federal income tax purposes. If the New Jersey basis differs from the Federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported. If the spaces provided are not sufficient, enclose a rider with the return. Enclose a copy of Federal Schedule D.

Line 40 - Capital Gains Distributions

Enter on this line the total amount of all capital gains distributions.

Line 41 - Other Net Gains

Enter on this line the total amount of net gains or income less net losses from disposition of property not included on Lines 39 and 40.

Net gains or income from rents, royalties, patents, and copyrights that are derived by a sole proprietorship, a partnership, an estate or trust or, in general, an S corporation are reportable as net profits from business on Line 8, distributive share of partnership income on Line 11, income from estates or trusts on Line 13, or net pro rata share of S corporation income on Line 12. For all other net gains or income from rents, royalties, patents, and copyrights, enter in the spaces provided the kind of property and the net gains or net income less net losses as reported on the Federal income tax return of the fiduciary for the taxable period. New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment. In listing the income or loss for rental property, the New Jersey adjustments from Worksheet GIT-DEP, lines 4 and 5 must be taken into consideration. Be sure to retain the completed worksheet for your records. See outside back cover for how to request Worksheet GIT-DEP and instructions.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the net gain, income, or loss resulting from the rental of applicable property. Form 501-GIT can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

The New Jersey Gross Income Tax Act has no provision, however, which allows the Division to distinguish between active and passive losses. Nor is there a provision authorizing carryback or carryforward of such losses. Thus, you may deduct Federal passive losses in full in the year incurred, provided that there is a gain within the same category of income. If the spaces provided are not sufficient, enclose a rider with the return. Enclose a copy of Federal Schedule E.

Line 44 - Total Income by Category

Enter the name and address, state of residence, and social security number of the taxable grantor. In Column A, enter the trust's gross income from Line 14. For a New Jersey nonresident grantor enter in Column B the New Jersey source income included in the trust's gross income. You must however, include such income in Column A.

Line 47C - Tax Paid on Behalf of Estate or Trust by Partnerships and Distributed

Enter on this line the total tax paid on behalf of the estate or trust by partnerships which was distributed to nonresident beneficiaries or grantor. Also enter this amount on Page 2, Line 31b.

SCHEDULE E - Credit for Income or Wage Taxes Paid by New Jersey Estates or Trusts to Other Jurisdictions

A resident estate or trust may be eligible for a tax credit against its New Jersey tax if its income is from sources outside New Jersey and is subject to both New Jersey income tax and the income tax or wage tax imposed by another state of the United States or political subdivision of such state or by the District of Columbia. The fiduciary must complete this schedule to be allowed the credit.

Note: New Jersey does not require that a copy of the income tax return(s) filed with the other jurisdiction(s) be submitted with Form NJ-1041. However, taxpayers should retain complete copies of any returns filed with other jurisdiction(s), including Electronic Filing Income Tax Returns and associated schedules and worksheets which establish the nature and source of the income being taxed by the other jurisdiction. If the fiduciary return is audited, the taxpayer will be asked to submit copies of these or other documents.

Line 48 - Income Actually Taxed by Other Jurisdiction

Enter on this line the amount of income earned during the taxable year, after the deduction of the actual amount of income distributed or required to be distributed, which was subject to tax by another jurisdiction and also reported on the New Jersey return and included in Schedule E, Line 49. Line 49 - Income Subject to Tax by New Jersey

Enter on this line the amount of income taxed by New Jersey from Page 1, Line 16 (Total Income).

Line 50 - Maximum Allowable Credit

To compute the amount to be entered on this line divide the income taxed by New Jersey (Schedule E, Line 49) into income taxed by the other jurisdiction (Schedule E, Line 48) and multiply the result by the New Jersey tax (Page 2, Line 25). This is the amount of maximum allowable credit.

Line 51 - Income Tax Paid to Other Jurisdiction

Enter on this line the total amount of income or wage tax paid to the other jurisdiction on the amount of income indicated at Schedule E. Line 48.

Line 52 - Credit Allowed

Enter on this line the *lesser* of Schedule E, Line 50 (maximum allowable credit) or Schedule E, Line 51 (income or wage tax paid to other jurisdiction). Also enter this amount on Page 2, Line 26.

SCHEDULE F - Allocation of Business Income to New Jersey

Schedule F must be used by nonresident taxpayers who are required to complete and enclose a Gross Income Tax Business Allocation Schedule (Form NJ-NR-A). This schedule is completed only by nonresidents carrying on business both inside and outside New Jersey. See the instructions for Form NJ-NR-A below.

SCHEDULE G - New Jersey Income of Nonresident Estates and Trusts

The New Jersey income tax liability of a nonresident estate or trust is based on the percentage of its total income which comes from New Jersey sources. Tax is computed on income from all sources and then prorated according to the ratio that New Jersey income bears to income from both inside and outside New Jersey.

Nonresident estates must report their income from all sources (both inside and outside New Jersey) on Lines 6-13 of Form NJ-1041 and their income from New Jersey sources on Lines 1-8 of Schedule G. These figures cannot be copied from figures reported on the Federal return.

Complete Schedule G before completing Line 16a of Form NJ-1041. If you complete Schedule G, be sure to enclose it with your completed Form NJ-1041.

Lines 1-8 Income From New Jersey Sources

For each of the various categories of income, enter the portion of the estate's or trust's income received during the taxable year that comes from New Jersey sources.

Important: For every entry on Lines 6–13 of Form NJ-1041, there should be an entry on the corresponding line on Schedule G. If none of the income in a particular category is from New Jersey sources, enter "0" on the appropriate line on Schedule G.

Income or losses which a nonresident estate or trust receives from a business entity (i.e., sole proprietorship, partnership, LLP, or LLC) located in New Jersey will not be deemed to be derived from New Jersey sources if the business entity's sole activity is the purchase, holding, or sale of intangible personal property, such as commodities or securities, and such intangible personal property is not held for sale to customers. You must, however, include such income on the appropriate line of Form NJ-1041.

A nonresident estate or trust which carries on business both inside and outside New Jersey must allocate business income to determine the amount of income from New Jersey sources. Complete and enclose a separate Business Allocation Schedule (Form NJ-NR-A) for each business required to allocate. Also complete Schedule F on Page 3 of Form NJ-1041.

Line 9 - Total Income From New Jersey Sources

INSTRUCTIONS FOR SCHEDULE NJK-1

Beneficiaries are subject to New Jersey gross income tax on the net income from an estate or trust actually distributed or required to be distributed during the taxable year. The fiduciary of an estate or trust must provide each beneficiary with a New Jersey Schedule NJK-1, Form NJ-1041 listing the total income distributed and the New Jersey source income distributed.

Prepare a Schedule NJK-1 for each beneficiary using the information listed on Schedule D, Form NJ-1041, Beneficiaries' Shares of Income.

Tax Paid by Partnerships can only be distributed to a nonresident beneficiary or grantor and can only be claimed on a nonresident beneficiary's or grantor's income tax return.

Do not include distributions of New Jersey tax-exempt income or corpus distributions.

Include the NJK-1(s) with Form NJ-1041.

BUSINESS ALLOCATION SCHEDULE (FORM NJ-NR-A)

General Instructions

If business activities are carried on both inside and outside New Jersey, business income may be allocated to determine the amount of income from New Jersey sources. Carrying on business activities outside New Jersey means maintaining, operating, or occupying a regular place of business outside New Jersey, such as an office, shop, store, warehouse, factory, agency, or other place where the business's affairs are systematically and regularly conducted.

The business may not allocate income if it has only an occasional or isolated business transaction outside the State. Likewise, if the

business has no regular place of business outside New Jersey, it may not allocate income, even though its representatives travel outside the State for the purposes of performing duties connected with the trade or business, and make sales or perform services for persons or corporations located outside the State.

Be sure that Form N.J-NR-A is enclosed with Form N.J-1040NR, NJ-1041, or NJ-1065, and that the name and address on the Business Allocation Schedule agree exactly with the name and address on the return with which it is enclosed.

In Column (d) indicate whether the business rents or owns each location listed. Enclose additional sheets if necessary.

Section 2 - Average Values

Use Section 2 to determine the average values of your business assets. The average value of property owned is determined by adding (1) the book value of the property at the beginning of the taxable year and (2) the book value of the property at the end of the taxable year and dividing the sum by two.

The average value of property rented or leased is valued at eight times the annual rent. Rent includes any amounts paid in addition to, or accrued in lieu of, rent for the period covered by the return (such as interest, taxes, insurance, and repairs).

2007 New Jersey Tax Table for Form NJ-1041

Use this table if your taxable income on Line 22 is less than \$110,000. If your taxable income is \$110,000 or more, you must use the Tax Rate Schedule on page 19 of this booklet.

Example: Mr. Evans is filing a fiduciary return for his mother's estate. The taxable income on Line 22 of Form NJ-1041 is \$39,875. First he finds the \$39,850–\$39,900 income line. Next, he finds the column for "Your Tax Is:" and reads down the column. The amount shown where the income line meets the tax amount column is \$713. This is the tax amount to be entered on Line 25 of Form NJ-1041 (nonresidents, Line 23).
