Dear Taxpayer,
More and more New Jersey residents are discovering the benefits of paperless filing as the percentage of electronic income tax returns increases each year. Electronic filing through NJ WebFile, NJ E-File, and New Jersey Online Filing makes the process easier and more convenient for everyone. These choices are available to save you valuable time, so take a moment to read the electronic filing information on the inside front cover of this booklet to choose which method is best for you and your family.

We've focused a great deal of effort this year on improving how we communicate with the public by enhancing our mobile-friendly website and frequently updating our content. We also continue to find more ways to reach New Jerseyans through avenues such as our official Facebook page, Twitter feed, and YouTube channel, which features helpful and easy-tofollow videos to explain your tax return. We continually strive to make filing your taxes stress-free and more user-friendly. I'm sure you'll discover many useful nuggets of information when you visit us.

As you file your return, look for the "New for 2018" graphic throughout the instructions, which highlights this year's tax changes. I also want to point out some of the changes that may benefit you:

- Retirement Income Exclusion. The pension and/or other retirement income exclusion amount is being increased over a four-year period. This year, you may be eligible to exclude up to $\$ 60,000$ of retirement income - a 50 percent increase over last year. See page 21 for more information.
- Earned Income Tax Credit. Under a new law, the New Jersey Earned Income Tax Credit increases to 37 percent of the federal earned income credit for 2018 in the first of three scheduled increases. See page 39 for more information.
- Property Tax Deduction. A new law increases the maximum amount qualified homeowners and tenants are eligible to deduct for property taxes paid during the calendar year from $\$ 10,000$ to $\$ 15,000$. See page 25 for more information.
- Child and Dependent Care Credit. A new Child and Dependent Care Credit may benefit eligible resident taxpayers who are also allowed a federal credit for expenses incurred for the care of one or more qualifying individuals. The New Jersey tax credit is a percentage of the taxpayer's federal child and dependent care credit. The amount varies according to the amount of the taxpayer's New Jersey taxable income. See page 36 for more information.
- Wounded Warrior Caregivers Credit. The Wounded Warrior Caregivers Credit is for family caregivers of qualifying armed service members with physical disabilities. A qualified family caregiver is eligible for a credit equal to 100 percent of the federal veteran disability compensation, or $\$ 675$, whichever is less. See page 40 for more information... and thank you for your service.

## Which Form to File

Military personnel and their spouses/civil union partners, see page 44.

* A home is not permanent if it is maintained only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment). A home used only for vacations is not a permanent home.

New Jersey Residents Working/Living Abroad. Use the chart, "Which Form to File," above to determine if you are considered a New Jersey resident for tax purposes. New Jersey residents working or living abroad have the same filing and payment requirements as residents living in New Jersey.

Part-Year Residents. There is no part-year resident return. You may have to file both Form NJ-1040 to report income you received for the part of the year you were a resident and Form NJ-1040NR if you had income from New Jersey sources for the part of the year you were a nonresident.

## Things to Know Before You Begin Your 2018 NJ-1040

Check the following items to avoid mistakes that delay returns and refunds.

## When to File

In general, your New Jersey Income Tax return is due when your federal income tax return is due. If you are a calendar year filer, your 2018 New Jersey Income Tax return is due by April 15, 2019. Fiscal-year filers, see page 6.

## Postmark Date

All New Jersey Income Tax returns postmarked on or before the due date of the return are considered filed on time. Tax returns postmarked after the due date are considered filed late. If the postmark date on your return is after the due date, the filing date for that return is the date we received your return, not the postmark date.

## Extension of Time to File

There is no extension of time to pay your tax due - only to file. Penalties and interest will be charged if you pay your tax after April 15, 2019. (Military personnel and civilians providing support to the Armed Forces, see page 44.)

You can receive a six-month extension of time to file if you pay at least $80 \%$ of your tax liability (Line 43) through withholdings, estimated payments, or other payments by the original due date, and

- You enclose a copy of your federal Application for Automatic Extension, if filed by paper, and fill in the oval on the front of your NJ-1040; or
- You file Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by April 15, 2019. You can file an extension application online until 11:59 p.m., April 15, 2019, at www.njtaxation.org, or use the NJ-630 provided at the front of this booklet.

If you do not meet the requirements for an extension, or you do not file your return by the extended due date, we will deny your extension request and charge penalties and interest from the original due date of the return. (See "Penalties and Interest" on page 43.) You will not receive an approved copy of your extension request. We will notify you only if we deny your request, but not until after you actually file your return.

## Filling Out the Form Properly

- Use only a 2018 return for the 2018 Tax Year.
- Use only blue or black ink.
- Enter last name first on the return. This is different from the federal return.
- Use "State Wages" from Box 16 of your W-2, not federal wages (Box 1).
- Do not use dollar signs or dashes.
- Do not report a loss on Form NJ-1040 (see page 8).
- If a line does not apply to you, leave it blank. There is an exception for Use Tax, Line 50. See page 37.
- To request a refund, you must enter an amount on Line 75.

## Rounding

Instead of making dollars-and-cents entries on your return, you can round and use whole dollar amounts. If you round, do so for all lines, and enter " 00 " after the decimal for cents.

Round amounts of 50 cents or more up to the next whole dollar. For example, $\$ 26.78$ becomes $\$ 27.00$.
Round amounts of less than 50 cents down to the next whole dollar. For example, $\$ 13.45$ becomes $\$ 13.00$.
Round the total, not the amounts used to calculate the total. For example, the sum of $\$ 13.45$ and $\$ 46.24$ is $\$ 59.69$, which becomes $\$ 60.00$.

## Terms to Know

Domicile. A domicile is the place you consider your permanent home - the place where you intend to return after a period of absence (e.g., vacation, business assignment, educational leave). You have only one domicile, although you may have more than one place to live. Your domicile does not change until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey. Your home, whether inside or outside New Jersey, is not permanent if you maintain it only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment).

Principal Residence. A principal residence is a home you own or rent and actually occupy as your permanent residence. It does not include a vacation home, a "second home," or property you own and rent to someone else.

Spouse/Civil Union Partner. The term spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

## Line-by-Line Instructions

## Name and Address

Place the peel-off label from the front of this booklet in the name and address section at the top of the return. Do not use the label if any of the information is incorrect. If it has incorrect information or you do not have a label, print or type the information in the spaces provided. If you are filing jointly, include your spouse's name. Your refund and next year's form will be sent to the address you provide.

New for
2018 Foreign Address. Fill in the oval if your mailing address is outside the United States.
Change of Address. Fill in the oval if your address has changed since you last filed a New Jersey return or if any of the address information on your label is incorrect.

## Social Security Number

You must enter your Social Security number in the boxes provided on the return, one digit in each box. If you are filing jointly, enter both filers' numbers in the same order as the names.

If you (or your spouse) do not have a Social Security number, contact the Social Security Administration to apply for one. If you are not eligible for a Social Security number, contact the Internal Revenue Service to get an Individual Taxpayer Identification Number (ITIN). If you (or your spouse) applied for but have not received an ITIN by the return due date, enclose a copy of your federal Form W-7.

## County/Municipality Code

Enter the four-digit code of your current residence from the table on page 50 . Enter one digit in each box.

## Federal Extension Filed

Fill in the oval if you filed a federal Application for Automatic Extension.

## Enclose <br> Enclose a copy of the federal extension request with your return if you filed it by paper.

For more information on extensions, see page 4.

## Part-Year Residents

If you were a New Jersey resident for only part of the year, list the month and day in the tax year your residency began and the month and day in the tax year it ended. For example, if you moved to New Jersey August 4, 2018, enter 08/04/18 to 12/31/18.

You must file a return if your income for the entire year (not just your period of New Jersey residency) was more than the filing threshold for your filing status (see page 3). Only report income you earned while a New Jersey resident.

You must prorate exemptions, deductions, credits, pension, and other retirement income exclusions based on the number of months you were a New Jersey resident. For this calculation, 15 days or more is considered a month. If you received income from a New Jersey source while you were a nonresident, you must also file a New Jersey nonresident return.

## Fiscal Year Filers

If you are a fiscal year filer, you must file your New Jersey Income Tax return by the 15 th day of the fourth month following the close of the fiscal year.

Enter the month that your fiscal year ends in the boxes provided.

## Lines 1-5 - Filing Status

In general, you must use the same filing status as you do for federal purposes. Fill in only one oval.
Single. Your filing status is single if you were not married or a partner in a civil union on the last day of the tax year, and you do not qualify to file head of household or qualifying widow(er)/surviving CU partner.

Married/Civil Union Couples. If you are married and file a joint federal return, you must also file a joint New Jersey return. If you file separate federal returns, you must also file separate State returns. However, if you are a partner in a civil union, your filing status for New Jersey may not match your federal filing status.

If during the entire tax year one spouse was a resident and the other a nonresident, the resident can file a separate New Jersey return. The resident calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint return, but in that case, your joint income would be taxed as if you both were residents.

If you are filing separately, enter your spouse's Social Security number in the boxes provided.
Note: You can file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.
Head of Household. You can use this filing status if you meet the requirements to file as head of household for federal purposes. For more information, visit the IRS website at www.irs.gov.

Qualifying Widow(er)/Surviving CU Partner. You can use this filing status if your spouse died in 2016 or 2017 and you meet the requirements to file as Qualifying Widow(er) with Dependent Child for federal purposes. For more information, visit the IRS website at irs.gov.

Fill in the oval indicating the year in which your spouse died.
Civil Unions. Partners in a civil union must file their New Jersey Income Tax returns using the same filing statuses as spouses under New Jersey Gross Income Tax Law. If you are a partner in a civil union, your New Jersey filing status may not match your federal filing status.

For more information, see Tax Topic Bulletin GIT-4, Filing Status.

## Exemptions - Lines 6-12

Fill in the ovals that apply. For each line, enter a total in the boxes to the right and complete the calculation. The number of exemptions you are claiming must be entered in the boxes or the exemption(s) will be disallowed. The number of ovals filled in must equal the number of exemptions claimed.

## Line 6 - Regular Exemptions

You can claim a $\$ 1,000$ exemption for yourself and your spouse/CU partner (if filing a joint return) or your Domestic Partner.
Note: The domestic partnership must be registered in New Jersey by the last day of the tax year. You can only claim your domestic partner if he or she does not file a New Jersey return. You must enclose a copy of your Certificate of Domestic Partnership the first time you claim the exemption.

## Line 7 - Senior 65+

You can claim a $\$ 1,000$ exemption if you were 65 or older on the last day of the tax year (born in 1953 or earlier). If you are filing jointly, your spouse can take a $\$ 1,000$ exemption if he or she was 65 or older on the last day of the tax year. You cannot claim this exemption for your domestic partner or dependents.

You must enclose proof of age such as a copy of a birth certificate, driver's license, or church records the first time you claim the exemption(s).

## Line 8 - Blind or Disabled

You can claim a $\$ 1,000$ exemption if you were blind or disabled on the last day of the tax year. If you are filing jointly, your spouse can take a $\$ 1,000$ exemption if he or she was blind or disabled on the last day of the tax year. You cannot claim this exemption for your domestic partner or dependents.

You must enclose a copy of the doctor's certificate or other medical records evidencing legal blindness or total and permanent disability the first time you claim the exemption(s).

## Line 9 - Veteran Exemptions

You can claim a $\$ 3,000$ exemption if you are a military veteran who was honorably discharged or released under honorable circumstances from active duty any time before the last day of the tax year. If you are filing jointly, your spouse can also take this exemption if he or she is a military veteran who meets the requirements. You cannot claim this exemption for your domestic partner or dependents.

You must provide official documentation showing that you were honorably discharged or released under honorable circumstances from active duty the first time you claim the exemption(s). Your documentation must list your character of service (discharge).

A list of acceptable documentation and ways to submit it is available on our website at www.njtaxation.org.

## Line 10 - Qualified Dependent Children

You can claim a $\$ 1,500$ exemption for each child who qualifies as your dependent for federal tax purposes.

## Line 11 - Other Dependents

You can claim a $\$ 1,500$ exemption for each other dependent who qualifies as your dependent for federal tax purposes.

## Line 12 - Dependents Attending Colleges

You can claim an additional $\$ 1,000$ exemption for each dependent student if all the requirements below are met. You cannot claim this exemption for yourself, your spouse, or your domestic partner.

- Student must be claimed as a dependent on Line 10 or 11 .
- Student must be under age 22 on the last day of the tax year (born 1997 or later).
- Student must attend full-time. Full-time is determined by the school.
- Student must spend at least some part of each of five calendar months of the tax year at school.
- The educational institution must be an accredited college or post-secondary school, maintain a regular faculty and curriculum, and have a body of students in attendance.
- You must have paid one-half or more of the tuition and maintenance costs for the student. Financial aid received by the student is not calculated into your cost when totaling one-half of your dependent's tuition and maintenance. However, the money earned by students in College Work Study programs is income and is taken into account.

## Line 13 - Total Exemption Amount

Add the amounts on Lines 6 through 12 and enter the total. Add the amounts from the lines, not the numbers in the boxes.

## Line 14 - Dependent Information

Enter the full name, Social Security number, and birth year for each dependent child or other dependent you claimed on Line 10 or 11. Fill in the oval for each dependent who does not have health insurance coverage (including NJ Family Care/Medicaid, Medicare, private, or other health insurance) on the date you file the return.

Enter the same Social Security number, Individual Taxpayer Identification Number (ITIN), or Adoption Taxpayer Identification Number (ATIN) for each dependent that you entered on your federal return. If you do not provide a valid Social Security number, ITIN, or ATIN for a dependent, the exemption will be denied.

If you have more than four dependents, enter the information for your first four dependents on the lines provided. Enclose a statement listing the information for your additional dependents.

Note: If you qualify for the New Jersey Earned Income Tax Credit (see instructions for Line 56) and you listed a "qualifying child" on your federal Schedule EIC who is not claimed as your dependent for New Jersey purposes, you must enter the child's name, Social Security number, and birth year.

## Income Lines 15-26

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law. You must report taxable income from everywhere, whether from inside or outside the State (worldwide). Report all income on the proper lines. For example, do not enter pension income on the wage line.

Accounting Method. Use the same accounting method for New Jersey Income Tax that you used for federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for federal purposes.

Reporting Losses. If you have a net loss in any category of income, remember the following:

- You cannot report a loss on your NJ-1040 (e.g., in parentheses or as a negative number).
- You can net losses with gains in the same category of income. For example, you can subtract gambling losses from gambling winnings during the tax year.
- You cannot apply a net loss in one category of income against income or gains in a different category on your NJ-1040. For example, you cannot subtract gambling losses from your wages.
- If you have a net loss in any income category, make no entry on that line of your NJ-1040. Do not enter zero. Do not enter the amount of the loss in parentheses or as a negative number.
- No carryback or carryover of losses is allowed when reporting income on your NJ-1040.

Income Taxed by Another Jurisdiction. If you have income that is taxed both by New Jersey and another jurisdiction outside New Jersey, you may be eligible for a credit against your New Jersey tax. (See instructions for Line 42.)

## Line 15 - Wages, Salaries, Tips, etc.

Enter the total of State wages, salaries, tips, bonuses, commissions, etc. from all employment both inside and outside New Jersey. Take the amount from Box 16 of your W-2 (see sample on page 11). If you were employed outside New Jersey, you may need to adjust your wages to reflect New Jersey tax law. Include all payments whether in cash, benefits, or property.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than $401(\mathrm{k})$ Plans) are included in State wages on the W-2 in the year the wages are earned. This may cause your State wages (Box 16) to be higher than your federal wages (Box 1).

Meals and/or Lodging. You can exclude meals and/or lodging reported as wages on your W-2 if:

1. The meals and/or lodging were provided on the business premises of your employer; and
2. The meals and/or lodging were provided for the convenience of your employer; and

For lodging only:
3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/or lodging from your wages, you must enclose a signed statement explaining how you met these conditions. If you do not enclose the statement, your wages will be changed back to the full amount shown on your W-2.

New Jersey State Police officers cannot exclude food and maintenance payments received as part of their union contract. These payments do not meet the criteria above.

Employee Business Expenses. Employee business expenses are not deductible for New Jersey tax purposes. However, you can exclude reimbursements for employee business expenses reported as wages on your W-2 if:

1. The reimbursements are for job-related expenses;
2. You are required to and do account for these expenses to your employer; and
3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you received excludable reimbursements for employee business expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons. Also enclose a copy of your federal Form 2106.

Federal Statutory Employees. If you are considered a "statutory employee" for federal tax purposes, you cannot deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The federal label of "statutory employee" has no meaning for New Jersey tax purposes. Business expenses can only be deducted from the business income of a self-employed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business) on page 18.

Moving Expenses. Moving expenses are not, and have never been, deductible for New Jersey Income Tax purposes. Therefore, the treatment of moving expenses was not affected by the recent elimination of the deduction for federal purposes. The tax treatment of these expenses for New Jersey purposes remains the same.

You can, however, exclude reimbursements for the following moving expenses if you met the federal requirements to claim moving expenses that were in effect on December 31, 2017, and the expenses were included in wages on your W-2:

1. The cost of moving your household goods and personal effects from the old home to the new home.
2. The actual expenses you incurred for traveling, meals, and lodging when moving yourself and your family from your old home to your new home.

Reimbursements for any other moving expense cannot be excluded from income.
If you received excludable reimbursements for moving expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons.

Compensation for Injuries or Sickness. Certain amounts received for personal injuries or sickness are not subject to tax. You can exclude such amounts included as wages on your W-2 if:

1. The payments were compensation for wage loss that resulted from absence due to your injury or sickness; and
2. The payments were due and payable under an enforceable contractual obligation under the plan; and
3. The payments were not related to sick leave wage continuation, which is largely discretionary and payments are made regardless of the reason for absence from work.
If such payments are included in wages on your W-2, enclose Form NJ-2440.

## Enclose

If you paid taxes to another jurisdiction on wages entered on this line, see the instructions for Line 42.
Part-Year Residents. You must determine from each W-2 the portion of your "State wages, tips, etc." (Box 16) that you earned while you were a New Jersey resident. If your W-2 includes only wages you earned while you were a resident, use the amount from Box 16. If your employer did not separate your resident and nonresident wages on the W-2, you must apportion the amount in Box 16 according to the time you lived in New Jersey. Include only the actual amount you earned while you were a resident.

If the total amount reported on a W-2 is for income from an out-of-state source while you were a nonresident, do not include that income on your resident return.

## Sample W-2 (This form is for illustration only and is not reproducible.)

## Line 16a - Taxable Interest Income

## Schedule NJ-DOP <br> Net Gains or Income From Disposition of Property

Report your capital gains and income from the sale or exchange of property. You can deduct the expenses of the sale and your basis in the property from the sales price. In general, when calculating your gain or loss, you will use the cost or adjusted basis that you used for federal purposes. However, if you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold $S$ corporation shares, you must use your New Jersey adjusted basis.

Sale of Principal Residence. Capital gain is calculated the same way as for federal purposes. Any amount that is taxable for federal purposes is taxable for New Jersey purposes. You may qualify to exclude all or part of the gain from your income. For more information on reporting capital gains for the sale of a principal residence, visit the IRS website at irs.gov.

Installment Sales. You must report all gains from installment sales in the same year as they are reported for federal purposes. If the New Jersey basis is different from the federal basis, you must make a New Jersey installment sale calculation and report the New Jersey gain.

Depreciation and Expense Deduction. New Jersey and federal depreciation and expense deduction limits are different. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

Complete Liquidation. If you had an interest in a partnership, sole proprietorship, or $S$ corporation that sold or disposed of virtually all of its assets in conjunction with the complete
liquidation of the entity, you must report your portion of the gain or loss from the sale or disposition of those assets.

## Line 1: List of Transactions

List any New Jersey taxable transaction(s) as reported on your federal Schedule D, indicating the gain or loss for each transaction in Column f . In listing the gain or loss on disposition of rental property, you must take into consideration the New Jersey adjustment from Worksheet GIT-DEP, Part 1, line 6.

Do not include gains or losses from the sale of exempt obligations. See Tax Topic Bulletin GIT-5, Exempt Obligations.

There is no distinction between active and passive losses for New Jersey purposes. You cannot carry back or carry forward such losses when reporting income on Form NJ-1040. You can deduct federal passive losses in full in the year incurred against any gain within the same category of income, but only in the year that it occurred.

## Line 2: Capital Gains Distributions

Enter your capital gains distributions from Form 1099-DIV(s) or similar statement(s). Do not include capital gains from a New Jersey Qualified Investment Fund that are attributable to qualified exempt obligations or gains from mutual funds to the extent attributable to federal obligations. For more information on New Jersey Qualified Investment Funds, see Tax Topic Bulletin GIT-5, Exempt Obligations.

## Line 3: Other Net Gains

Enter the net gains or income less net losses from disposition of property not included on Lines 1 or 2 of Schedule NJ-DOP.

## Line 4: Net Gains

Line 19, Form NJ-1040. If the netted amount is a loss, enter zero here and make no entry on Line 19, Form NJ-1040.

Part-Year Residents. Include only the amounts you received while you were a resident of New Jersey.

## Line 20a - Pensions, Annuities, and IRA Withdrawals

Retirement income such as pensions, annuities, and certain IRA withdrawals is taxable in New Jersey. The New Jersey taxable amount may be different from the federal amount. Enter the taxable portion on Line 20a.

Common types of taxable retirement income:

- Pensions from the private sector
- Federal, state, and local government, and teachers' pensions
- Keogh Plan distributions
- 401(k) Plan distributions
- Early retirement benefits
- Amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065
- Civil Service pensions and annuities, even if based on credit for military service. These are received from the U.S. Office of Personnel Management.

Common types of nontaxable retirement income (do not report on this return):

- Social Security benefits
- Railroad Retirement benefits
- Public or private disability pension benefits until the year you turn 65 . Beginning with the year you turn 65 , the benefits are treated as ordinary pension income.
- U.S. Military pensions and survivor's benefit payments (Most are received from the U.S. Department of Finance and Accounting Service.)

Part-Year Residents. Include only the taxable amounts you received while you were a resident of New Jersey.

## Types of Retirement Plans

Retirement plans are either noncontributory or contributory.
Noncontributory. You made no contributions to your plan. Amounts you receive from these plans are fully taxable. Enter the amount from your 1099-R on Line 20a.

Contributory (Other Than IRA). You made contributions to your plan. Contributions are usually made through payroll deductions and, in general, are taxed when they are made. Contributions made to a retirement plan (other than a $401(\mathrm{k})$ Plan) prior to moving to New Jersey are considered to have been previously taxed. These plans also may include employer contributions and earnings, which have not been taxed.

Since you have already been taxed on your contributions, you must determine which portion of your distribution is taxable and which is excludable. There are two methods of calculating the taxable and excludable amounts: Three-Year Rule Method and General Rule Method. To determine which method to use, complete Worksheet A on page 15 the year you begin receiving pension and annuity payments.

Note: If you received a distribution from a $401(\mathrm{k})$ Plan, do not complete Worksheet A. See the section on $401(\mathrm{k})$ Plans on page 17. If you made a withdrawal from an IRA, do not complete Worksheet A or B. Instead, complete Worksheet C. See the section on IRAs on page 17 .

## Worksheet A <br> Which Pension Method to Use

1. Amount of pension you will receive during the first three years ( 36 months) from the date of the first payment ..... 1.
2. Your contributions to the plan ..... 2.
3. Subtract line 2 from line 1 ..... 3.(a) If line 3 is " 0 " or more, and both you and your employer contributed to the plan, you can use the Three-Year Rule Method.(b) If line 3 is less than " 0 ," or your employer did not contribute to the plan, you must use the General Rule Method.
(Keep for your records)

Three-Year Rule Method. Use this method if you will recover all your contributions within 36 months from the date you receive your first payment from the plan, and both you and your employer contributed to the plan.

Do not report pension and annuity payments as income on Line 20a until you have recovered all of your contributions. Instead, report these amounts on Line 20 . Once you have recovered your contributions, the payments you receive are fully taxable and must be reported on Line 20a.

General Rule Method. You must use this method if you will not recover your contributions within 36 months from the date you receive your first payment from the plan or if your employer did not contribute to the plan. Part of your pension is excludable and part is taxable every year. The excludable amount represents your contributions. Complete Worksheet B in the year you receive your first payment from the plan and keep it for your records. You will need it for calculations in future years. Recalculate the percentage on line 3 of Worksheet B only if your annual pension payments decrease.

If life expectancy is a factor under your plan, you must use federalactuarial tables to calculate the expected return. The federal actuarial tables are contained in the Internal Revenue Service's Publi-cation 939, General Rule for Pensions and Annuities. Contact the IRS for this publication. If life expectancy is not a factor underyour plan, the expected return is found by totaling the amounts to be received.
(Keep for your records)

## Lump-Sum Distributions and Rollovers

When you receive a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan, any amount that exceeds your previously taxed contributions must be included in your income in the year received. New Jersey has no provision for income averaging of lump-sum distributions. Report the taxable amount on Line 20a and the excludable amount on Line 20 b .

If you roll over a lump-sum distribution from an IRA or a qualified employee pension or annuity plan into an IRA or other eligible plan, do not report the rollover on Line 20a or 20b if it qualifies for deferral for federal tax purposes. The amount rolled over (minus previously taxed contributions) will be taxable when it is withdrawn.

## 401(k) Plans

1. Contributions made on or after January 1, 1984, were not taxed when they were made. If all of your contributions were made on or after that date, your distributions are fully taxable unless your contributions exceed the federal limit. If your contributions exceed the federal limit, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.
2. Contributions made before January 1, 1984, were taxed when they were made. If you made contributions before that date, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.

For more information on pension and annuity income, see Tax Topic Bulletin GIT-1, Pensions and Annuities.

## IRAs

Your IRA consists of contributions, earnings, and certain amounts rolled over from pension plans. In general, your contributions were taxed when they were made and are not taxable when you make a withdrawal. All the earnings and any amounts rolled over tax-free are taxable when withdrawn.

Use Worksheet C to calculate the taxable and excludable portions of your IRA withdrawal. If you made withdrawals from multiple IRAs, you can use a separate worksheet for each or combine all IRAs on one worksheet.

Lump-Sum Withdrawal. If you withdraw the total amount from an IRA, all the earnings and any amounts rolled over tax-free are taxable. You must report these amounts in the year you make the withdrawal.

Periodic Withdrawals. If you make withdrawals over a period of years, the part of the annual distribution that represents earnings is taxable. The amount taxable for New Jersey purposes may be different from the amount you report on your federal return.

For more information on IRA withdrawals, see Tax Topic Bulletin GIT-2, IRA Withdrawals.

## Roth IRAs

Your contributions to a Roth IRA were taxed by New Jersey when they were made. Distributions from a Roth IRA that meet the requirements of a qualified distribution are excludable. Do not include qualified distributions on Form NJ-1040. If you received a nonqualified distribution, you must report the earnings on Line 20a, and report the excludable portion on Line 20b. A distribution that is considered nonqualified for federal purposes is also considered nonqualified for New Jersey purposes.

If you converted an existing IRA to a rollover Roth IRA during Tax Year 2018, any amount from the existing IRA that would be taxable if withdrawn must be included on Line 20a.

For more information on Roth IRAs, see Technical Bulletin TB-44.

## Line 20b - Excludable Pensions, Annuities, and IRA Withdrawals

Enter the excludable portion of any distribution you received from a contributory pension, annuity, or IRA. This is the amount that represents your previously taxed contributions.

Three-Year Rule Method. Include the full amount received until you have recovered all of your contributions.
General Rule Method. Include the amount from Worksheet B, line 5.
IRA withdrawal. Include the amount from Worksheet C , line 8 . If you converted an existing IRA to a rollover Roth IRA, report the excludable portion on this line.

Lump-Sum Distribution. If you received a lump-sum distribution from a pension, annuity, or IRA, report the excludable portion on this line.

For more information, see Tax Topic Bulletin GIT-1, Pensions and Annuities, or Tax Topic Bulletin GIT-2, IRA Withdrawals.

If you meet the eligibility requirements, complete Line 38a, and either Line 39 or 54.

Note: Contact your building manager or the municipal tax collector if you are not sure whether the place you live is subject to property taxes.

## Eligibility Requirements:

- You were domiciled and maintained a principal residence as a homeowner or tenant in New Jersey during 2018.
- Your principal residence, whether owned or rented, was subject to property taxes that were paid either as actual property taxes or through rent.
- If you rented your principal residence, it had its own separate kitchen and bathroom that you did not share with occupants of other units in the building.
- If your principal residence was a unit in a multiunit property you owned, the property had no more than four units, and no more than one of those was a commercial unit.
- Your income on Line 29 is more than the filing threshold amount for your filing status (see page 3). If you (and/or your spouse if filing jointly) were 65 or older or blind or disabled on the last day of the tax year and you were not required to file a return, see "Seniors or Blind/Disabled Persons Not Required to File Form NJ-1040" below.

You are not eligible for a deduction or credit:

- For a vacation home, second home, or any other property you do not reside in permanently.
- If you are a disabled veteran with a $100 \%$ exemption from property taxes on your principal residence. (However, if part of the property was rented to a tenant, the tenant may be eligible.)
- If you were a homeowner who made P.I.L.O.T. (Payments-In-Lieu-of-Tax) payments.
- If you were a tenant in a tax-exempt property (e.g., subsidized and campus housing, property owned by nonprofit organizations, residence on which P.I.L.O.T. payments were made).

## Seniors or Blind/Disabled Persons Not Required to File Form NJ-1040

If you are filing Form NJ-1040, do not complete Line 39 or Line 54. Information on the Homestead Benefit is available on our website at www.njtaxation.org.

## Line 38a - Total Property Taxes (18\% of Rent) Paid

If you met the eligibility requirements above, read the following to determine the correct amount to enter on Line 38a.
Multiowner Properties. If you owned your principal residence with someone who was not your spouse, you can use only the amount of property taxes paid that reflects your percentage of ownership in the property, even if you were the only one who occupied the property and you paid all the taxes.

Multiunit Properties. If your principal residence was a unit in a multiunit property that you owned, you can use only the property taxes paid for the percentage of the property you occupied.

- The unit must be a single, separate dwelling unit with complete independent living facilities. There must be permanent provisions for living, sleeping, eating, cooking, and sanitation. The unit must have a separate kitchen and bathroom.
- The property must contain four units or less, and no more than one of those units can be a commercial unit.

Condominiums and Co-ops. Condominiums and co-ops are considered single-family homes. For tax purposes, they are not multiunit properties.

Continuing Care Communities. If you pay the proportionate share of property taxes attributable to your unit, you are considered a homeowner.

Life Tenancy. If you have life tenancy rights or hold a lease for 99 years or more, you are considered a homeowner.
Mobile Homeowners. You are considered a tenant if you owned a mobile home that was located in a mobile home park. Property taxes paid means $18 \%$ of the site fees paid for 2018.

Answer the following questions before completing Line 38a:

| Did you have more than one principal residence in New Jersey during the year?..................... | Yes | $\bigcirc$ | No | $D$ |
| :---: | :---: | :---: | :---: | :---: |

| Were you both a homeowner and a tenant in New Jersey during the year?.............................. | Yes | $\bigcirc$ | No | $D$ |

If you answered "Yes" to any question above, complete Worksheet G on page 28 to determine the amount to report. See instructions below.

If you answered "No" to all the questions above, report the property taxes due and paid as follows:

## Tenants

Enter $18 \%$ of the rent paid for 2018 . This is the amount that is considered property taxes. If you were a mobile homeowner, enter $18 \%$ of the site fees paid for 2018.

## Homeowners

Enter the amount of property taxes due and paid to the municipality on your principal residence for 2018.
Homestead Benefit Recipients. If you received a Homestead Benefit as a credit on your 2018 property tax bill (not as a check), calculate your property taxes paid as follows:

Property taxes paid on your principal residence for 2018 + your Homestead Benefit credit
If you received a Homestead Benefit as a check, use the amount of property taxes due and paid on your principal residence for 2018.
If you need information on your Homestead Benefit payment, visit www.njtaxation.org or call 1-888-238-1233.
Married, Filing Separately. If you and your spouse file separate returns but maintained the same principal residence, enter on Line 38a only one-half of the property taxes (one-half of $18 \%$ of rent) due and paid.

Part-Year Residents. Only include amounts due and paid while you were a resident of New Jersey.

## Worksheet G

## Part I - Homeowners

## Principal Residences Owned in New Jersey (Lines

## 1-3)

List the address of each qualified New Jersey residence you owned and occupied as your principal residence during 2018. Complete columns a through e for each address. If you lived for part of the year in a residence that was not a qualified residence, do not include any information for that residence. For example, you owned a five-unit property and used one of the units as your principal residence.

If you were both an owner and a tenant at the same address, enter the required information in both Part I and Part II.

## Column a

Enter the number of days you owned and occupied this home as your principal residence in 2018. If this was your residence all year, enter 365. The total number of days in Part I and Part II cannot be more than 365 .

## Column b

Enter the share (percentage) of this property you (and your spouse) owned. Enter the figure as a decimal. If you (and your
spouse) were the sole owner(s), enter 1.00 for $100 \%$. If you owned $50 \%$ of the property with someone who was not your spouse, you would enter 0.50 . You must enter your percentage of ownership even if there are multiple owners and you were the only one who occupied the property and you paid all the taxes.

Example: You and your wife owned a single-family home with your sister. You lived in the home with your wife. Your sister did not live with you, and you and your wife paid all the property taxes. You must enter 0.50 because you and your wife owned only one-half $(50 \%)$ of the property.

## Column c

If this property consisted of more than one unit, enter the share (percentage) of the property you (and your spouse) used as your principal residence. Enter the figure as a decimal. For example, enter $25 \%$ as 0.25 . The units in a multiunit property are considered equal in size unless the local tax assessor has determined they are not equal.

Example: You owned a four-unit property. The units were equal in size, and one of the units was your principal residence. You must enter 0.25 because you occupied one-fourth ( $25 \%$ ) of the property as your principal residence.

## Column d

Enter the total property taxes paid on this property for 2018 for the period indicated in column a. If you received a Homestead Benefit, see "Homestead Benefit Recipients" on page 27.

## Column e

Multiply the decimal in column c by the property tax amount in column d. If there is no figure in column c , use the decimal in column b. Enter the result in column e.

Example: Total property taxes paid were $\$ 2,000$. Column b is 1.00 , and column c is 0.50 . The calculation for column e is $0.50 \times \$ 2,000=\$ 1,000$.

If the amount on line 7 is $\$ 50$ or more ( $\$ 25$ if you and your spouse file separate returns but maintained the same principal residence), you will receive a greater benefit by taking the Property Tax Deduction.

If the amount on line 7 is less than $\$ 50$ ( $\$ 25$ if you and your spouse file separate returns but maintained the same principal residence), you will receive a greater benefit by taking the Property Tax Credit. Follow the instructions on Worksheet H for completing Lines 39, 40, 41, and 54, Form NJ-1040.

Part-Year Residents. You can claim a deduction or credit for property taxes or $18 \%$ of rent due and paid during the time you were a resident. Compare the prorated amount to line 7 , and if the credit is more beneficial, enter the prorated amount on Line 54.

## Schedule NJ-COJ Credit for Income or Wage Taxes Paid to Other Jurisdictions

Complete this schedule only if you had income from outside New Jersey that was taxed by another jurisdiction and subject to New Jersey Income Tax in the same tax year. The credit reduces your New Jersey tax based on the percentage of income that was taxed by other jurisdictions. It is not necessarily a dollar-for-dollar credit. You cannot take a credit for taxes paid to the U.S. Government, Puerto Rico, or any other country or territory.

Compensation From Pennsylvania. There is a Reciprocal Personal Income Tax Agreement between New Jersey and Pennsylvania. Compensation (salaries, wages, tips, fees,
commissions, bonuses, and other payment for services rendered as an employee) paid to New Jersey residents employed in Pennsylvania is not subject to Pennsylvania income tax. Therefore, you cannot claim a credit for taxes paid to Pennsylvania on that type of income. However, other types of income (e.g., self-employment, gain from sale of property) are not covered by the agreement and may be eligible for the credit. The Reciprocal Agreement does not apply to the wage or income tax of Philadelphia or any other municipality in Pennsylvania.

Different jurisdictions tax the same income. You may need to complete more than one Schedule NJ-COJ. See "Same Income Taxed by More Than One Jurisdiction" below.

Different jurisdictions tax different income. You must complete a separate Schedule NJ-COJ for each jurisdiction. For more information, see Tax Topic Bulletin GIT-3W, Credit for Income Taxes Paid to Other Jurisdictions (Wage Income), or GIT-3B, Credit for Income Taxes Paid to Other Jurisdictions (Business/Nonwage Income).

Jurisdiction imposes more than one type of tax. You may need to complete a separate Schedule NJ-COJ for each type of tax. For more information, see Tax Topic Bulletin GIT-3W, Credit for Income Taxes Paid to Other Jurisdictions (Wage Income), or GIT-3B, Credit for Income Taxes Paid to Other Jurisdictions (Business/Nonwage Income).

Property Tax Deduction/Credit (Worksheet I). If you are eligible for a Property Tax Deduction or Credit (see requirements on page 26), complete Schedule NJ-COJ, and then complete Worksheet I on page 34 to determine whether you receive a greater benefit from the Property Tax Deduction or the Property Tax Credit. If you are claiming a credit for taxes paid to another jurisdiction but you are not eligible for a Property Tax Deduction or Credit, only complete Column B of Schedule NJ-COJ.

Documentation. Keep complete copies of any returns filed with other jurisdictions. You may be asked to provide the following:

- A complete copy of the income tax return filed with the other jurisdiction if one was filed or required to be filed. Include all schedules, worksheets, etc. that establish the nature and source of the income being taxed by the other jurisdiction.
- If you participated in a composite return filed in another jurisdiction, submit a statement, on the filing entity's letterhead, that lists the jurisdiction, your share of the gross income taxed by the other jurisdiction, and your share of the tax paid.
- If you do not have to file a return with the other jurisdiction, include either a W-2 that lists the wage taxes paid and the name of the taxing jurisdiction, or a statement from the business entity that filed an incomebased tax return. The statement must include your share of the gross income taxed by the other jurisdiction, the name of the tax, and your share of the tax paid.

## Line 1 - Income Properly Taxed by Both New Jersey and Other Jurisdiction

Only include income that meets all of the following criteria when completing Line 1 :

1. The income must be taxed by both New Jersey and a jurisdiction outside New Jersey, and
2. The income must have been properly taxed by the other jurisdiction, and
3. The amount of each item of income taxed by the other jurisdiction cannot be more than the amount of that item of income taxed by New Jersey, and
4. The income cannot be deemed allocated to New Jersey.

Enter the gross amount received after adjustments have been made by the other jurisdiction, but before personal exemptions and/or itemized deductions are subtracted. For an accurate income figure, first complete the tax return for the state in which you worked. Any income included on Line 1 must also be included on Line 2 since the income has to be taxed by both New Jersey and the other jurisdiction. Therefore, the amount on Line 1 cannot be more than the amount on Line 2. Also enter the name of the taxing jurisdiction in the space provided.

Do not include on Line 1:

- Income that is not subject to New Jersey Income Tax (e.g., unemployment compensation).
- Income excluded or deducted in arriving at the income actually taxed in the other jurisdiction (e.g., IRA/Keogh contributions, employee business expenses, moving expenses, alimony).
- Interest, dividends, gains on sales of securities, and other income from intangible personal property (savings accounts, stocks, bonds) unless (1) the income was derived from a business, trade, or profession carried on in the other jurisdiction, or (2) you are required to file a resident return with both New Jersey and the other jurisdiction and report the income on both returns.
- Income subject to tax by a foreign country, U.S. possession, or territory.
- S corporation income allocated to New Jersey.
- Partnership income allocated to New Jersey.
- 401(k) contributions.

Same Income Taxed by More Than One Jurisdiction. If you pay tax to two jurisdictions on the same income, and the jurisdictions tax the same amount of income, complete only one Schedule NJ-COJ. Example: You have wages that are taxed by both City A and State B. Both the city and the state tax the full amount of your wages. Complete one Schedule NJ-COJ, reporting the full amount of wages.

However, if the jurisdictions tax different amounts of income, complete a separate Schedule NJ-COJ for each amount. On the first schedule, include the income amount taxed by both jurisdictions. On the second schedule, include only the difference in the two amounts. Example: You have \$150,000 in income from a business in city Y , which is in state Z . You report the entire amount on your New Jersey return. State Z

## Worksheet I <br> Which Property Tax Benefit to Use

5. Is the line 4 amount $\$ 50$ or more ( $\$ 25$ if you and your spouse file separate returns but maintained the same principal residence)? Part-year residents, see instructions for Line 9, Schedule NJ-COJ, on page 35 before answering "No."

taxed $\$ 120,000$ of the income and the tax on that amount was $\$ 8,200$. City Y taxed $\$ 140,000$ of the income and the tax on that amount was $\$ 5,600$. Since the two jurisdictions taxed different amounts, you must complete two Schedule NJ-COJs.

First Schedule NJ-COJ: Indicate the jurisdiction as "city Y and state Z," and enter \$120,000 on Line 1. To determine the credit on that $\$ 120,000$, add together $\$ 8,200$ paid to state $Z$ and $\$ 4,800$ paid to city $Y$. $(\$ 4,800$ is the tax paid on $\$ 120,000$. You cannot use the full $\$ 5,600$ since that is the tax paid on $\$ 140,000$. You can use only the tax paid on the amount of income entered on Line 1.) Enter the total in Box 9a, Line 9. Compare the allowable credit calculated on Line 8, Schedule NJ-COJ to the amount in Box 9a $(\$ 13,000)$. The credit is the lesser of Line 8 or Box 9a.

Second Schedule NJ-COJ: Indicate the jurisdiction as "city Y ," and enter $\$ 20,000$ on Line 1 . This amount is the difference between the total amount taxed by city $\mathrm{Y}(\$ 140,000)$ and the amount that was already included on the first Schedule NJ-COJ $(\$ 120,000)$. Box 9 a will be $\$ 800$, the tax paid to city Y on $\$ 20,000$ of income.

S Corporation Income. If you paid income or wage taxes to another jurisdiction on $S$ corporation income that was also subject to New Jersey tax in the same tax year, you may be eligible for a credit. However, you cannot claim a credit for:

- Tax imposed by another jurisdiction on S corporation income allocated to New Jersey.
- Taxes paid or accrued on or measured by profits or income imposed on or paid on behalf of another person.
- Taxes attributable to distributions.

Income From New York. When claiming a credit for taxes paid to New York, the amount on Line 1 must reflect the "New York State Amount" actually taxed by New York from the New York IT-203. Certain adjustments may be necessary to determine the income actually taxed by New York. If you are subject to the New York tax on lump-sum distributions, complete separate Schedule NJ-COJs for the ordinary income and the lump-sum distribution.

Income From Philadelphia. The amount of income taxable to Philadelphia may be different from the State wages on your

W-2. Complete the following to determine the amount to enter on Line 1 .
A. $\frac{\text { Philadelphia Wage Tax Paid* }}{\text { Philadelphia Wage Tax Rate }}=$
B. Amount of Philadelphia wages included on Line 15, NJ-1040

*If you filed a Philadelphia Petition for Wage Tax Refund, you must subtract your refund from the Philadelphia wage tax paid.

Information about the Philadelphia wage tax rate is available on the City of Philadelphia's website at www.phila.gov.

Sole Proprietorships and Partnerships From Philadelphia. If you are a sole proprietor or partner in a partnership whose income is subject to Pennsylvania income tax and Philadelphia business income and receipts tax and net profits tax, you must consider the taxes paid (based on income) to all jurisdictions when calculating the credit. The Philadelphia business income and receipts tax imposes two taxes, one based on income and one based on gross receipts. Only the tax imposed based on income qualifies for the credit calculation.

Part-Year Residents. Enter on Line 1 only the income derived from the other jurisdiction during the period of time you were a New Jersey resident. The income must be actually and properly taxed both by the other jurisdiction and New Jersey.

## Line 2 - Income Subject to Tax by New Jersey

## Line 9 - Credit for Taxes Paid to Other Jurisdiction

If you adjusted the income on Line 1 of this schedule, enter only the tax paid on the adjusted amount.

For each column, enter on Line 9 the lesser of Line 8 or the amount in Box 9a.

## Military Personnel

A member of the Armed Forces whose home of record (domicile) is outside New Jersey does not become a resident of this State when assigned to a duty station here. He or she is a nonresident for Income Tax purposes.

A member of the Armed Forces whose home of record (domicile) is New Jersey is a resident for Income Tax purposes unless he or she is stationed outside New Jersey and:

- Paid for and maintained a permanent home outside New Jersey, either by out-of-pocket payments or forfeiture of quarters allowance, and
- Did not maintain a permanent home in New Jersey; and
- Did not spend more than 30 days in New Jersey.

As a New Jersey resident, you are subject to tax on all income, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. You must report your military pay, including combat pay, as taxable income on your return. Military pensions, mustering-out payments, subsistence and housing allowances are exempt.

## Death Related to Duty

When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no Income Tax is due for the year the death occurred, or for any earlier years served in the zone or area.

## Spouses of Military Personnel

If you are a nonmilitary spouse and you were domiciled outside New Jersey when you married (or entered into a civil union with) a member of the Armed Forces, you are not considered a New Jersey resident if:

- The principal reason for moving to this State was the transfer of your military spouse; and
- You maintain a domicile in another state; and
- You intend to leave New Jersey when your military spouse is transferred or leaves the service.

If you meet these requirements, do not file Form NJ-1040. You are not subject to tax on wages earned in New Jersey. Forces and civilians providing support to
the Armed Forces serving in an area that has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by federal statute.

Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return and pay tax due.
In addition, if you are hospitalized outside New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension also applies to your spouse if you file a joint return.

## Enclose document

Enclose a statement of explanation with your return when you file that includes the reason for the extension.
For more information on military personnel, see Tax Topic Bulletin GIT-7, Military Personnel.

- If you filed your original return and need to make changes or correct mistakes, you must file an amended return (NJ-1040X). Do not refile Form NJ-1040.

## Privacy Act Notification

The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers to administer and enforce all tax laws for which we are responsible. In addition, the Division is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and Social Security numbers of individuals who file a New Jersey tax return or Property Tax Credit/Wounded Warrior Caregivers Credit application. This list will be used to avoid duplication of names on jury lists. The Division also is required to transmit to the Department of Human Services (DHS) annually information from New Jersey tax returns that will permit DHS to identify individuals who do not have health insurance and who may be eligible for Medicaid or the NJ FamilyCare program.

## Federal/State Tax Agreement

## Taxpayers' Bill of Rights

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

## Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

## Appeals-

- Time to appeal to the Tax Court is generally 90 days.

## Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You can request that your overpayment of this year's tax be credited towards next year's tax liability; however, interest will not be paid on overpayments that are credited forward.

For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, see publication ANJ-1, New Jersey Taxpayers'Bill of Rights.

## Senior Gold Prescription Discount Program

Senior Gold Prescription Discount Program (Senior Gold) is a State-funded prescription program that helps eligible residents pay for prescribed legend drugs, insulin, and insulin supplies.

## Eligibility Requirements

You are eligible for Senior Gold if you meet the following requirements:

- You are a New Jersey resident;
- You are 65 or older or you are 18 or older and receiving Social Security Title II Disability benefits (you do not qualify if you are under age 65 and receiving these benefits on behalf of someone else);
- You meet certain income limits. The annual income limits for 2018 were between $\$ 27,189$ and $\$ 37,189$ if you are single or between $\$ 33,334$ and $\$ 43,334$ if you are married or in a civil union (Note: these limits may change for 2019); and
- If you are Medicare-eligible, you are required to enroll in a Medicare Part D Prescription Drug Plan of your choice. You will be responsible for paying the monthly premium directly to the Medicare Part D plan. You also will be responsible for paying any late enrollment penalty imposed by Medicare for each month you were eligible to enroll in Medicare Part D but did not enroll.

## Benefits

Senior Gold helps eligible New Jersey residents pay for prescription drugs, insulin, insulin needles and syringes, and needles for injectable medicines used for the treatment of multiple sclerosis. Only drugs approved by the Food and Drug Administration are covered. Drugs purchased outside the State of New Jersey are not covered, nor is any pharmaceutical product whose manufacturer has not agreed to provide rebates to the State of New Jersey. The Senior Gold card works together with Medicare Part D Prescription Drug Plans. Senior Gold can reduce out-of-pocket expenses associated with participation in Medicare Part D.
