## Definitions

Fiduciary means a guardian, trustee, executor, administrator, receiver, conservator, or any person acting in any trust or similar capacity.

The term estates refers only to the estates of deceased persons. The New Jersey Gross Income Tax liability for minors, persons adjudicated incompetent, or for any person who is suffering from some other legal disability must be calculated on the same form as that used for any other individual taxpayer, but it may be prepared in the name of the disabled individual and signed by the guardian or conservator.

## Who Must File a Return

## Resident Estates and Trusts

The fiduciary of every resident estate or trust must file a New Jersey Gross Income Tax Fiduciary Return (Form NJ-1041) if gross income, before exemptions or deductions, was more than $\$ 10,000$ (prorated for the number of months covered by a part-year return) during the tax year.

A resident estate or trust is not subject to New Jersey tax if it:

- Does not have any tangible assets in New Jersey;
- Does not have any income from New Jersey sources; and
- Does not have any trustees or executors in New Jersey.

However, the fiduciary must file Form NJ-1041 for such estate or trust, enclose a statement certifying that the estate or trust is not subject to tax, and check the box on line 26 .

## Resident estate or trust means:

(1) The estate of a decedent who at their death was domiciled in New Jersey; or
(2) A trust, or a portion of a trust, consisting of property transferred by will of a decedent who at their death was domiciled in New Jersey; or
(3) A trust, or portion of a trust, consisting of the property of:
(a) A person domiciled in New Jersey at the time such property was transferred to the trust, if such trust or portion of a trust was then irrevocable, or if it was then revocable and has not subsequently become irrevocable; or
(b) A person domiciled in New Jersey at the time such trust, or portion of a trust, became irrevocable, if it was revocable when such property was transferred to the trust but has subsequently become irrevocable.

For the purposes of the foregoing, domicile is the place an individual regards as their permanent home - the place to which they intend to return after a period of absence. A domicile, once established, continues until a new, fixed, and permanent home is acquired. No change of domicile results from moving to a new location if the intention is to remain only for a limited time even if it is for a relatively long duration.

A resident estate or trust does not include charitable trusts or trusts that are part of a pension or profit-sharing plan.

Revocable/Irrevocable Trust. A trust or portion of a trust is revocable if it is subject to a power, exercisable immediately or at any future time, to revest title in the person whose property constitutes such trust or portion of a trust, and a trust or portion of a trust becomes irrevocable when the possibility that such power may be exercised has been terminated.

Grantor Trust. Grantor trusts are required to file a New Jersey Gross Income Tax Fiduciary Return. If the grantor trust income is reportable by or taxable to the grantor for federal income tax purposes, it also is taxable to the grantor for New Jersey Income Tax purposes. (See the line-by-line instructions for distributions.)

Charitable Trust. A charitable trust is a trust operated exclusively for a religious, charitable, scientific, literary, or educational purpose. Income of a charitable trust is exempt from Income Tax. However, income received by a charitable trust that is not distributed or credited to its beneficiaries is subject to tax in the tax year of the trust. If the terms of the governing instrument of an estate or trust require any amount of income to be accumulated and added to the principal for ultimate distribution to any religious, charitable, scientific, literary, or educational organization and such income is permanently and irrevocably set aside for such purposes, it will be treated as having been paid, credited, or required to be distributed to the charitable beneficiary. The same treatment is afforded to any income required to be held in trust for the use of any charitable beneficiary or organization.

In general, income that is deemed to have been paid, credited, or required to be distributed to a beneficiary is taxable to such beneficiary. However, if the beneficiary is an exempt charitable organization, no tax will be imposed. This is true even if the income is permanently and irrevocably set aside in an invested income account.

## Nonresident Estates and Trusts

The fiduciary of every nonresident estate or trust that derived income from New Jersey sources must file a New Jersey Gross Income Tax Fiduciary Return (Form NJ-1041) if the gross income received from all sources (both inside and outside New Jersey) during the tax year was more than $\$ 10,000$ (prorated for the number of months covered by a part-year return) before exemptions or deductions.

A nonresident estate or trust does not include charitable trusts or pension or profit-sharing trusts. The residence of the fiduciary does not affect the nonresident classification of an estate or trust.

Gross income from sources within New Jersey for a nonresident estate or trust means those items of income and gain that are earned, received, or acquired from the following sources:

1. By reason of ownership or disposition of any interest in real or tangible personal property in New Jersey; or
2. In connection with a trade, profession, or occupation carried on in New Jersey or for the rendition of personal services performed in New Jersey; or
3. As a distributive share of the income of a business, profession, enterprise, undertaking, or other activity as the result of work done, services rendered, or other business activities conducted in New Jersey except as allocated to another state; or
4. From intangible personal property employed in a trade, profession, occupation, or business carried on in New Jersey; or
5. Income of a New Jersey S corporation allocated to New Jersey; or
6. Net gambling winnings from New Jersey sources, including New Jersey Lottery winnings from prize amounts exceeding $\$ 10,000$.

## Electing Small Business Trusts

A federal Electing Small Business Trust can make a New Jersey election to be taxed in the same manner as for federal tax purposes. See Form NJ-1041SB for election information, filing instructions, and tax forms.

## Period to be Covered by Return

The 2019 return filed by an administrator or an executor of an estate must cover the period from January 1, 2019, or fiscal year beginning in 2019, or the date of death of decedent (if death occurred after January 1,2019 ) to the end of the tax year selected by the fiduciary when appropriate. The 2019 return filed by a trustee of a trust must cover the period beginning January 1, 2019.

The tax year for the estate or trust must be the same as for federal income tax purposes. The tax year cannot be longer than 12 months. All income received by the executor, administrator, or trustee in the tax year must be reported on the return.

## When and Where to File

Form NJ-1041 must be filed on or before the 15 th day of the fourth month following the close of the tax year of the estate or trust.

Mail Form NJ-1041 with related enclosures, payment voucher, and check or money order for any tax due to the address below.
Send only one return per envelope.
Mail Form NJ-1041 to: State of New Jersey Division of Taxation Revenue Processing Center PO Box 888
Trenton NJ 08646-0888

## Payment of Tax

The balance of tax due must be paid in full by the original due date of the return. If the amount due is less than $\$ 1$, no payment is required. New Jersey Income Tax payments for Tax Year 2019
as well as estimated tax payments for 2020 can be made by check or money order, electronic check (e-check), or credit card.

Check or Money Order. Make the check or money order payable to "State of New Jersey - TGI" and write the federal employer identification number on it. Enter the payment for the balance due in the appropriate boxes on the payment voucher (Form NJ-1041-V). Send the check or money order and the payment voucher in the same envelope as the NJ-1041 return.

Do not include in the same check or money order the amount due for Tax Year 2019 and the first installment of estimated taxes for 2020. Use a separate check or money order for each payment. Send the 2020 estimated tax payment with an NJ-1040-ES voucher to the address indicated on that payment voucher.
Do not include the estimated tax payment with the 2019 fiduciary return.

Electronic Check (E-Check). This option is available on the Division's website (njtaxation.org). Taxpayers who do not have internet access can pay by e-check by contacting the Division's Customer Service Center or visiting a Regional Information Center (see page 27). Do not send in the payment voucher (Form NJ-1041-V) when paying by e-check.

Note: E-check payments made using an account that is funded from a financial institution outside the United States will not be accepted.

When using e-check on the web, you will need the federal employer identification number, the date of the decedent's death or the date the trust was created, your bank's routing number, and your account number to make a payment.

Credit Card. A Visa, American Express, MasterCard, or Discover credit card can be used to pay online (njtaxation.org) or by phone (1-888-673-7694). Credit card payments can also be made by contacting the Division's Customer Service Center or by visiting a Regional Information Center (see page 27). Fees apply when paying by credit card. The fee is added to the actual tax payment. Do not send in the payment voucher (Form NJ-1041-V) when paying by credit card.

You will need your bank's 9-digit routing number and your account number to pay by e-check. Do not enter the check number as part of the account number. Nотe: The routing and account numbers may be in different places on your check.

## Extension of Time to File

An extension of time is granted only to file the New Jersey Gross Income Tax Fiduciary Return. There is no extension of time to pay tax due. We will notify you only if the extension request is denied, but not until after the return is actually filed. Penalties and interest are imposed whenever tax is paid after the original due date.

## 5122-Month Extension

You can receive a $51 / 2$-month extension of time to file your New Jersey Gross Income Tax Fiduciary Return. An application for an extension of time to file is accepted only if at least $80 \%$ of the tax liability calculated on line 28 of your Form NJ-1041 when filed is paid in the form of withholdings, estimated, or other payments by the original due date, and

1. Federal extension filed. A copy of your federal Application for Automatic Extension is enclosed with your final return and the box at the top of Form NJ-1041 is checked (or your confirmation number is entered in the space provided at the top of Form NJ-1041 if the extension application or payment was filed online or by phone); or
2. No federal extension filed. You file a request for a $51 / 2$ month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if the request is denied, but not until after the return is actually filed.

Note: If a federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the $80 \%$ requirement.

If you fail to satisfy the requirements outlined for an extension of time to file, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. (See "Penalties, Interest, and Collection Fees" on page 4.)

## Accounting Method

A taxpayer's accounting method for New Jersey Income Tax must be the same as the accounting method used for federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for federal income tax purposes.

## Changes in Federal Income Tax

Report to the New Jersey Division of Taxation any change or correction in federal taxable income as reported on your federal fiduciary income tax return, whether resulting from the filing of any amended federal return or otherwise, within 90 days after filing such return or final determination of such change by the Internal Revenue Service. Similarly, if an amended federal return is filed, an amended New Jersey return must be filed within 90 days.

## Amended Return

The fiduciary should carefully follow the instructions when completing the tax return. Before filing the return, the fiduciary should make sure all of the income has been properly reported and any credits for which the estate or trust is eligible have been claimed. However, if after the return has been filed the fiduciary discovers that they failed to report income or erroneously claimed credits or did not claim credits for which the estate or trust was eligible, the error can be corrected by filing an amended return. The fiduciary should file a new return, clearly marked "AMENDED RETURN," in which the correct tax or refund is shown.

If an error is discovered that will result in a refund of tax, the amended Form NJ-1041 must be filed within three years from the date the original return was filed or within two years from the time the tax was paid, whichever is later, to receive a refund. (A return filed before the due date or extended due date is considered to be filed on such due date or extended due date.)

## Estimated Tax Payments

Certain estates and trusts are required to file Form NJ-1040-ES and make quarterly estimated tax payments for any tax year in which the estimated tax of the estate or trust is expected to exceed $\$ 400$. Estimated tax means the projected amount of New Jersey Income Tax liability for the tax year after subtracting allowable credits. Instructions for calculating the estimated tax and making estimated payments are included with Form NJ-1040-ES. Failure to file a declaration of estimated tax or to pay all or any part of an installment of estimated tax will result in interest charges on the underpayment.

## Exceptions

Estimated tax payments are not required from:

- A decedent's estate for any tax year ending before the date that is two years after the decedent's death; or
- A trust that was treated as owned by the decedent if the trust will receive the residue of the decedent's estate under the will (or if no will is admitted to probate, the trust primarily responsible for paying debts, taxes, and expenses of administration) for any tax year ending before the date that is two years after the decedent's death.

## Underpayment of Estimated Tax

If all estimated tax payments are not made as required, Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, should be completed to determine if interest is due and if so, to calculate the amount.

For more information, see GIT-8, Estimating Income Taxes.

## Name and Federal Employer Identification Number

The name and federal employer identification number must be entered on all schedules accompanying the return. If there is a balance due with the return, place the federal employer identification number on the remittance.

## Privacy Act Notification

The federal Privacy Act of 1974 requires all agencies requesting information from individuals to inform them why the request is being made and how the information is being used. The Division of Taxation uses the federal employer identification number primarily to account for and give credit for tax payments. It also is used in the administration and enforcement of all tax laws for which we are responsible.

## Rounding Off to Whole Dollars

When completing your return and the accompanying schedules, you can show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include the cents when adding the items and round off only the total. When entering the rounded total on the line, eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros in the space provided for cents.

## Gubernatorial Elections Fund

A fiduciary can designate as a contribution to the Gubernatorial Elections Fund the sum of $\$ 1$. The designation of a contribution to this fund does not increase the tax liability or reduce the amount of any possible refund.

## Signature and Date

The return must be signed and dated in blue or black ink by the individual fiduciary or by the authorized officer of the organization receiving or having custody or control and management of the income of the estate or trust.

## Preparer Authorization

Because of the strict provisions of confidentiality, Division of Taxation personnel cannot discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed the return as "Preparer Other than Fiduciary," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Preparer Other than Fiduciary," check the box above the preparer's signature line.

## Tax Preparers

Any person who prepares a taxpayer's return for a fee must sign as "Preparer" and enter their Social Security number or federal preparer tax identification number. Returns prepared by a firm or corporation should be signed by the individual preparer and should include the name of the firm or corporation. The individual preparer's Social Security (tax identification) number must be included, as well as the federal employer identification number of the firm or corporation. Any tax preparer who fails to sign the return or provide the assigned tax identification number will be liable for a $\$ 25$ penalty for each such failure.

Note: Preparers that reasonably expect to prepare 11 or more individual resident Income Tax returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns if an electronic filing option is available. A tax preparer is liable for a penalty of $\$ 50$ for each return they fail to file electronically when required to do so.

## Opting Out of Electronic Filing

If your tax preparer is required to file all returns electronically but you want to file a paper return, you can opt out by enclosing Form NJ-1040-O, E-File Opt-Out Request Form, with your paper return. Both you and your preparer must sign the form, and your preparer must check the box below their signature on your return to indicate that Form NJ-1040-O is enclosed.

## Penalties, Interest, and Collection Fees

Late Filing Penalty. $5 \%$ per month or fraction of a month for each month of delinquency up to a maximum of $25 \%$ of the balance of the tax due with the return. In addition, the law allows a $\$ 100$ per month (or fraction of a month) penalty.

Late Payment Penalty. 5\% of the outstanding tax balance may be imposed.

Interest. 3\% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Collection Fees. In addition, if a tax bill is sent to our collection agency, a referral cost recovery fee of $10.7 \%$ of the tax due will be added to the liability. If a certificate of debt is issued for an outstanding liability, a fee for the cost of collection of the tax also may be imposed.

## Name, Address, and Identification Number

Print or type the name of the estate or trust, the name and title of the fiduciary, and complete address with the ZIP Code. Check the "Change of Address" box if the address has changed since the last time a New Jersey return was filed. Enter the federal employer identification number in the space provided.

## Lines 1 through 4 - Residency Status

Indicate the residency status of the estate or trust by checking the appropriate box provided at each line. Indicate in the space provided the date of the decedent's death or the date the trust was created. If the estate or trust is a resident of a state other than New Jersey, enter the name of the state. In the space provided, indicate the type of trust (i.e., Simple trust, Complex trust, Grantor type trust).

## Line 5 - Estate Closed or Trust Terminated

If the estate was closed or the trust terminated, check the box provided and indicate the date of such closing or termination. Also write "final return" at the top of the form.

## Income

Estates and trusts (whether resident or nonresident) must report on lines 6 through 13 taxable income received from all sources (both inside and outside New Jersey) during the tax year. (Nonresident estates or trusts must complete lines 6-13 as if the income was earned by a resident estate or trust. Nonresident estates or trusts also must complete Schedule E to report their income from New Jersey sources. See the instructions for Schedule E on page 11.)

Important: Net losses in one category of income cannot be applied against income or gains in another on Form NJ-1041. In the case of a net loss in any category, enter " 0 " for that category. Under New Jersey law, no carryback or carryover of losses is permitted when reporting income on Form NJ-1041.

## Line 6 - Interest

Report all taxable interest from all sources, including savings and loan associations, credit unions, bank deposits, bonds, certificates of deposit, interest-bearing checking accounts, life insurance dividends, etc. Interest derived from sources held outside New Jersey is includable in gross income.

Interest received from Ginnie Maes, Fannie Maes, and Freddie Macs is taxable since these securities are not direct obligations of the federal government. Interest income received from repurchase agreements is taxable to the investor regardless of the nature of the underlying obligation. Interest on obligations of other states and their political subdivisions is subject to tax, as is the interest on obligations of the District of Columbia.

Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion, also are includable in gross income.

Amounts paid by a mutual fund or other regulated investment company are includable in gross income unless the fund is a qualified investment fund as defined by New Jersey law, or to the extent that the distributions are attributable to interest earned on federal obligations.

For New Jersey Income Tax purposes, a forfeiture penalty resulting from an early withdrawal of a time deposit account is considered a loss that can be used to offset interest income.

Interest to be Reported on Other Lines. Interest that was earned and paid to a sole proprietorship, a partnership, an S corporation, or an estate or trust is not included on line 6. The estate's or trust's portion of the interest from these sources will be included as follows:

- Sole proprietorship: Schedule NJ-BUS-1, Part I;
- Partnership: Schedule NJ-BUS-1, Part III;
- S Corporation: Schedule NJ-BUS-1, Part IV;
- Estate or Trust: Form NJ-1041, line 13 (Grantor Trusts, see the instructions for Schedule B, line 45).

Note: Interest paid or deemed to have been paid to the estate or trust by a partnership or S corporation and reported on Form 1099 must be included as interest on line 6.

For more information regarding the reporting of partnership income or S corporation income and distributions, see GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Tax-Exempt Interest Income. In the space provided, report all tax-exempt interest as well as exempt interest dividends from a New Jersey qualified investment fund. If exempt interest is more than $\$ 10,000$, you must include an itemized schedule detailing the amount received from each source.

New Jersey tax-exempt interest income includes interest from obligations of the State of New Jersey or any of its political subdivisions, direct federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes and Bonds, Sallie Maes, CATS, TIGRs, certain distributions from New Jersey qualified investment funds, and distributions paid by mutual funds to the extent the distributions are attributable to interest earned on federal obligations.

A New Jersey qualified investment fund is a regulated investment company in which at least $80 \%$ of the underlying investments are obligations issued either directly by the federal government or by the State of New Jersey or any of its political subdivisions.

If you received a distribution from a qualified investment fund, you can exclude from income only the portion that is attributable to qualified exempt obligations. A fund that is a qualified investment fund for New Jersey purposes should notify its shareholders by February 15 as to the portion of each distribution that can be excluded from income.

## Line 7 - Dividends

Enter on this line the amount of dividends received during the tax year from investments (e.g., from stocks, mutual funds) or other income-producing activities that do not constitute a trade or business. The total amount of dividends received, regardless of where earned, must be reported. For dividends received from a mutual fund or other regulated investment company, see the instructions for interest income at line 6.

Dividends to be Reported on Other Lines. Dividends that were earned and paid to a sole proprietorship, a partnership, an S corporation, or an estate or trust are not included on line 7. The estate's or trust's portion of the dividends from these sources will be included as follows:

- Sole proprietorship: Schedule NJ-BUS-1, Part I;
- Partnership: Schedule NJ-BUS-1, Part III;
- S Corporation: Schedule NJ-BUS-1, Part IV;
- Estate or Trust: Form NJ-1041, line 13 (Grantor Trusts, see the instructions for Schedule B, line 45).

For more information regarding the reporting of partnership income or S corporation income and distributions, see GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Distributions out of earnings and profits of corporations are required to be reported in the year received by the shareholder.

Distributions not out of earnings and profits of a corporation that are a return of investment or capital in the company are sometimes referred to as tax-free distributions or nontaxable capital distributions. Such distributions are a return of capital, reduce the basis of the stock or investment, and are not taxable until the basis in the stock or investment is fully recovered. To the extent that a return of capital (when added to other distributions received in the past) exceeds the investment in the stock or security, it is included in income as a capital gain on line 9 .

Capital gain dividends, under New Jersey law, are taxable in full as capital gains. Dividends reinvested in a public utility are taxable.

## Line 23 - Taxable Income

Enter on line 23 the taxable income from line 22, page 1.

## Nonresident Estates and Trusts Only: Line 24 - Tax on Amount on Line 23

Calculate the tax on the amount on line 23 by using one of the following methods:

Tax Table. If your taxable income is less than $\$ 110,000$, you can use the New Jersey Tax Table on page 16 or the New Jersey Tax Rate Schedule on page 24 to find your tax. After you have found your tax, enter the amount on line 24.

Tax Rate Schedule. You must use the New Jersey Tax Rate
Schedule on page 24 if your taxable income is $\$ 110,000$ or more. After you have calculated your tax, enter the amount on line 24.

## Line 25 - Income Percentage

To figure your income percentage, enter the amounts from line 16a and line 16 in the spaces provided. Divide the amount on line 16a by the amount on line 16 . Carry your result to four decimal places. For example, if the amounts used were $\$ 20,000$ (line 16a) divided by $\$ 30,000$ (line 16), the result would be $66.67 \%$ or .6667. In certain situations, however, the income percentage can exceed $100 \%$.

Note: The income percentage can exceed $\mathbf{1 0 0 \%}$. For example, a nonresident estate or trust realizes a $\$ 50,000$ gain from the sale of real property in New Jersey and sustains a $\$ 10,000$ loss from the sale of property in Florida. This nonresident taxpayer (which has no other income) reports $\$ 40,000$ as total income (line 16) and $\$ 50,000$ as income from New Jersey sources (line 16a). The income percentage is $125 \%$ (or 1.25 ) calculated as follows: $\$ 50,000$ (line 16a) $\div \$ 40,000$ (line 16).

Line 26 - Tax

## - Resident Estates and Trusts

## Line 31 - Penalty for Underpayment of Estimated Tax

New Jersey's Income Tax is a "pay-as-you-go" tax. You must pay the tax as it is earned or received throughout the year. If you do not pay enough tax on the income, the estate or trust may owe interest. (See "Estimated Tax Payments" on page 3.)

To calculate the amount of interest for the underpayment of estimated tax, complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Important: If a person received income in 2019 but died before filing a return, a New Jersey Income Tax return (Form NJ-1040 or Form NJ-1040NR) should be filed to report such income. Do not include on line 35 amounts withheld from income of a deceased taxpayer.

## Line 36 - Total Payments and Credits

## Schedule A - Net Gains or Income From Disposition of Property

## Line 41 - List of Transactions

Enter in the spaces provided all net gains or income less net losses derived from the sale, exchange, or other disposition of property, including real or personal property, whether tangible or intangible, taxable under New Jersey law.

If the estate or trust sold or transferred real property in New Jersey and was required to make estimated tax payments in connection with the sale or transfer, include such payments on line 33. Enclose a copy of Form GIT/REP-1, Nonresident Seller's Tax Declaration, with the return.

Note: Certain gains or losses from the disposition of property owned by a business (sole proprietorship, partnership, or S corporation) or an estate or trust must be reported in other income categories on Form NJ-1041 - not on Schedule A. See "Gains/Losses to be Reported on Other Lines" below before completing Schedule A.

The basis to be used for calculating gain or loss is the cost or adjusted basis determined for federal income tax purposes. New Jersey Income Tax law has uncoupled from certain changes in federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment. In listing the gain or loss on disposition of rental property, the New Jersey adjustment from Worksheet GIT-DEP, line 6 must be taken into consideration. Keep the completed worksheet for the records of the estate or trust.

Complete Liquidation. If the estate or trust had an interest in a partnership, a sole proprietorship, or an S corporation that sold or disposed of virtually all of its assets in conjunction with the complete liquidation of the entity, then the estate's or trust's portion of the gain or loss from the entity's sale or disposition of its
assets must be reported as net gains or income from the disposition of property.

If an interest in a partnership, sole proprietorship, or rental property was sold, you may be required to use a New Jersey adjusted basis. If shares in an S corporation were sold, you must use the New Jersey adjusted basis. The gain or loss from the sale or liquidation of a sole proprietorship, a partnership interest, or shares of $S$ corporation stock must be reported as net gains or income from disposition of property on Schedule A.

For information on calculating the New Jersey adjusted basis and the New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1 (c)(5) (trade or business property), 18:35-1.3(d)(2) (partnerships), or 18:35-1.5(k) (S corporations), and GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

All capital gains are taxed at their full amount. You can deduct federal passive losses in full in the year incurred, provided that there is a gain within the same category of income. No preferential treatment is given to any capital gain.

All gains derived from installment sales must be reported in the same tax year as reported for federal income tax purposes. If the New Jersey basis differs from the federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported. If the spaces provided are not sufficient, enclose a statement with the return. Enclose a copy of federal Schedule D.

Gains/Losses to be Reported on Other Lines. A gain or loss from the disposition of property owned by a business or an estate or trust is not reported on Schedule A. The estate's or trust's portion of the gain or loss from these sources will be included as follows:

- Sole proprietorship: Schedule NJ-BUS-1, Part I;
- Partnership: Schedule NJ-BUS-1, Part III;
- S Corporation: Schedule NJ-BUS-1, Part IV;

Do not include distributions of New Jersey tax-exempt income or corpus distributions. Also enter in column $C$ the amount of tax paid by partnerships on behalf of the estate or trust and that was distributed to a nonresident beneficiary or grantor. However, such income must be included in column A.

## Line 46C - Tax Paid on Behalf of Estate or Trust by Partnerships and Distributed

Enter on this line the total tax paid on behalf of the estate or trust by partnerships that was distributed to nonresident beneficiaries or grantor. Also enter this amount on line 34b.

## Schedule C - Credit for Income or Wage Taxes Paid by New Jersey Estates or Trusts to Other Jurisdictions

A resident estate or trust may be eligible for a tax credit against its New Jersey tax if its income is from sources outside New Jersey and is subject to both New Jersey Income Tax and the income tax or wage tax imposed by another state of the United States or political subdivision of such state or by the District of Columbia. The fiduciary must complete this schedule to be allowed the credit.

Note: New Jersey does not require that a copy of the income tax return(s) filed with the other jurisdiction(s) be submitted with Form NJ-1041. However, taxpayers should keep complete copies of any returns filed with other jurisdiction(s), including Electronic Filing Income Tax Returns and associated schedules and worksheets that establish the nature and source of the income being taxed by the other jurisdiction. The taxpayer may be asked to submit copies of these or other documents.

## Line 47 - Income Properly Taxed by Both New Jersey and Other Jurisdiction

Enter on this line the amount of income received during the tax year, after the deduction of the actual amount of income distributed or required to be distributed, that was subject to tax by another jurisdiction and also reported on the New Jersey return and included in line 48. Do not combine the same income subject to tax by more than one jurisdiction. Income subject to tax by foreign countries cannot be included in line 47 .

## Line 48 - Income Subject to Tax by New Jersey

Enter on this line the amount of income taxed by New Jersey from line 16 (Total Income).

## Line 49 - Maximum Allowable Credit

To calculate the amount to be entered on this line, divide the income taxed by New Jersey (line 48) into income taxed by the other jurisdiction (line 47) and multiply the result by the New Jersey tax (line 26). This is the amount of maximum allowable credit.

## Line 50 - Income Tax Paid to Other Jurisdiction

Enter on this line the total amount of income or wage tax paid to the other jurisdiction on the amount of income indicated at line 47.

## Line 51 - Credit Allowed

Enter on this line the lesser of line 49 (maximum allowable credit) or line 50 (income or wage tax paid to other jurisdiction). Also enter this amount on line 27.

## Schedule D - Allocation of Business Income to New Jersey

Schedule D must be used by nonresident taxpayers who are required to complete and enclose a Gross Income Tax Business Allocation Schedule (Form NJ-NR-A). This schedule is completed only by nonresidents carrying on business both inside and outside New Jersey. (See the instructions for Form NJ-NR-A on page 14.)

## Schedule E - New Jersey Income of Nonresident Estates and Trusts

The New Jersey Income Tax liability of a nonresident estate or trust is based on the percentage of its total income that comes from New Jersey sources. Tax is calculated on income from all sources and then prorated according to the ratio that New Jersey income bears to income from both inside and outside New Jersey.

Nonresident estates must report their income from all sources (both inside and outside New Jersey) on lines 6-13 of Form NJ-1041 and their income from New Jersey sources on lines 1-8 of Schedule E. These figures cannot be copied from figures reported on the federal return.

Complete Schedule E before completing line 16a of Form NJ-1041. If you complete Schedule E, enclose it with your completed Form NJ-1041.

## Income From New Jersey Sources (Lines 1-8)

For each of the various categories of income, enter the portion of the estate's or trust's income received during the tax year that comes from New Jersey sources.

Important: For every entry on lines 6-13 of Form NJ-1041, there should be an entry on the corresponding line on Schedule E. If none of the income in a particular category is from New Jersey sources, enter " 0 " on the appropriate line on Schedule E.

Income or losses that a nonresident estate or trust receives from a business entity (i.e., sole proprietorship, partnership, LLP, or LLC) located in New Jersey will not be deemed to be derived from New Jersey sources if the business entity's sole activity is the purchase, holding, or sale of intangible personal property, such as commodities or securities, and such intangible personal property is not held for sale to customers. However, such income must be included on the appropriate line of Form NJ-1041.

A nonresident estate or trust that carries on business both inside and outside New Jersey must allocate business income to determine the amount of income from New Jersey sources. Complete and enclose a separate Business Allocation Schedule (Form NJ-NR-A) for each business required to allocate. Also complete Schedule D on page 3 of Form NJ-1041.

## Line 9 - Total Income From New Jersey Sources

## Part I - Net Profits From Business

Use Part I to report the net profits or loss from the operation of a business, trade, profession, or other activity carried on by the estate or trust after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with the method of accounting used for federal income tax purposes. If the spaces provided are not sufficient, enclose a statement with the return listing any additional businesses and the related profit or loss along with Schedule NJ-BUS-1. Adjustments should be made to federal Schedule C or F to comply with the New Jersey Income Tax law.

- Add any amounts deducted for taxes based on income.
- Add interest from states or political subdivisions outside New Jersey that were not reported for federal purposes.
- Add interest and dividends that were derived by the trade or business.
- Add or subtract income or losses derived by the trade or business from rentals, royalties, patents, or copyrights.
- Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property, not including New Jersey exempt securities.
- Subtract interest that was taxable for federal purposes but is exempt for New Jersey purposes.
- Deduct meal and entertainment expenses that constitute ordinary expenses incurred in the conduct of a trade or business but that were not allowed on the federal return.
- Deduct your qualified contributions to a self-employed 401(k) Plan. Contributions to a plan in excess of the federal limits, which are not an allowable deduction for federal tax purposes, also are not deductible for New Jersey purposes.
- Add or subtract the net adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1, line 7. Keep the completed worksheet for your records.

Sole proprietorships providing primary care services in a qualified medical or dental practice that is located in or within five miles of a designated Health Enterprise Zone (HEZ) may be able to deduct a percentage of the net income from that practice on line 19. See Technical Bulletin TB-56 for eligibility requirements and instructions for calculating the HEZ deduction.

For an income-producing activity to constitute a business or profession, it must be a commercial enterprise regularly conducted for profit and meet the criteria listed in N.J.A.C. 18:351.1, Net Profits From Business.

## Example

A trust invests in stock for its own financial benefit. It does not offer its investment services to others for a fee. It derives substantial income (gains from the sale of stock, interest, and dividends) from the investment activities. The trust's income is not net profits from a business or profession. It must report this income as gains from the sale of stock, interest, and dividends.

Note: Certain net gains or losses from rents, royalties, patents, and copyrights from property owned by a business (sole proprietorship, partnership, or S corporation) or an estate or trust must be reported in other income categories on Form NJ-1041 - not in Part II, Schedule NJ-BUS-1. See "Gains/Losses to be Reported on Other Lines" below before completing Part II.

New Jersey Income Tax law has uncoupled from certain changes in federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. The New Jersey Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses when reporting income on Form NJ-1041. Federal passive losses can be deducted in full in the year incurred, provided that there is a gain within the same category of income.

Gains/Losses to be Reported on Other Lines. Net gains or losses from rents, royalties, patents, and copyrights from property owned by a business or an estate or trust are not reported in Part II. The estate's or trust's portion of the net gains or losses from these sources will be included as follows:

Beneficiaries are subject to New Jersey Income Tax on the net income from an estate or trust actually distributed or required to be distributed during the tax year. The fiduciary of an estate or trust must provide each beneficiary with a New Jersey Schedule NJK-1, Form NJ-1041, listing the total income distributed and the New Jersey source income distributed.

Prepare a Schedule NJK-1 for each beneficiary using the information listed on Schedule B, Form NJ-1041, Beneficiaries' Shares of Income.
